(57) **CLAIM**

The ornamental design for a window cover for recreational vehicles, as shown and described.

**DESCRIPTION**

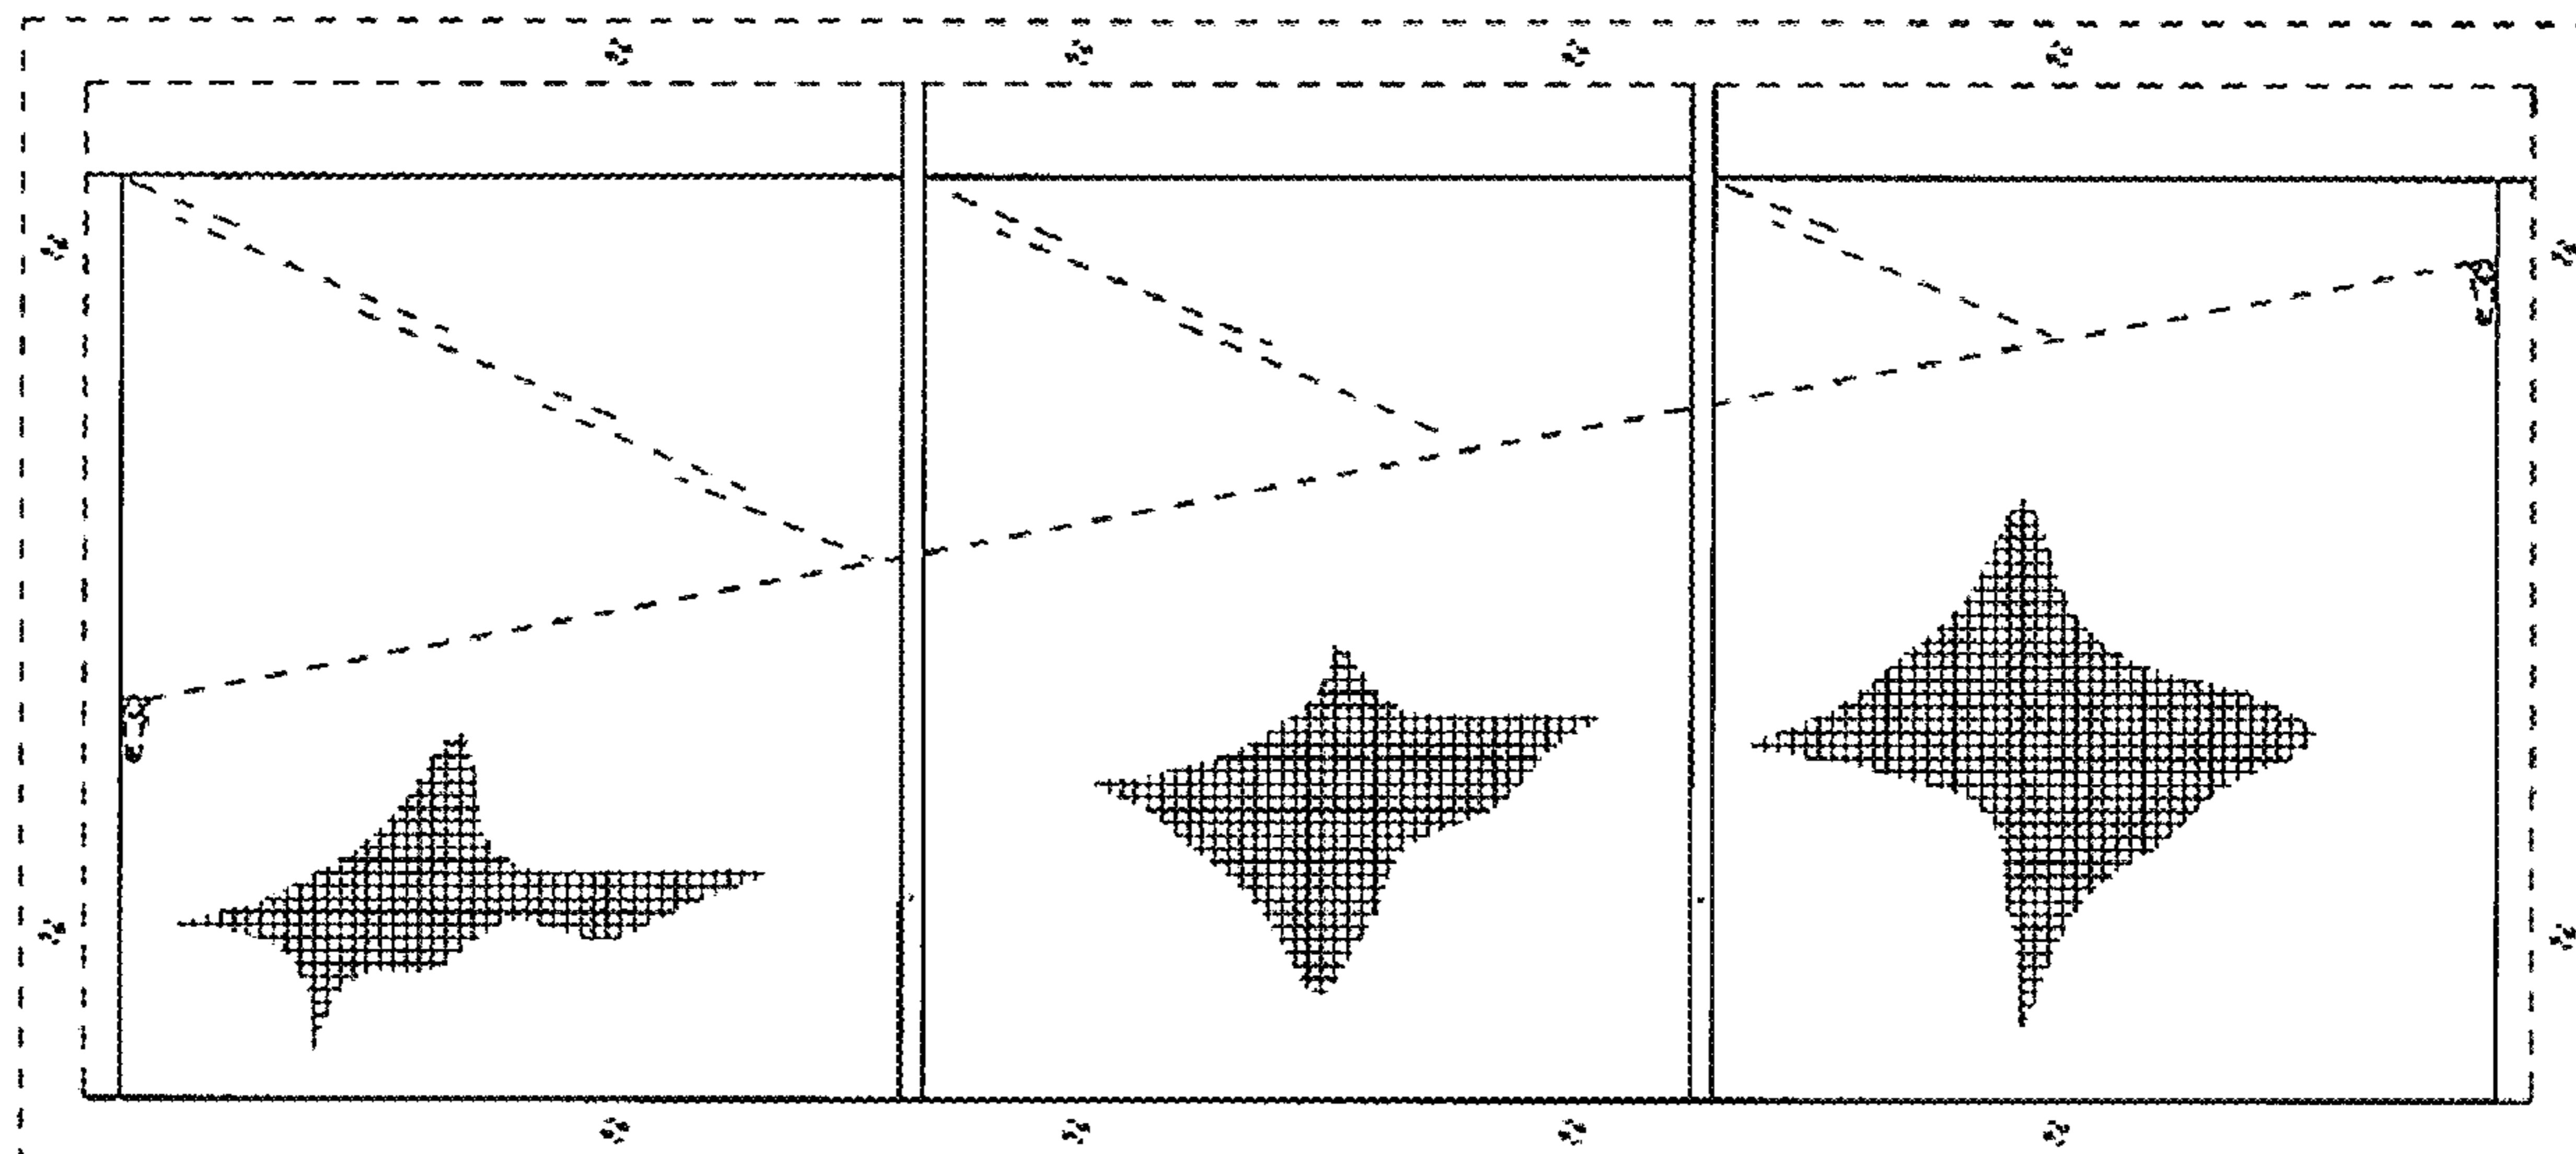

FIG. 1 is a front view of a window cover for recreational vehicles showing the right side of the cover raised higher than the left;

FIG. 2 is a front view of the cover shown in FIG. 1 with both sides fully raised; and,

FIG. 3 is a front view of the cover shown in FIG. 1 showing the left side of the cover raised higher than the right.

The hatching shown in the figures represents pattern that is understood to uniformly repeat over the entire design.
