(57) **CLAIM**

The ornamental design for an eyepiece with reticle, as shown and described.

DESCRIPTION

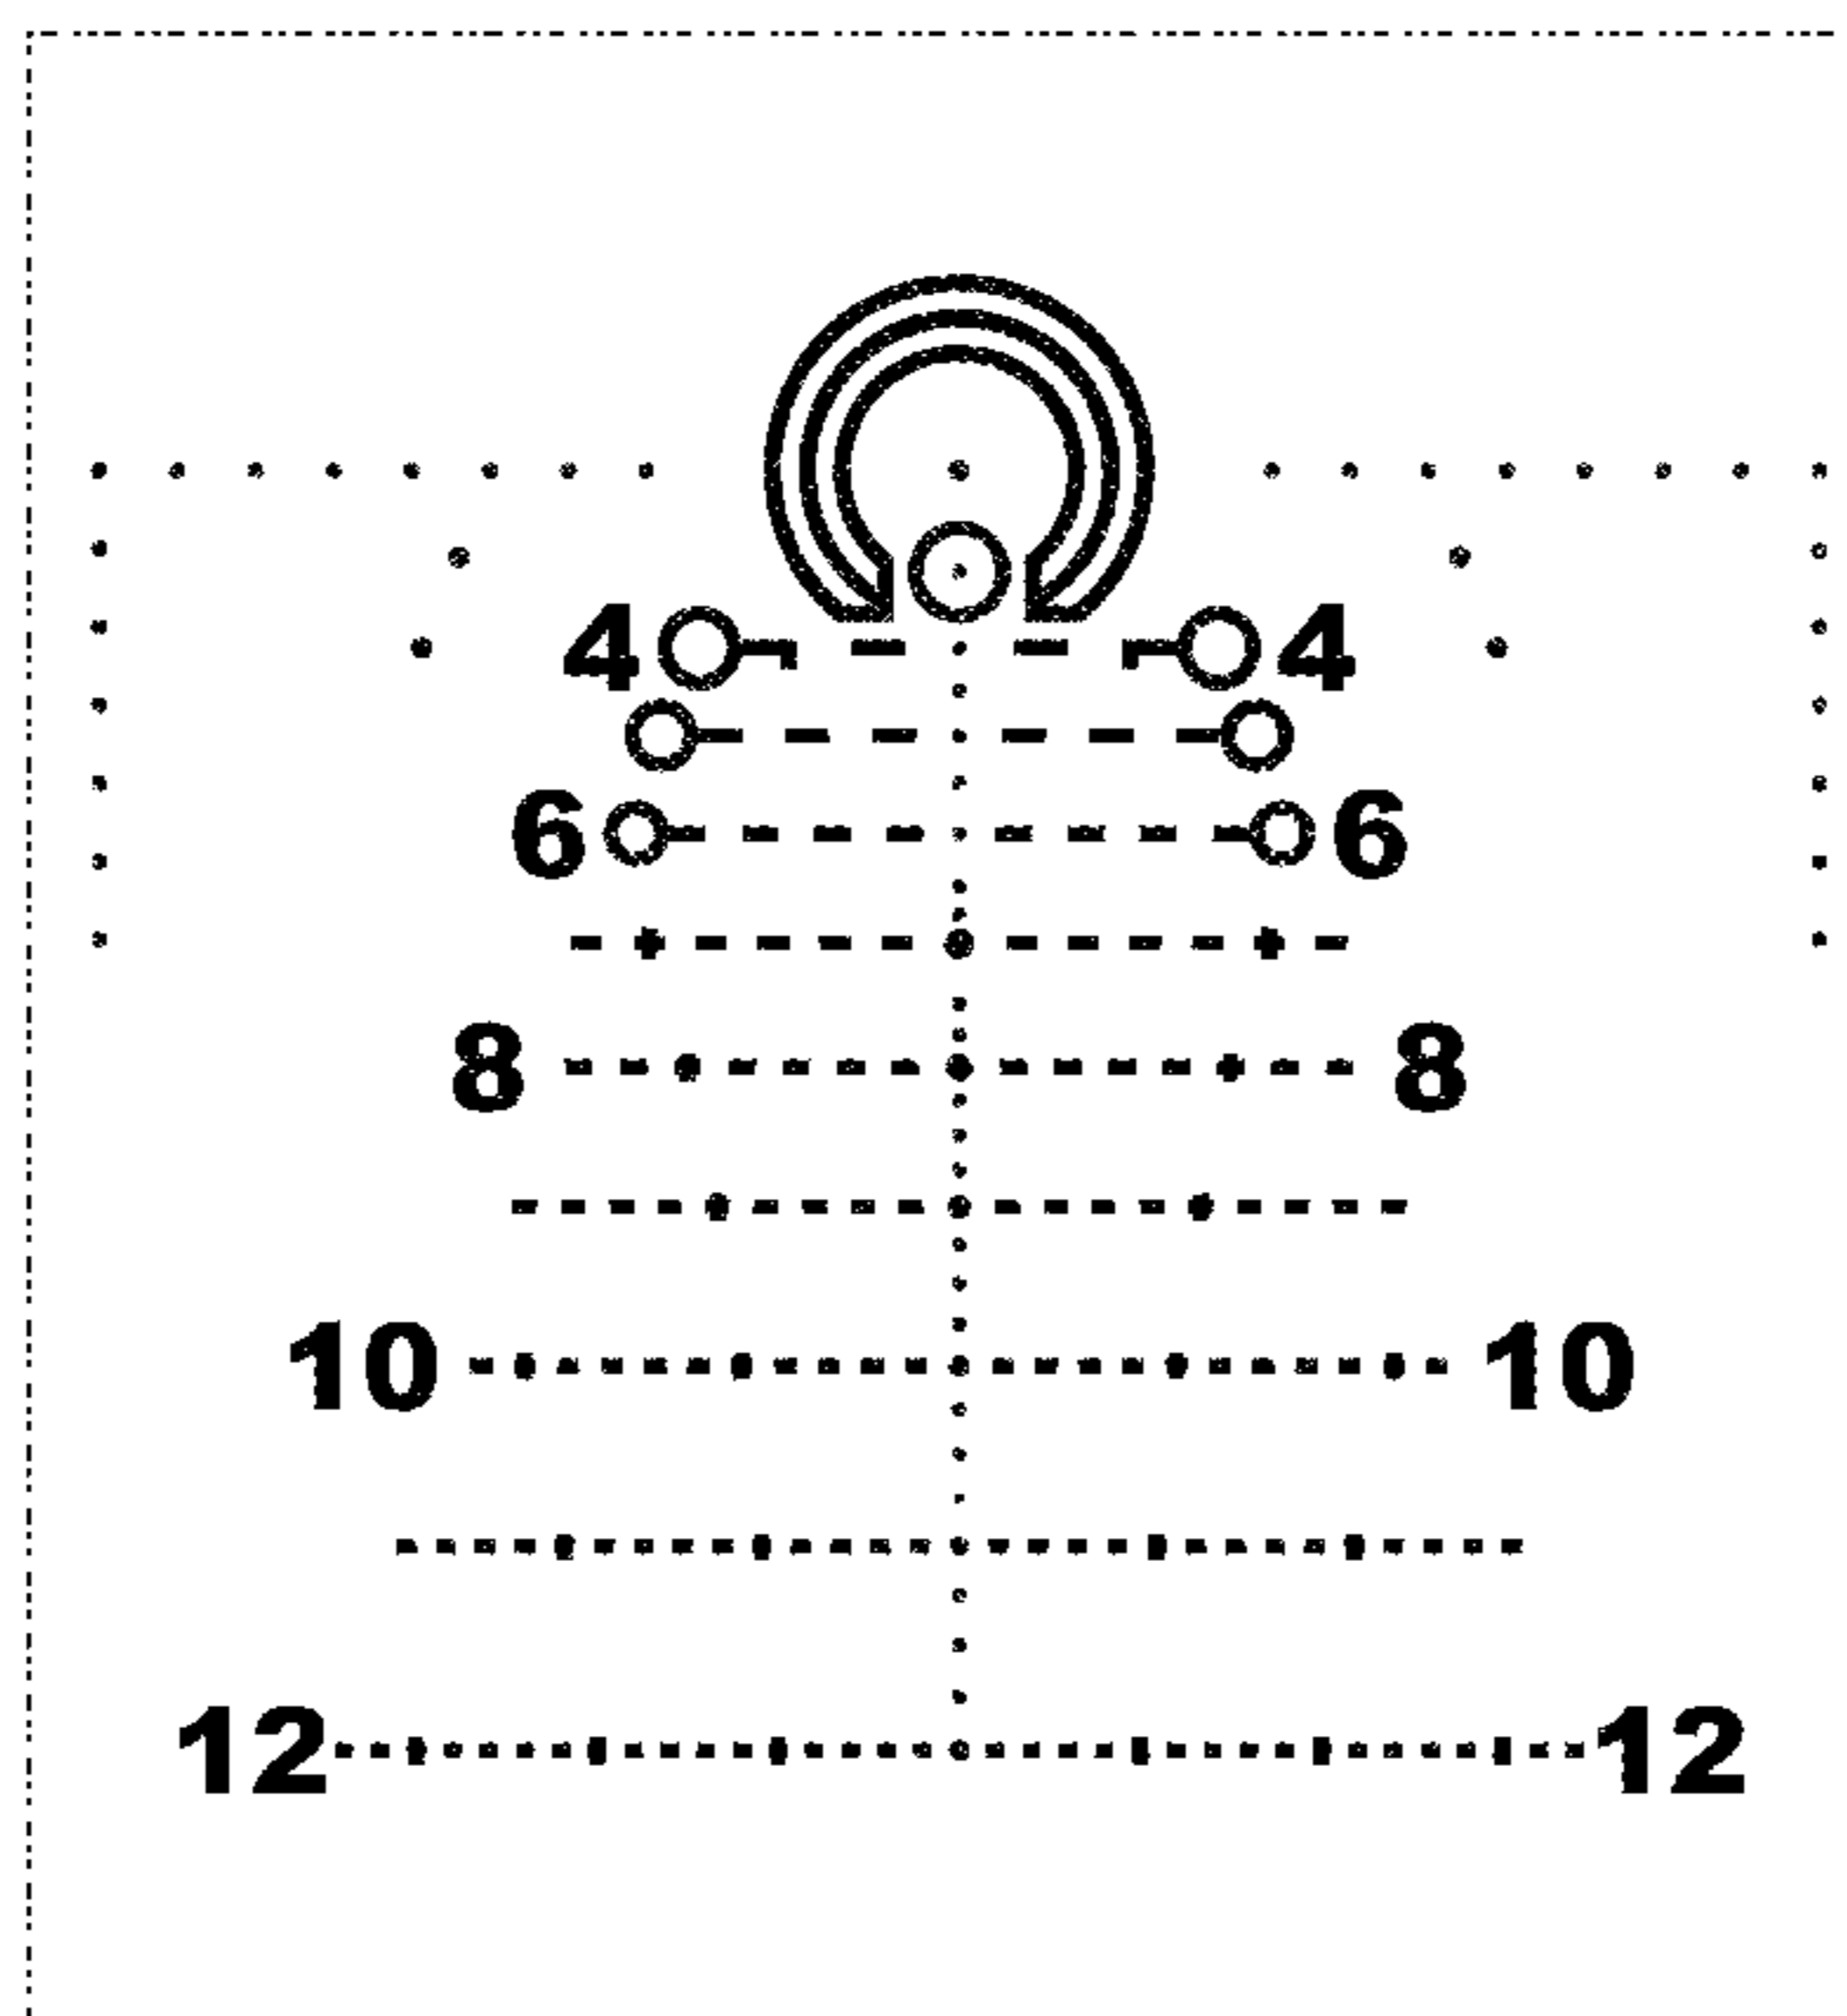

The FIGURE is a front view of the viewing surface of an eyepiece with recticle.
The thin dot-dot-dash lines around the reticle represent the viewing surface of an eyepiece to which the reticle is applied and form no part of the claimed design. The remaining dotted and dashed lines form part of the reticle and are included in the claimed design.
