(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface, showing the new design.

The broken line showing the display screen and all other broken lines showing portions of the graphical user interface illustrate portions of the article of manufacture. The broken lines form no part of the claimed design.

1 Claim, 1 Drawing Sheet
