See application file for complete search history.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE is a front view of a display screen or a portion thereof with graphical user interface.

The outermost broken-line rectangle illustrates the perimeter of a display screen or portion thereof and forms no part of the claimed design.
