(57) **CLAIM**

The ornamental design for a battery charger, as shown and described.

DESCRIPTION

FIG. 1 is a front top perspective view of a battery charger in accordance with our new design;
FIG. 2 is a rear bottom perspective view of the battery charger in accordance with our new design;
FIG. 3 is a front elevational view of the battery charger in accordance with our new design;
FIG. 4 is a rear elevational view of the battery charger in accordance with our new design;
FIG. 5 is a top plan view of the battery charger in accordance with our new design;
FIG. 6 is a bottom plan view of the battery charger in accordance with our new design;
FIG. 7 is a right side elevational view of the battery charger in accordance with our new design; and,
FIG. 8 is a left side elevational view of the battery charger in accordance with our new design.
The broken lines in the figures depict portions of the article which form no part of the claimed design.

1 Claim, 8 Drawing Sheets
