(57) **CLAIM**

The ornamental design for a display panel or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display panel or portion thereof with a graphical user interface showing our design.

The outermost broken line rectangle illustrates a display panel or portion thereof that forms no part of the design. The remaining broken lines, including all text, illustrate portions of the graphical user interface and form no part of the design.

1 Claim, 1 Drawing Sheet
