(57) **CLAIM**

The ornamental design for an insulated reinforced structural building panel, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an insulated wood reinforced structural building panel embodying my design, and depicting the environment in which the panel is used in an exploded view;

FIG. 2 is a front view of the insulated reinforced structural building panel;

FIG. 3 is a rear view of the insulated reinforced structural building panel;

FIG. 4 is a left side view of the insulated reinforced structural building panel;

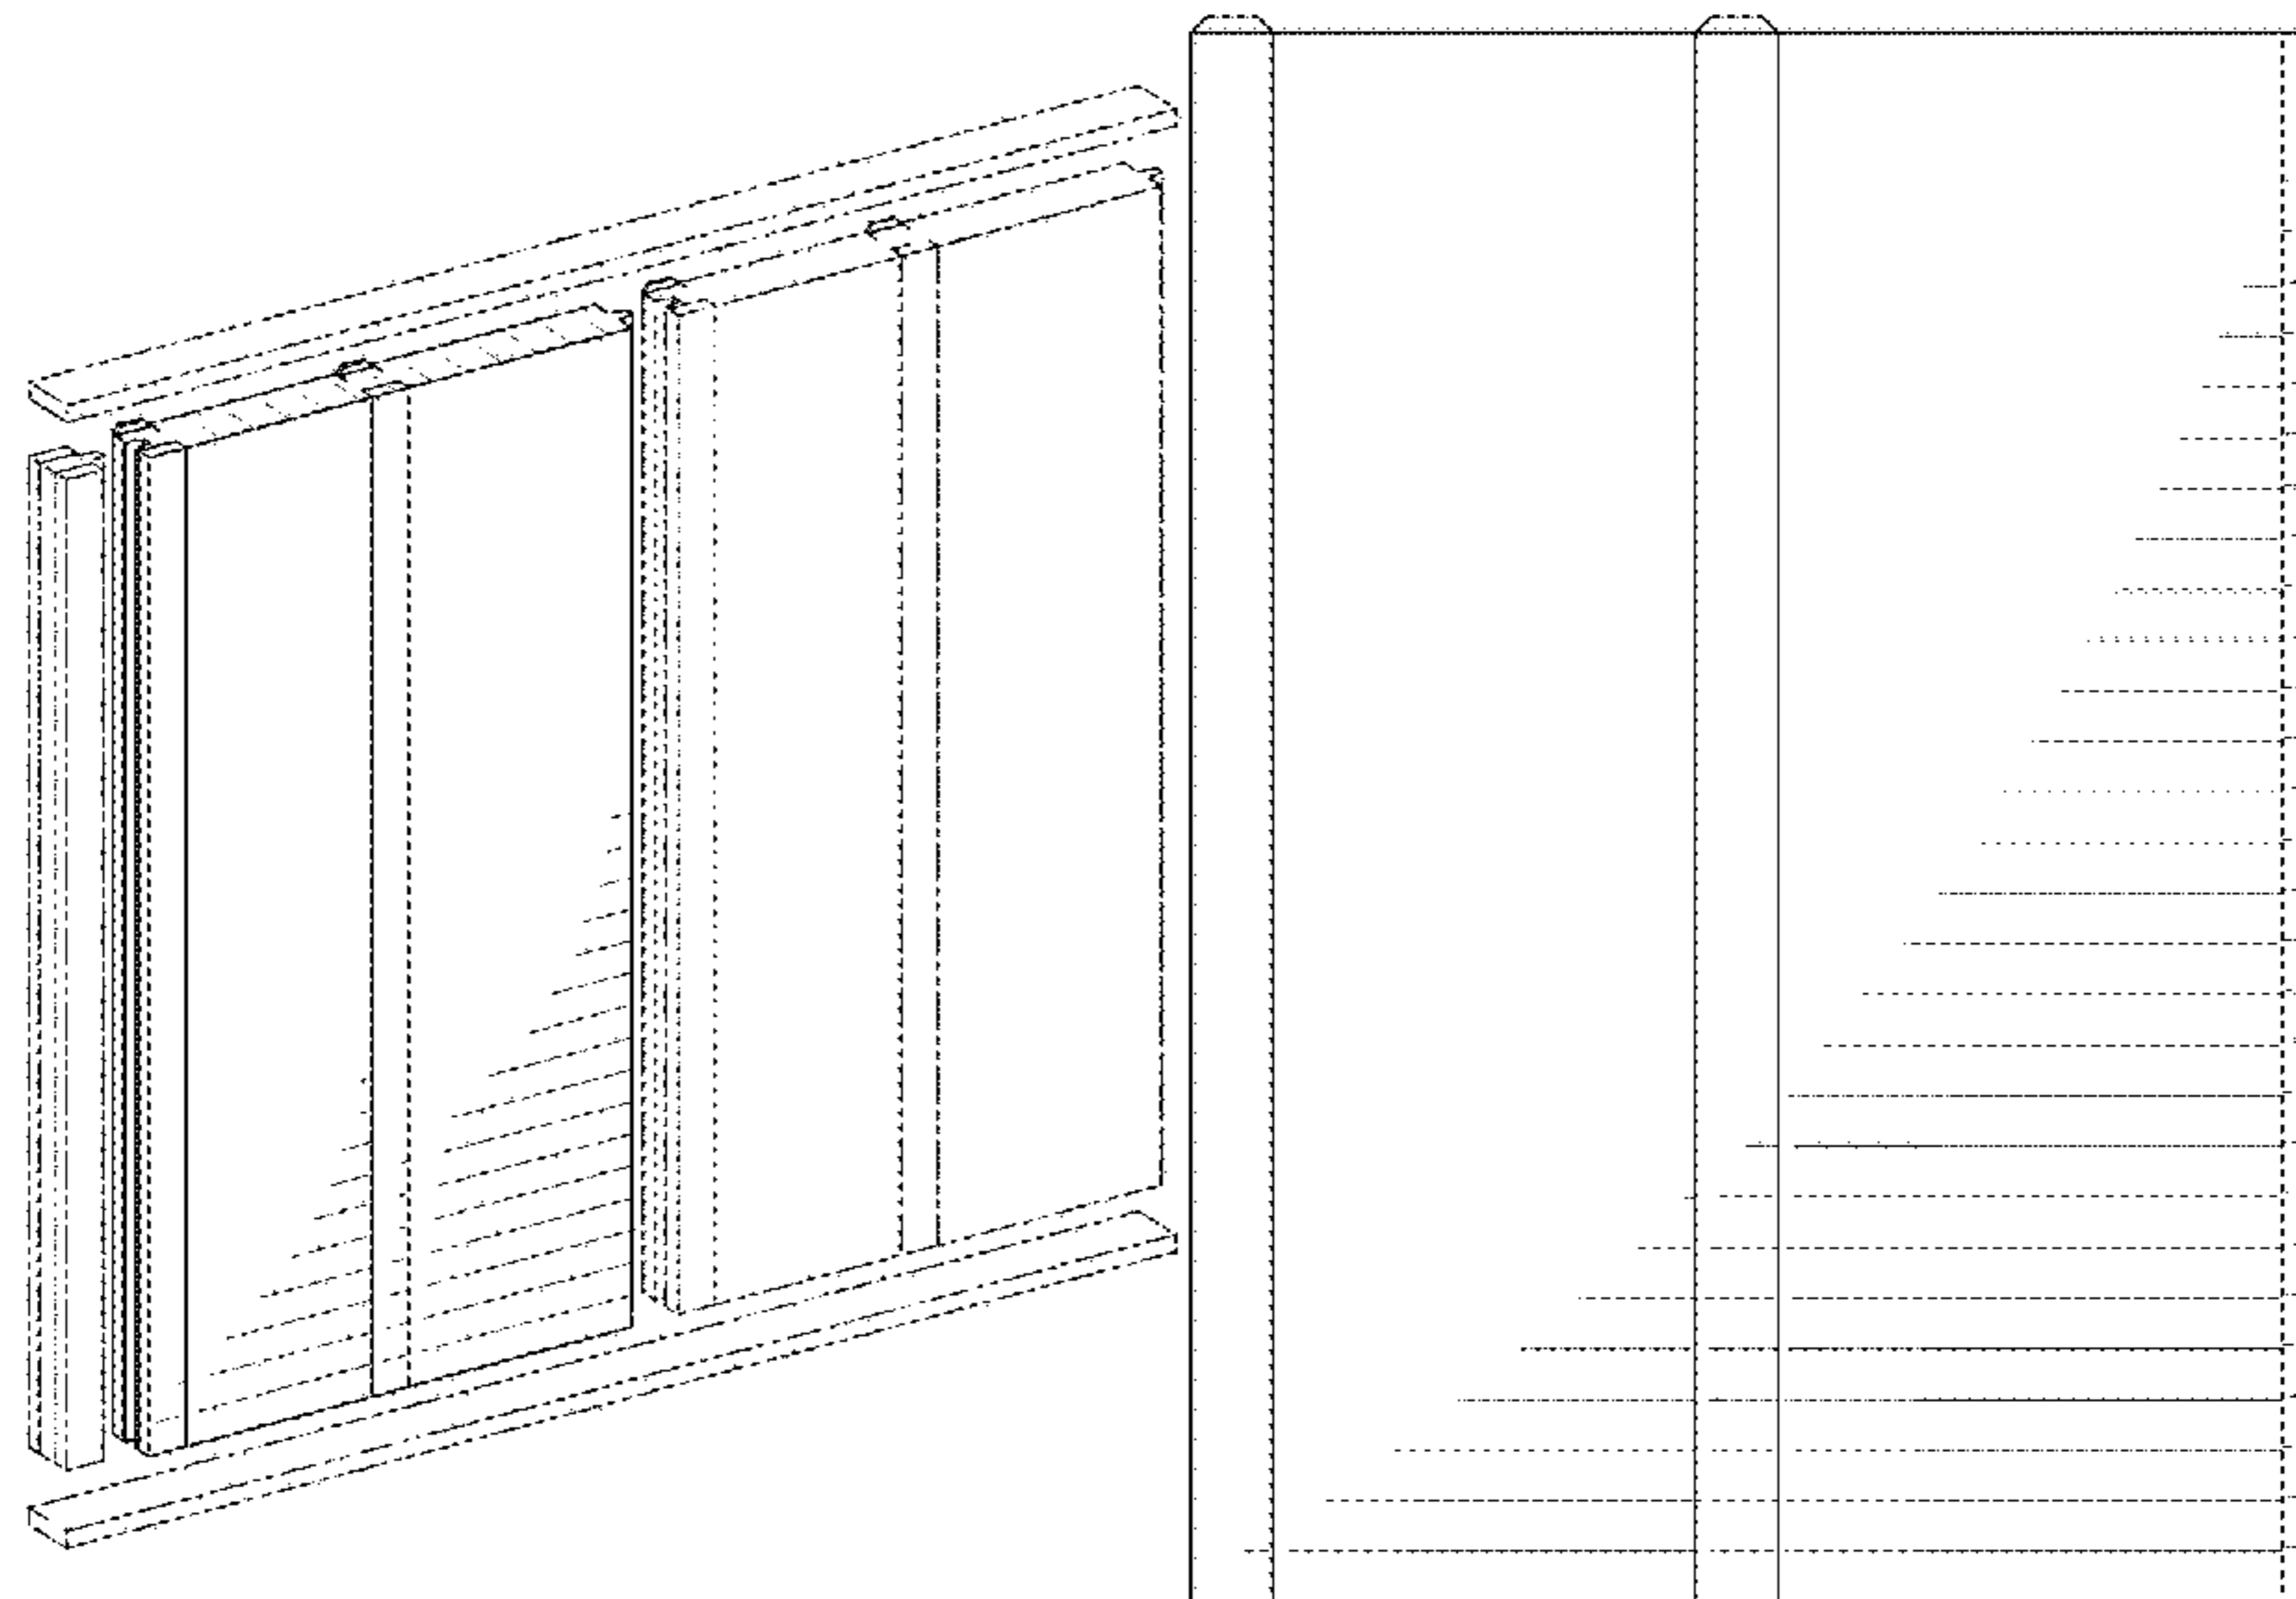

FIG. 5 is a right side view of the insulated reinforced structural building panel;

FIG. 6 is a top view of the insulated reinforced structural building panel; and,

FIG. 7 is a bottom view of the insulated reinforced structural building panel.

The broken lines in FIG. 1 depict environmental subject matter that forms no part of the claimed design.

1 Claim, 5 Drawing Sheets
