Primary Examiner — Antoine Duval Davis

(74) *Attorney, Agent, or Firm* — Paradice and Li LLP

(57) **CLAIM**

The ornamental design for a disposition indicator, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the invention having a window display in a first status reporting position with broken lines forming no part of the claimed design.

FIG. 2 is a front perspective view of the invention having the window display in a second status reporting position with broken lines forming no part of the claimed design.

FIG. 3 is a front plan view of the invention having the window display in the first status reporting position with broken lines forming no part of the claimed design.

FIG. 4 is a front plan view of the invention having the window display in the second status reporting position with broken lines forming no part of the claimed design.

FIG. 5 is a left side plan view of the invention in the first status reporting position.

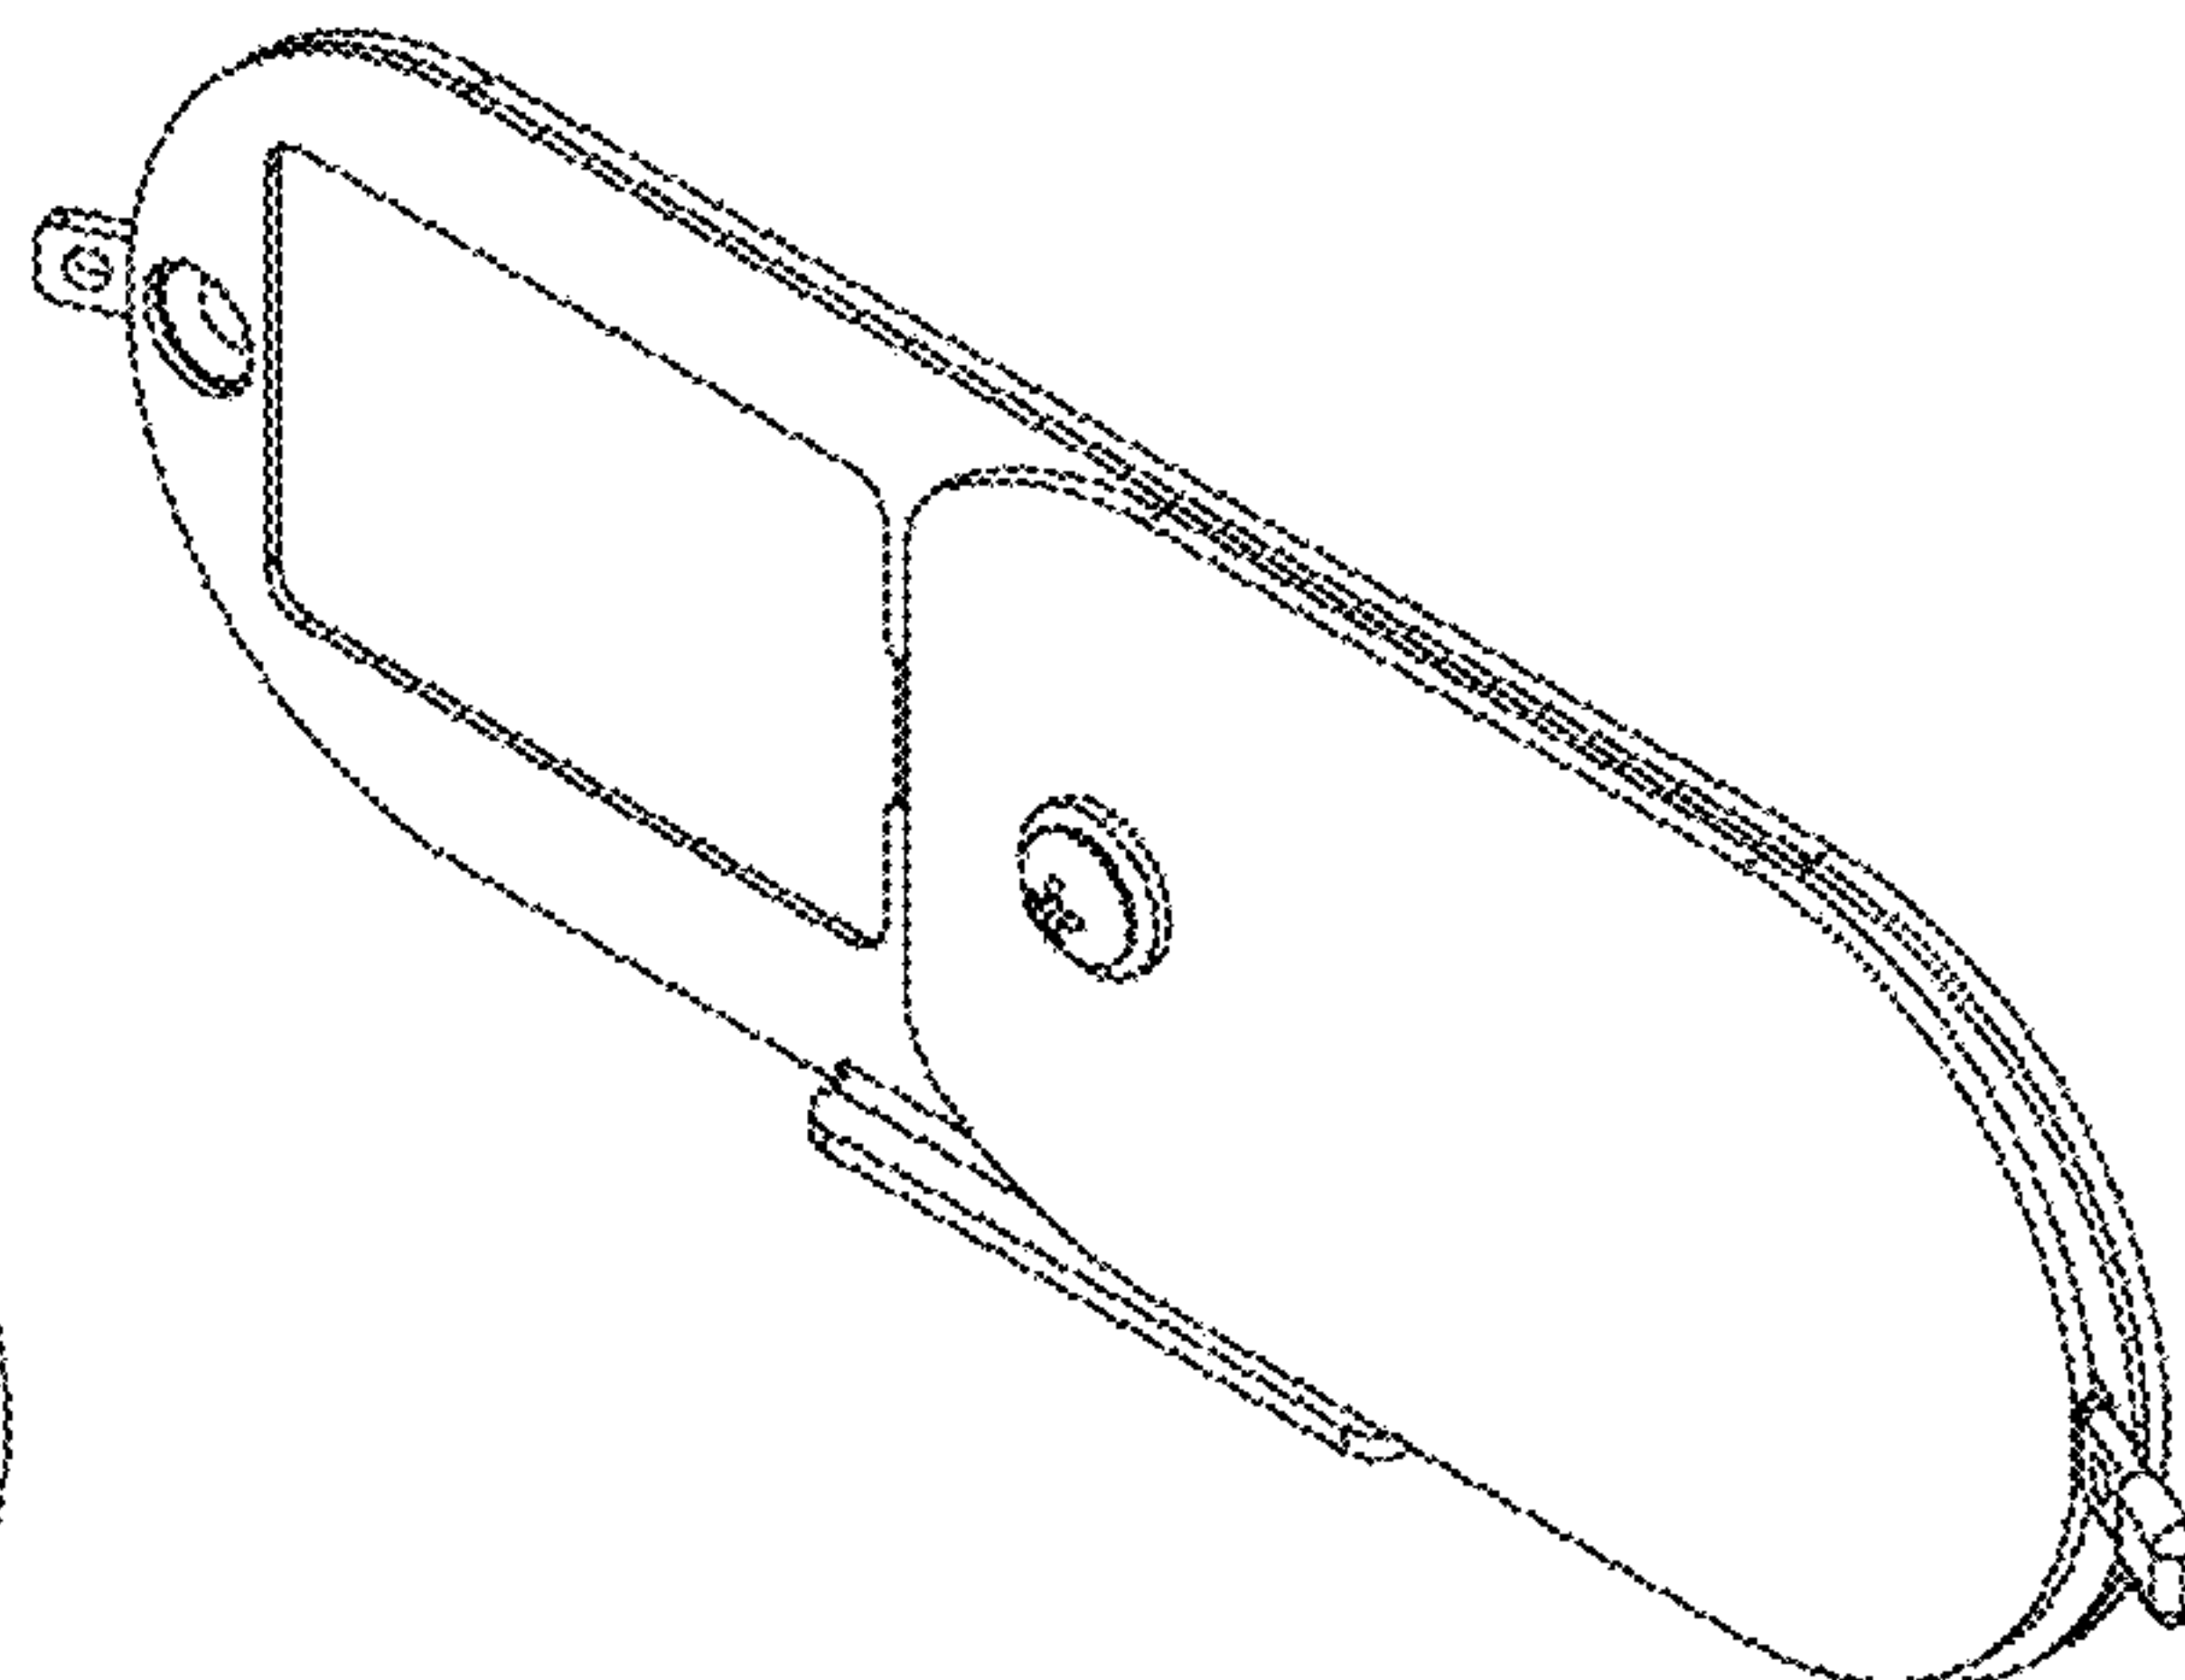

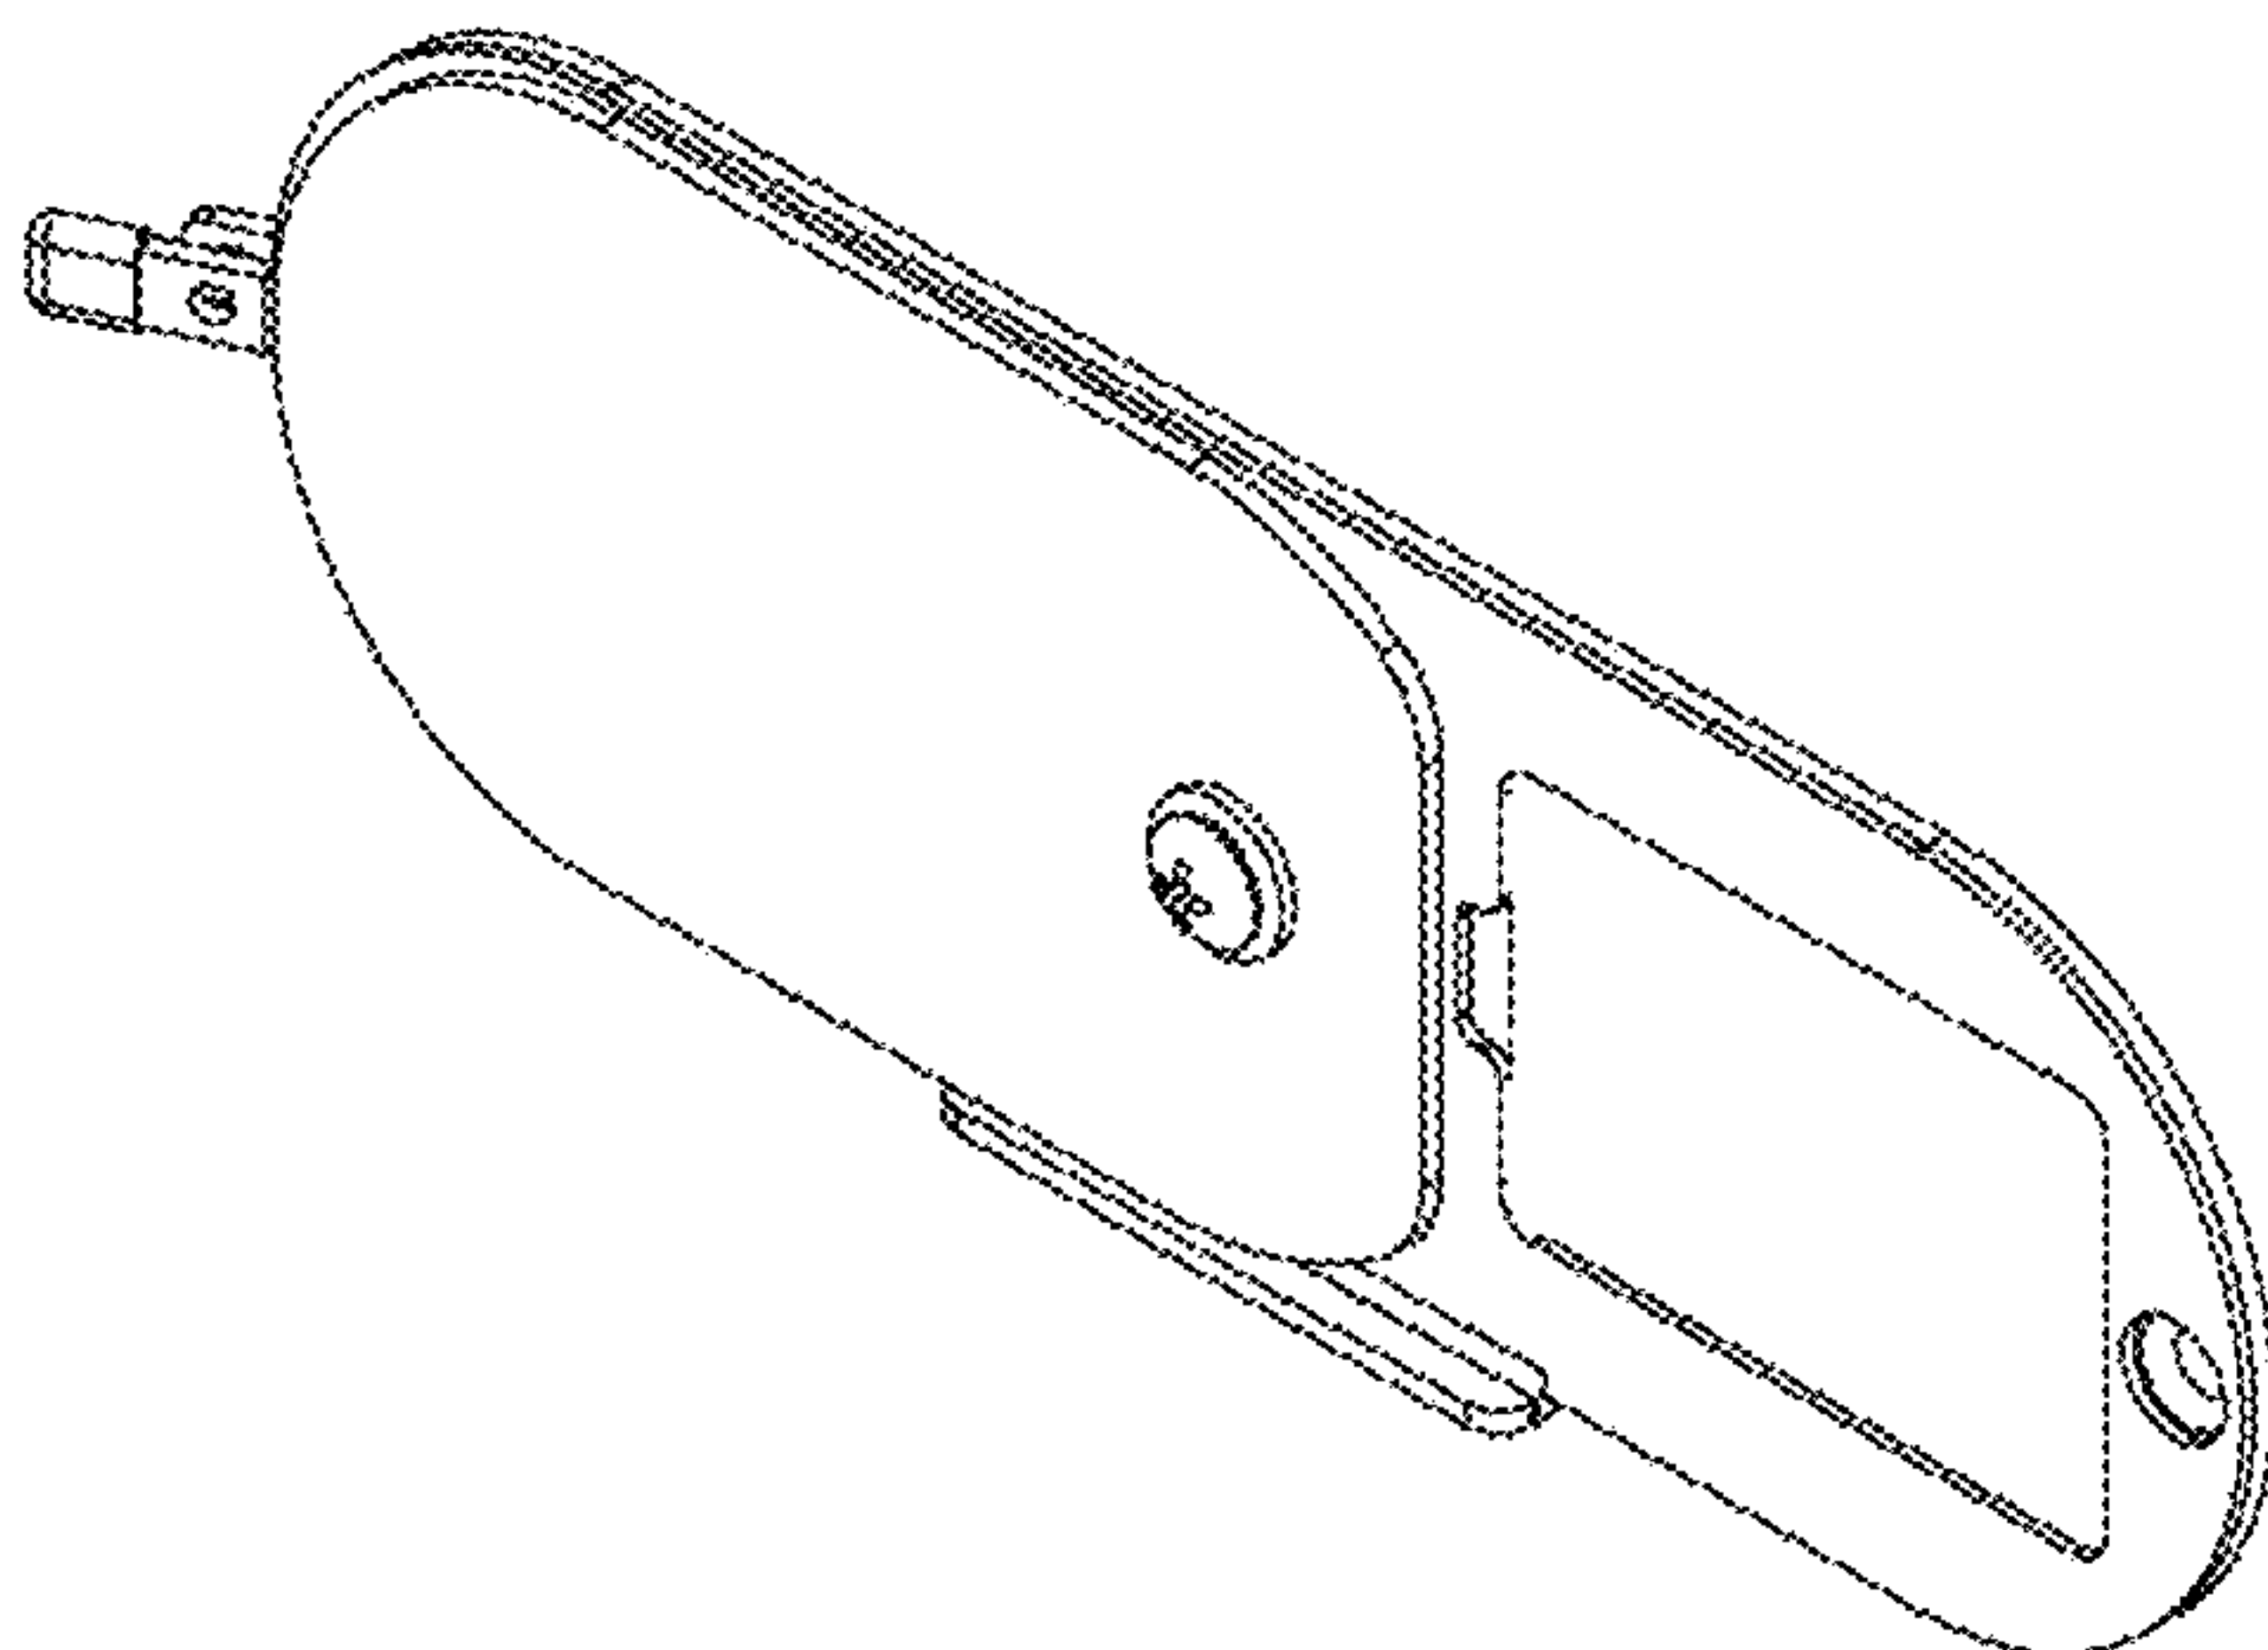

FIG. 6 is a right side plan view of the invention in the first status reporting position.

FIG. 7 is a top plan view of the invention in the first status reporting position.

FIG. 8 is a bottom plan view of the invention in the first status reporting position; and,

FIG. 9 is a rear plan view of the invention in the first status reporting position.

1 Claim, 7 Drawing Sheets
