(57) **CLAIM**

The ornamental design for a display screen or portion
thereof with a graphical user interface, as shown and
described.

DESCRIPTION

The patent or application file contains at least one drawing
executed in color. Copies of this patent or patent application
publication with color drawing(s) will be provided by the
Office upon request and payment of the necessary fee.

The sole FIGURE is a front view of a display screen or
portion thereof with graphical user interface showing our
new design.

The broken lines including alternating long and short dashes
forming a frame around the graphical user interface are for
the purpose of illustrating a display screen or a portion
thereof that forms no part of the claimed design. The broken
lines within the graphical user interface represent portions of
the graphical user interface that form no part of the claimed
design.
