(57) **CLAIM**

The ornamental design for a vehicle air bag compartment, as
shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a vehicle air bag compartment, showing our new design;
FIG. 2 is a left side elevational view thereof;
FIG. 3 is a right side elevational view thereof;
FIG. 4 is a top plan view thereof;
FIG. 5 is a bottom plan view thereof;
FIG. 6 is a top, front and left side perspective view thereof;
and,
FIG. 7 is a bottom, front and left side perspective view thereof.
Broken lines included in the drawings represent boundary lines that form no part of the claimed design. Portions of the vehicle air bag component depicted in half-tone shading and circumscribed by broken lines represent environmental subject matter that forms no part of the claimed design.
