(57) **CLAIM**

The ornamental design for a compression shirt, as shown and described.

DESCRIPTION

FIG. 1 shows the front side perspective of a compression shirt of the invention.

FIG. 2 shows the side perspective of a compression shirt of the invention.

FIG. 3 shows the back side perspective of a compression shirt of the invention.

FIG. 4 shows the front side perspective of a compression shirt of the invention.

FIG. 5 shows the side perspective of a compression shirt of the invention.

FIG. 6 shows the back side perspective of a compression shirt of the invention.

FIG. 7 shows the front side perspective of a compression shirt of the invention.

FIG. 8 shows the side perspective of a compression shirt of the invention; and,

FIG. 9 shows the back side perspective of a compression shirt of the invention.

The broken lines shown in the drawings represent stitching in the fabric and form part of the claimed design.
