(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface set, as shown and described.

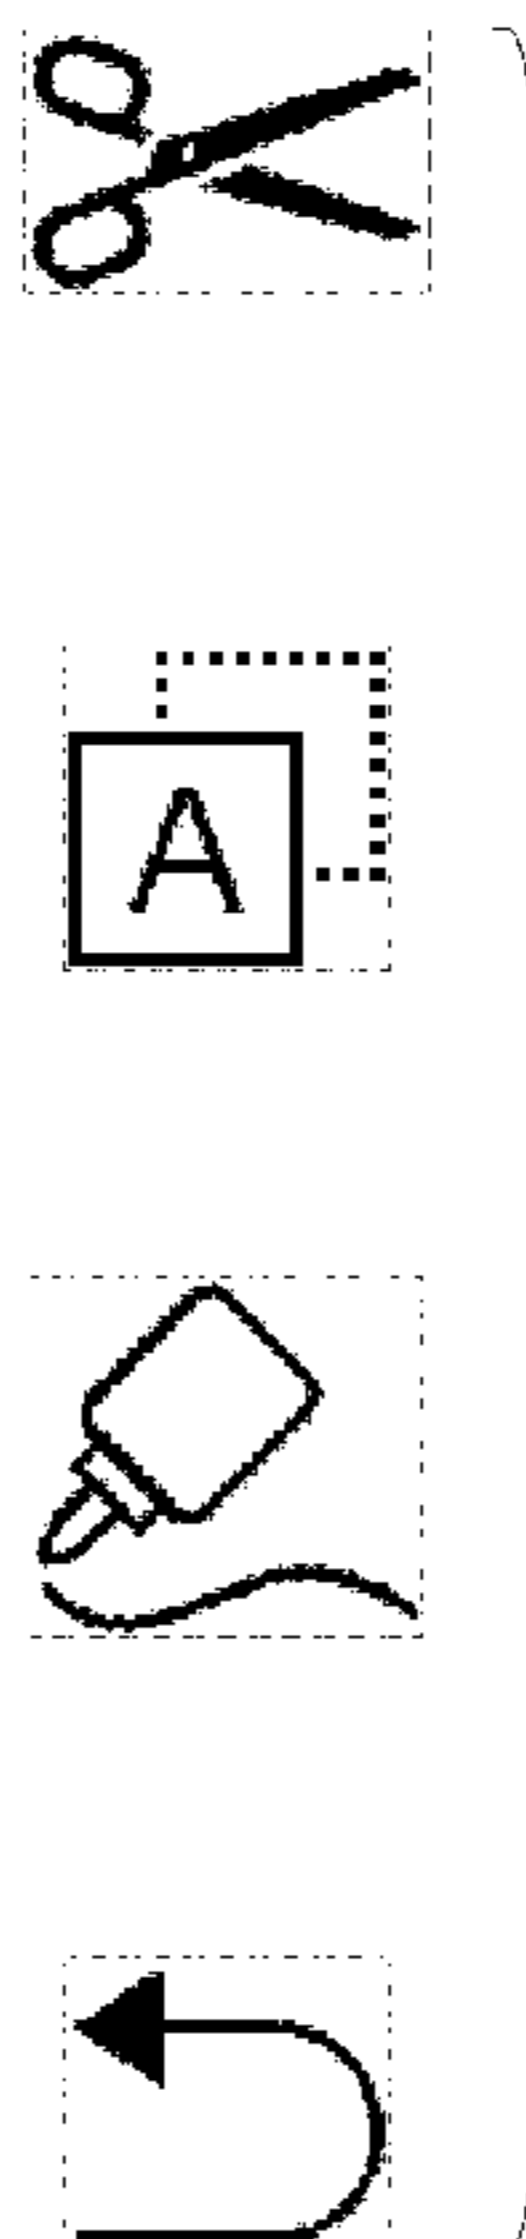

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface set showing the claimed design.

The outermost, thin broken lines in the FIGURE show a display screen or portion thereof, and form no part of the claimed design. The thick broken lines in the FIGURE show a feature of the claimed design.

The bracket shown in the FIGURE indicates a set. The graphical user interface set is arranged relatively on the drawing sheet for the convenience of illustration, and the relative positioning forms no part of the claimed design.
