(57) **CLAIM**

The ornamental design for a handle, as shown and described.

DESCRIPTION

FIG. 1 is a top isometric perspective view of a handle showing the new design;
FIG. 2 is a side elevational view thereof, the opposite side elevational view being a mirror image;
FIG. 3 is a front elevational view thereof, the rear elevational view being a mirror image;
FIG. 4 is a top plan view thereof, the bottom plan view being a mirror image; and,
FIG. 5 is a top isometric perspective view thereof, the broken line showing of the unclaimed lacrosse stick head being shown as environment.
The broken lines shown are included for the purpose of illustrating unclaimed subject matter and form no part of the claimed design. The dash-dot lines are included as boundary lines and form no part of the claimed design. The middle portion of the handle shown broken away indicates indeterminate length and forms no part of the claimed design.
