(57) **CLAIM**

The ornamental design for a display screen or portion thereof with computer-generated icon, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a display screen or portion thereof with a computer-generated icon, according to a first embodiment our new design; and,

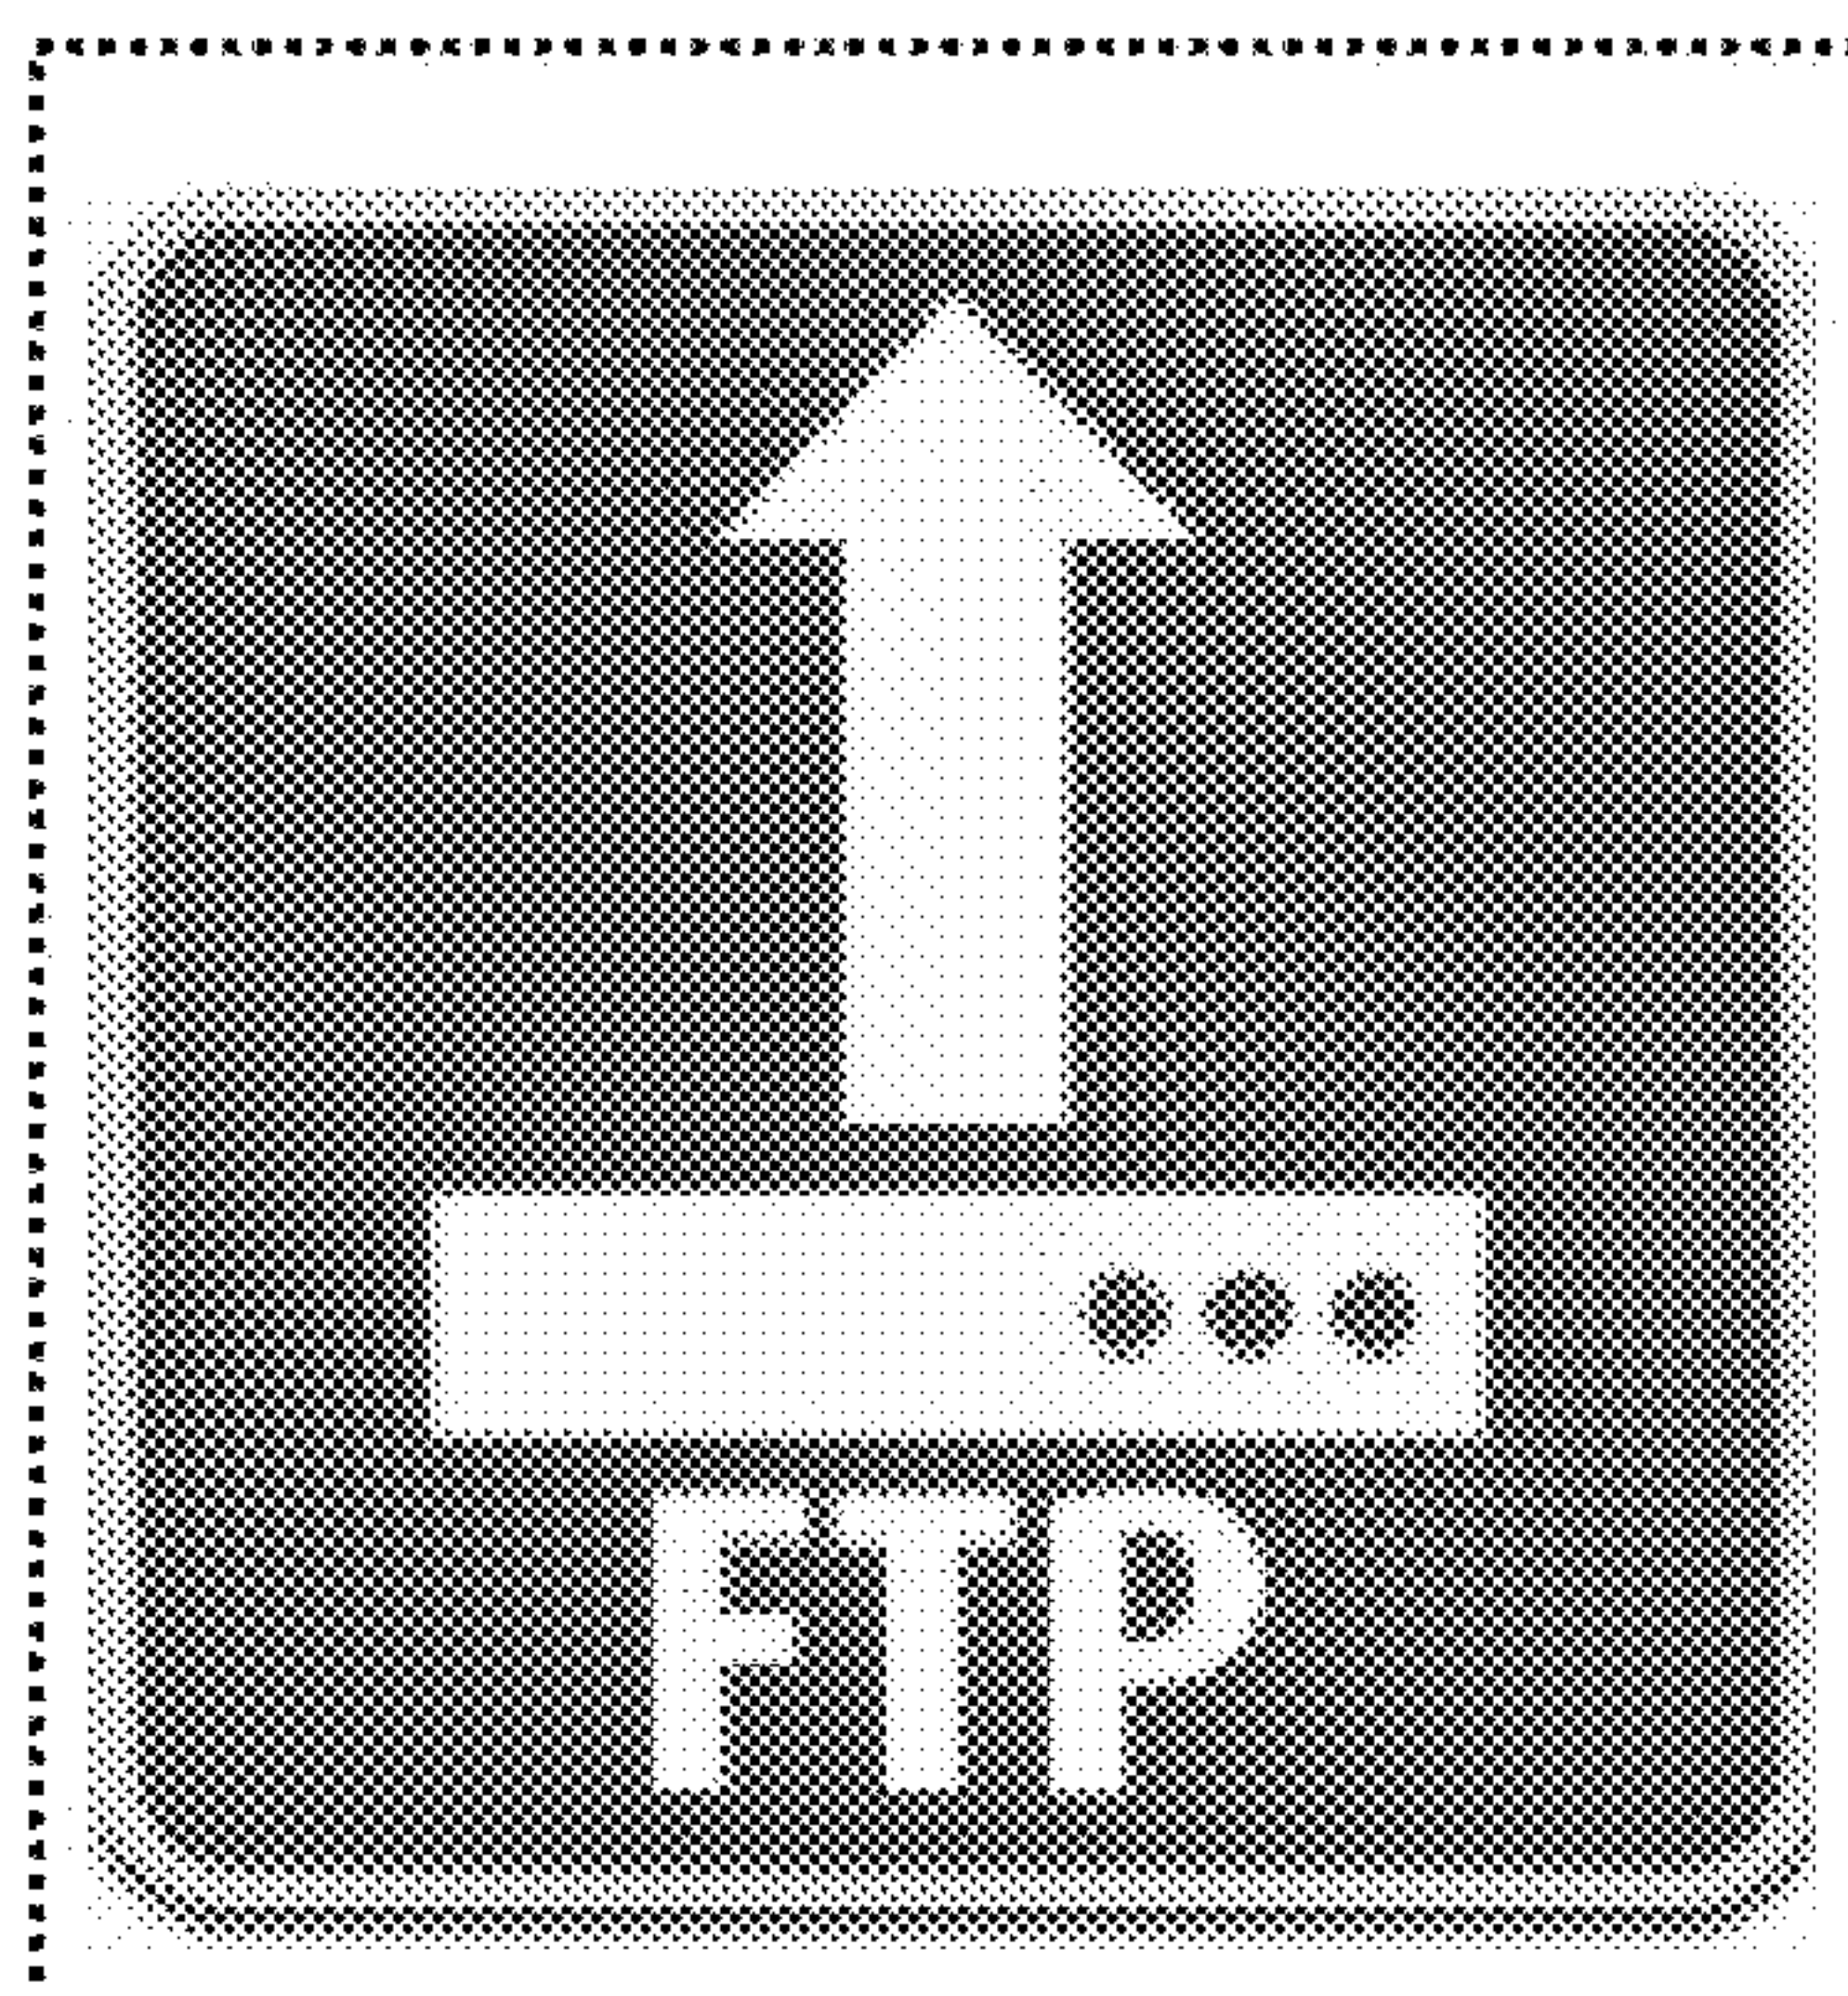

FIG. 2 is a front view of a second embodiment thereof.

The outer dotted line showing of a display screen or portion thereof forms no part of the claimed design. The broken lines in FIG. 2 show a portion of the computer-generated icon that forms no part of the claimed design.

In FIG. 2, the gray tones represent a contrast in appearance.
