(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The broken lines around the FIGURE show a display screen or portion thereof and form no part of the claimed design. The broken lines within the FIGURE show portions of the graphical user interface and form no part of the claimed design. Although the broken lines may include various styles or thickness, no broken lines form part of the claimed design.
