(57) **CLAIM**

The ornamental design for a display panel or screen with a graphical user interface, as shown and described.

DESCRIPTION

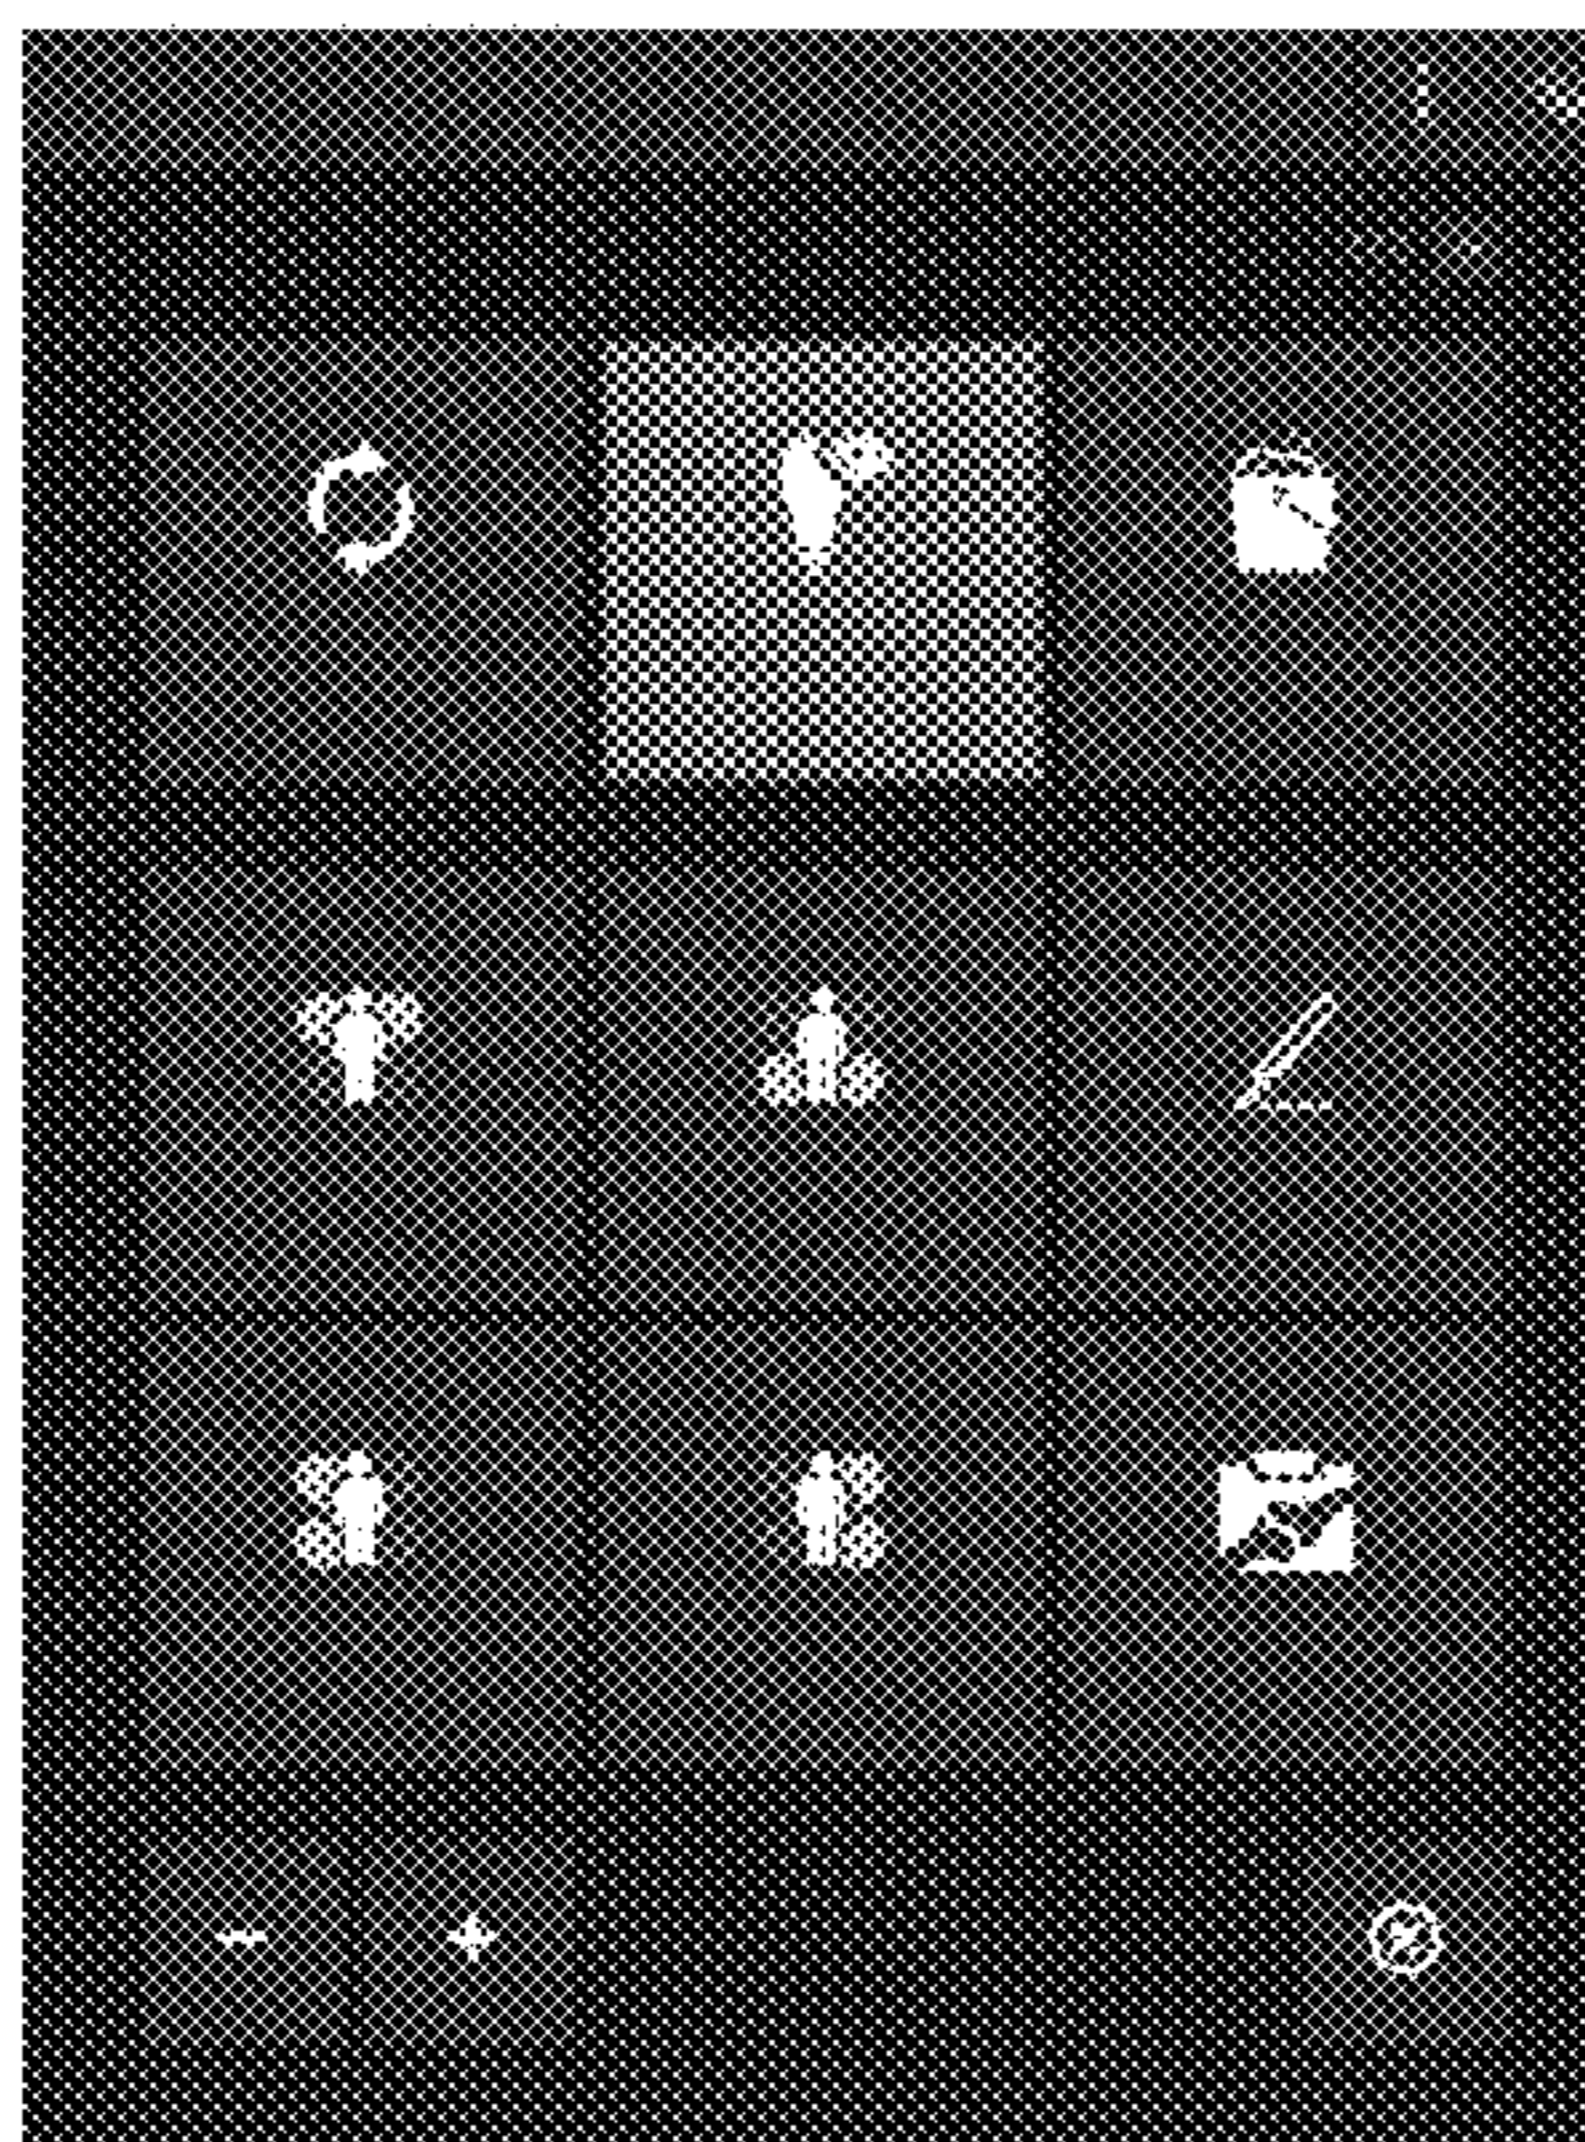

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

1. Display panel or screen with a graphical user interface 1.0 is a front view of the display panel or screen with a graphical user interface

The outer edge of the display panel or screen is understood to be congruent with the outer edge of the graphical user interface.

The broken lines in the figures are presented for the purpose of illustrating environment and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
