(57) **CLAIM**

We claim the ornamental design for a screen for an air intake system, as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view of a screen for an air intake system.

FIG. 2 is top view of the screen shown in FIG. 1.

FIG. 3 is a right side view of the screen shown in FIG. 1.

FIG. 4 is a left side view of the screen shown in FIG. 1.

FIG. 5 is a rear view of the screen shown in FIG. 1; and,

FIG. 6 is a front view of the screen shown in FIG. 1.

The circular features drawn in broken line and the broken line drawn features within the dash-dot-dash broken line boundaries are portions of the screen for an air intake system that form no part of the claimed design. The dash-dot-dash broken lines denote the bounds of the claim and form no part thereof.
