(57) **CLAIM**

The ornamental design for a hair extension styling apparatus, as shown and described.

**DESCRIPTION**

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The

copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but reserves all other copyrights whatsoever. FIG. 1 is a perspective view of the hair extension styling apparatus, in accordance with an embodiment of the present invention;

FIG. 2 is a top view of the hair extension styling apparatus, in accordance with an embodiment of the present invention; FIG. 3 is a front view of the hair extension styling apparatus, in accordance with an embodiment of the present invention; FIG. 4 is a side view of the hair extension styling apparatus, in accordance with an embodiment of the present invention; FIG. 5 is a rear view of the hair extension styling apparatus, in accordance with an embodiment of the present invention; FIG. 6 is a bottom view of the hair extension styling apparatus, in accordance with an embodiment of the present invention;

FIG. 7 is a perspective view of the hair extension styling apparatus, in accordance with an alternative embodiment of the present invention;

FIG. 8 is a top view of the hair extension styling apparatus, in accordance with an alternative embodiment of the present invention;

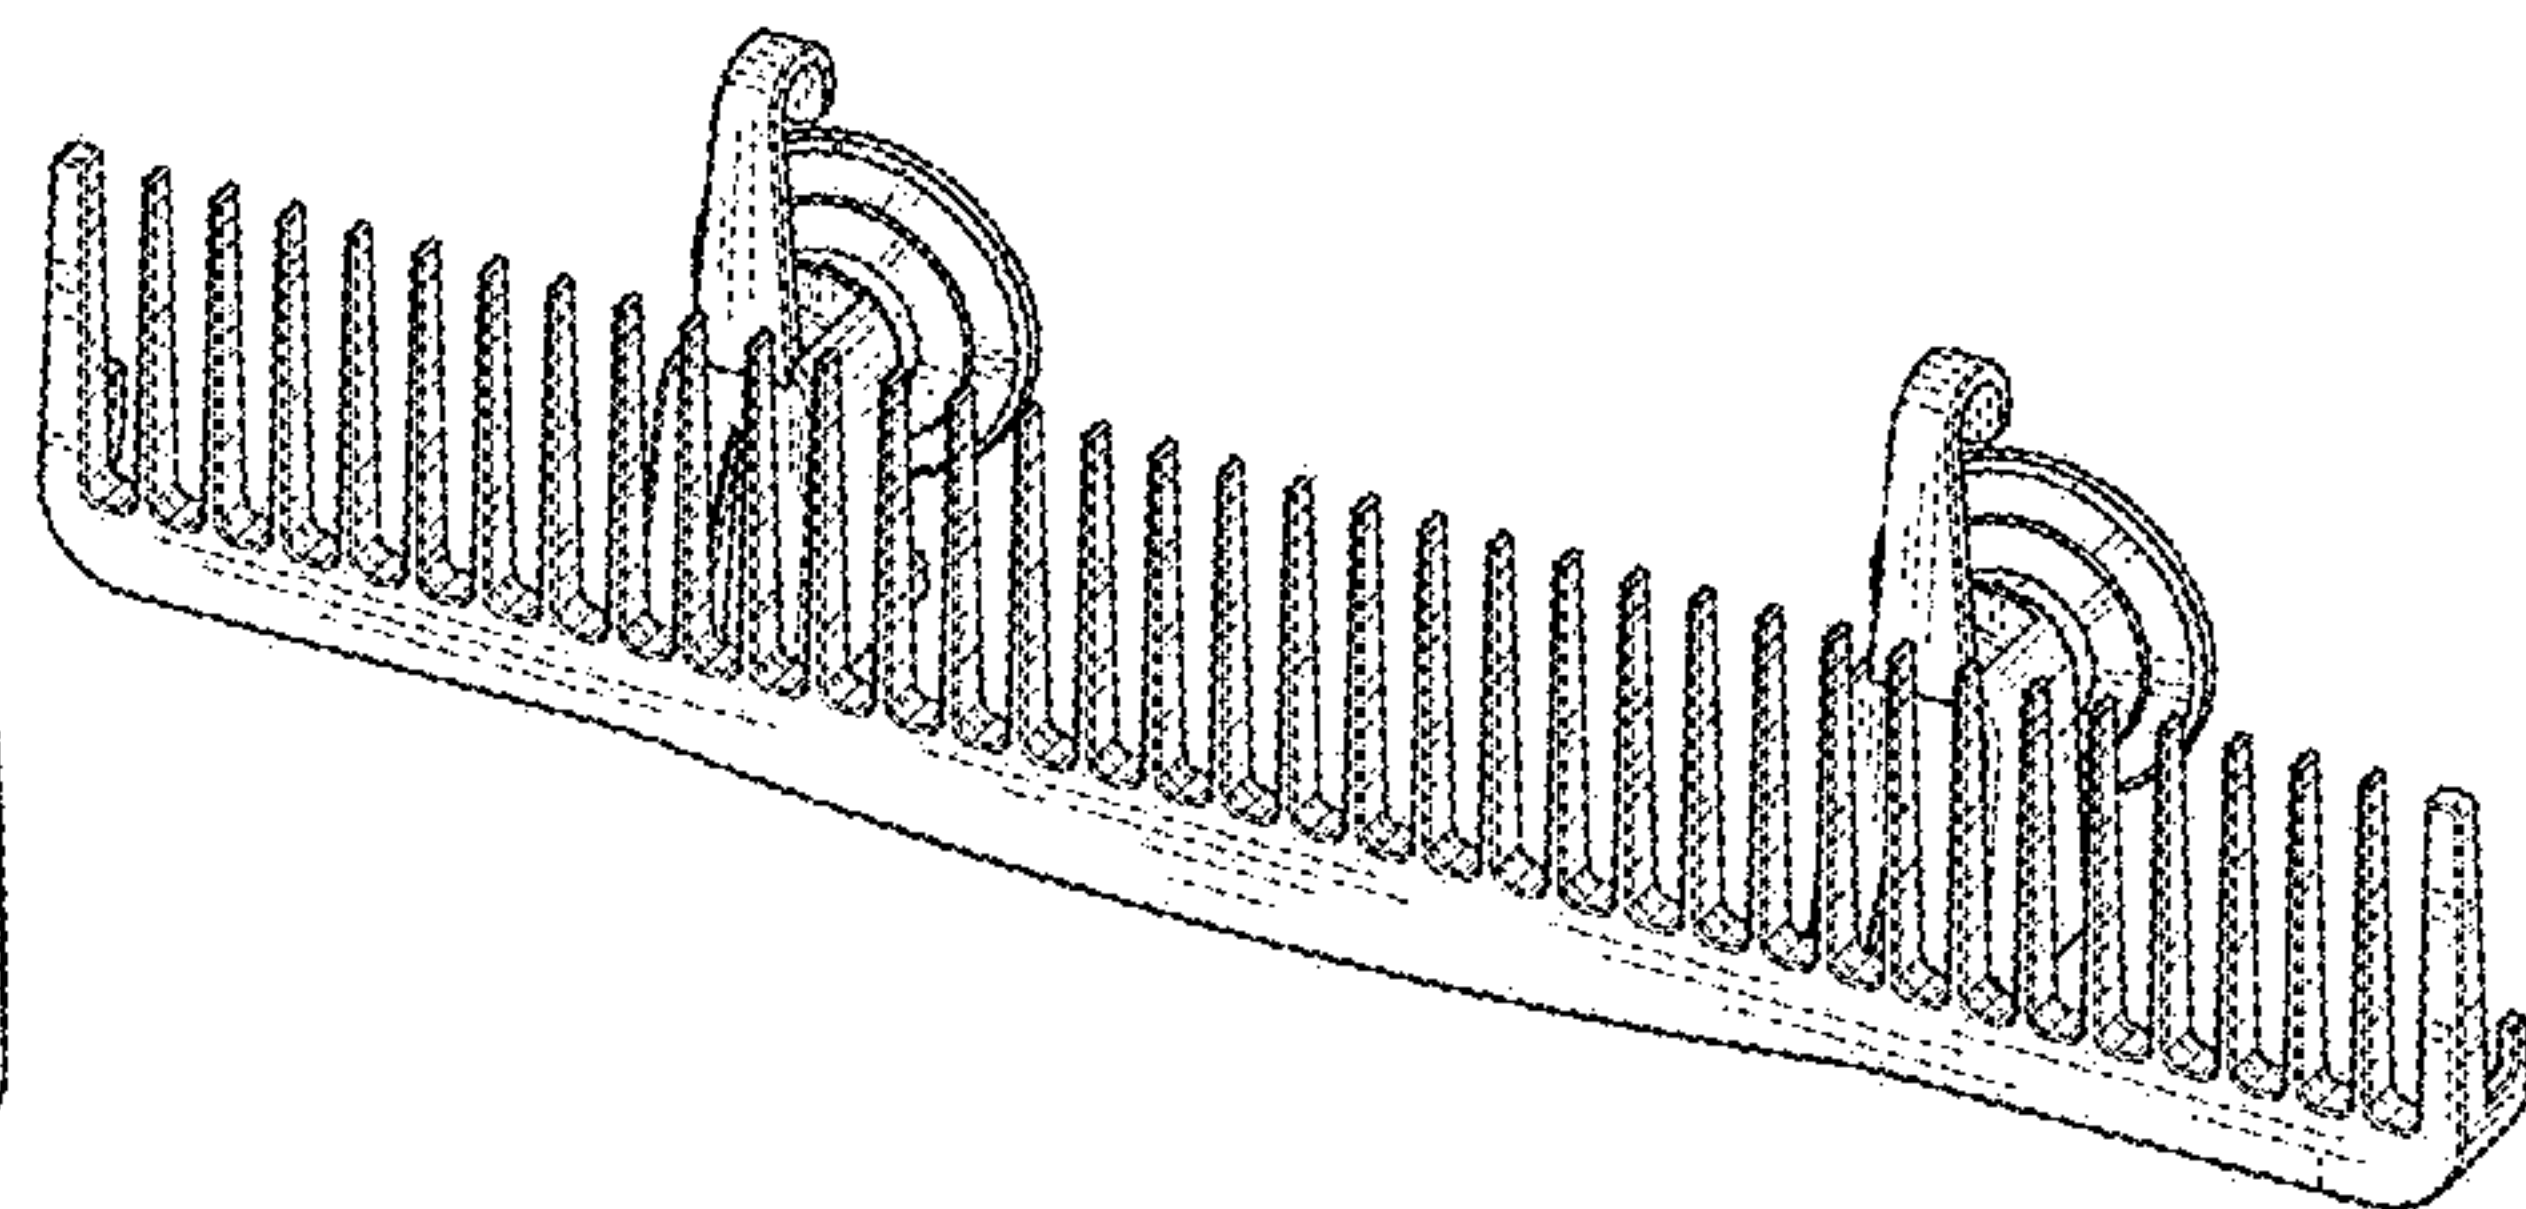

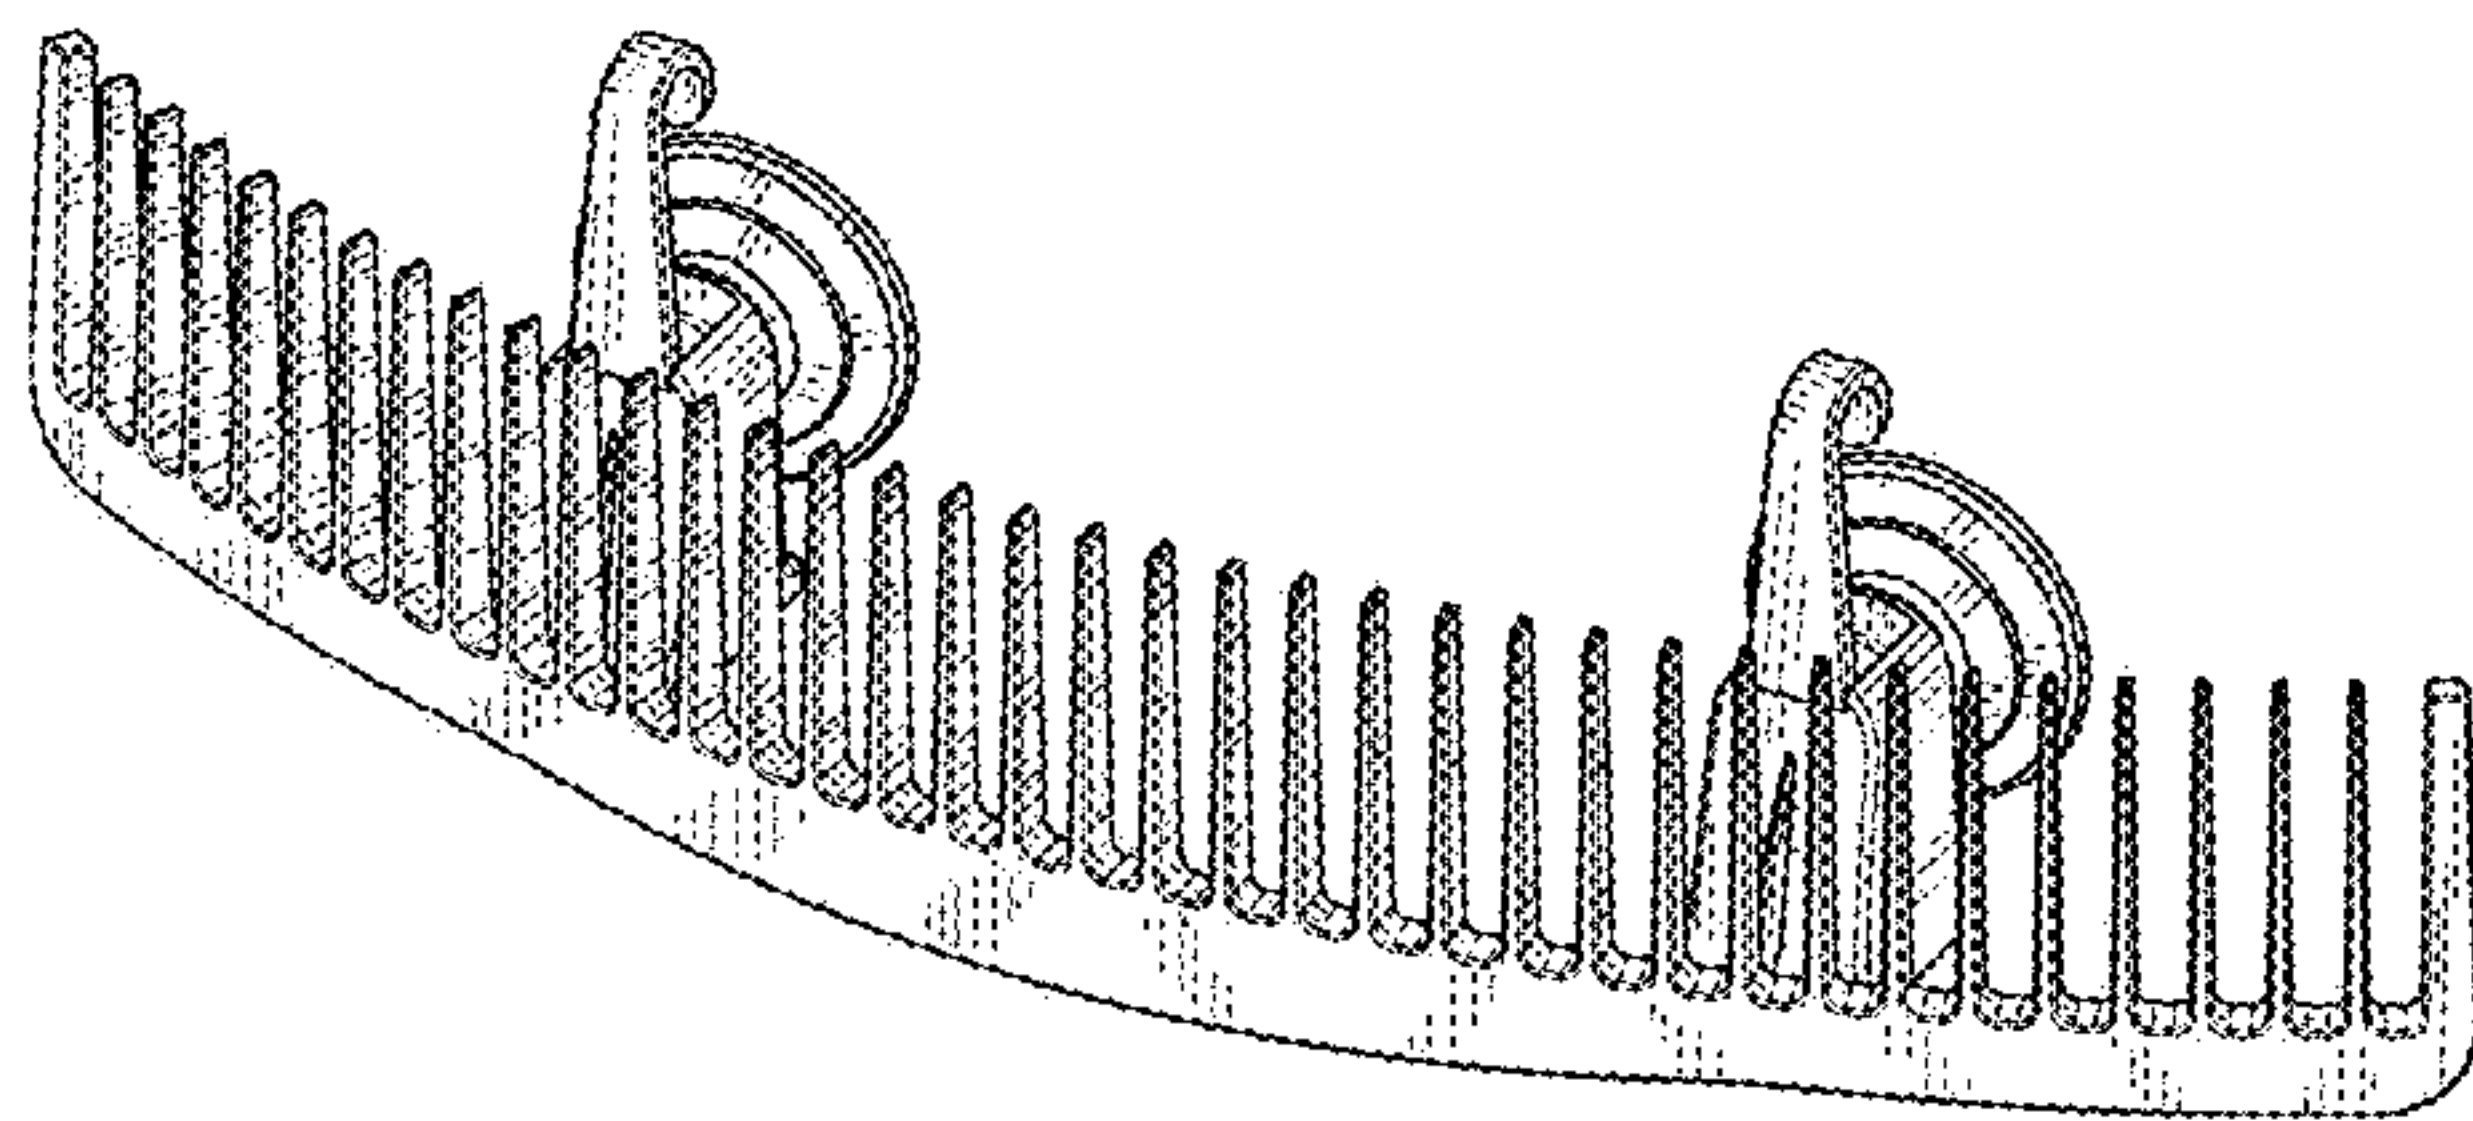

FIG. 9 is a front view of the hair extension styling apparatus, in accordance with an alternative embodiment of the present invention;

FIG. 10 is a side view of the hair extension styling apparatus, in accordance with an alternative embodiment of the present invention;

FIG. 11 is a rear view of the hair extension styling apparatus, in accordance with an alternative embodiment of the present invention; and,

FIG. 12 is a bottom view of the hair extension styling apparatus, in accordance with an alternative embodiment of the present invention.
