(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with a graphical user interface showing our new design; and, FIG. 2 is a front view of a second embodiment of the display screen or portion thereof with a graphical user interface showing our new design. The outermost broken lines illustrate a display screen or portions thereof. The remaining broken lines illustrate portions of the graphical user interface. None of the broken lines form part of the claimed design.
