(57) **CLAIM**

The ornamental design for the hazard warning and barricade tape, as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view of a hazard warning and barricade tape showing my new design.

FIG. 2 is a front view of the hazard warning and barricade tape of FIG. 1.

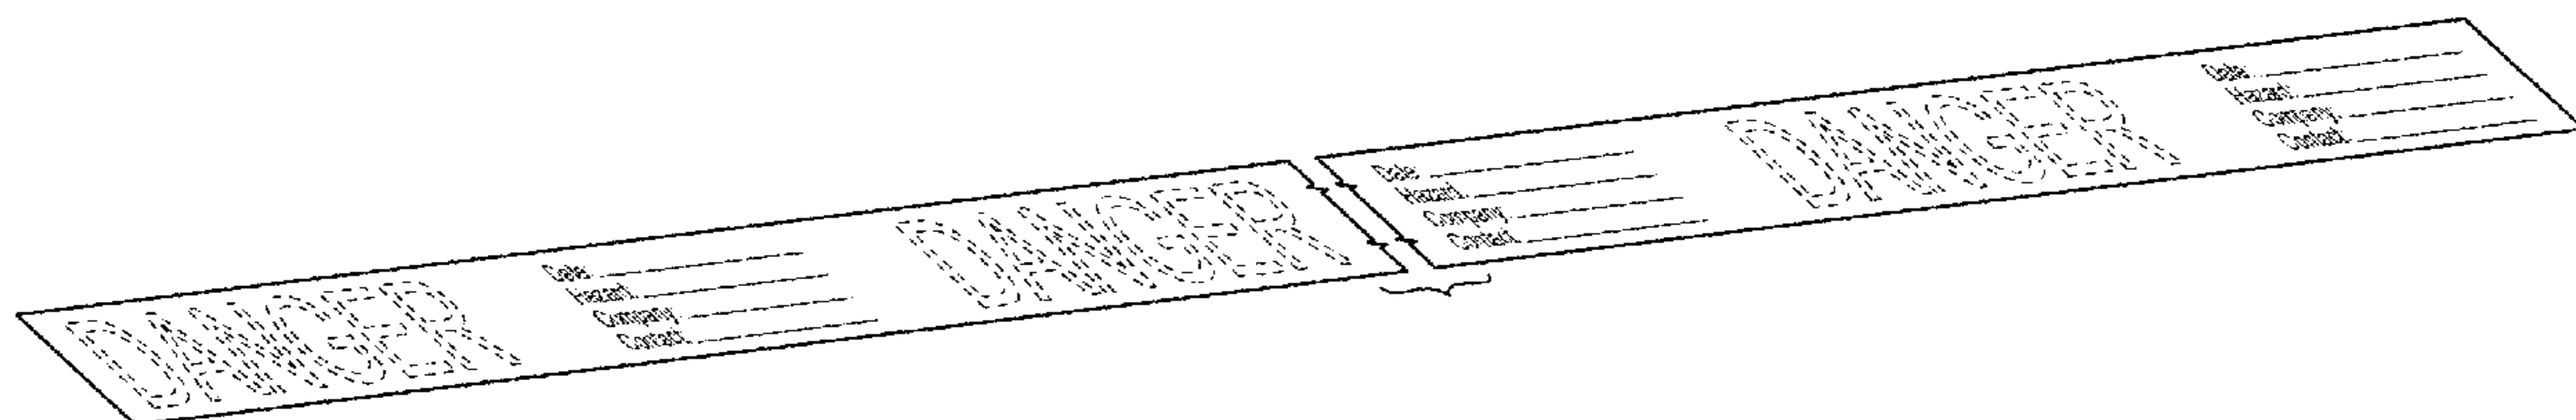

FIG. 3 is a side view of the hazard warning and barricade tape of FIG. 1; and,

FIG. 4 is a top view of the hazard warning and barricade tape of FIG. 1; the bottom view is the same and so is not separately shown.

The back of the hazard warning and barricade tape forms no part of the design and typically is not seen and so is not shown.

The broken lines illustrate portions of the hazard warning and barricade tape that form no part of the claimed design. The hazard warning and barricade tape is shown with a symbolic break in its length, as illustrated with four jagged lines. The appearance of any portion of the article between the jagged lines forms no part of the claimed design.

**1 Claim, 1 Drawing Sheet**
