(57) **CLAIM**

What is claimed is the ornamental design for a display panel of a programmed computer system with a graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of the display screen with graphical user interface showing the design. The broken line showing of a mobile device is included for the purpose of illustrating environmental structure and forms no part of the claimed design. The broken line showing of the graphical user interface is included for the purpose of illustrating portions of the article which form no part of the claimed design.

1 Claim, 1 Drawing Sheet
