(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen with graphical user interface showing my new design. The uneven-length broken defines the bounds of claimed design and forms no part thereof. The even-length broken lines depicting the various symbols, display screen, and the remainder of the graphical user interface show features that form no part of the claimed design.
