(57) **CLAIM**

The ornamental design for a garden hose with couplers and colors, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a color photograph of the body and couplers of a Garden Hose with couplers and colors showing the ends of the hose, and couplers in a top perspective view, and dash-dot lines indicating the symbolic break in the length of the hose, and the dashed lines indicating unclaimed portions of the hose, showing my design thereof;

FIG. 2 is bottom perspective partial view of one end of the design;

FIG. 3 is a bottom perspective partial view of the opposite end of the design;

FIG. 4 is a right perspective partial view of the one end of the design;

FIG. 5 is a left perspective partial view of the one end of the design;

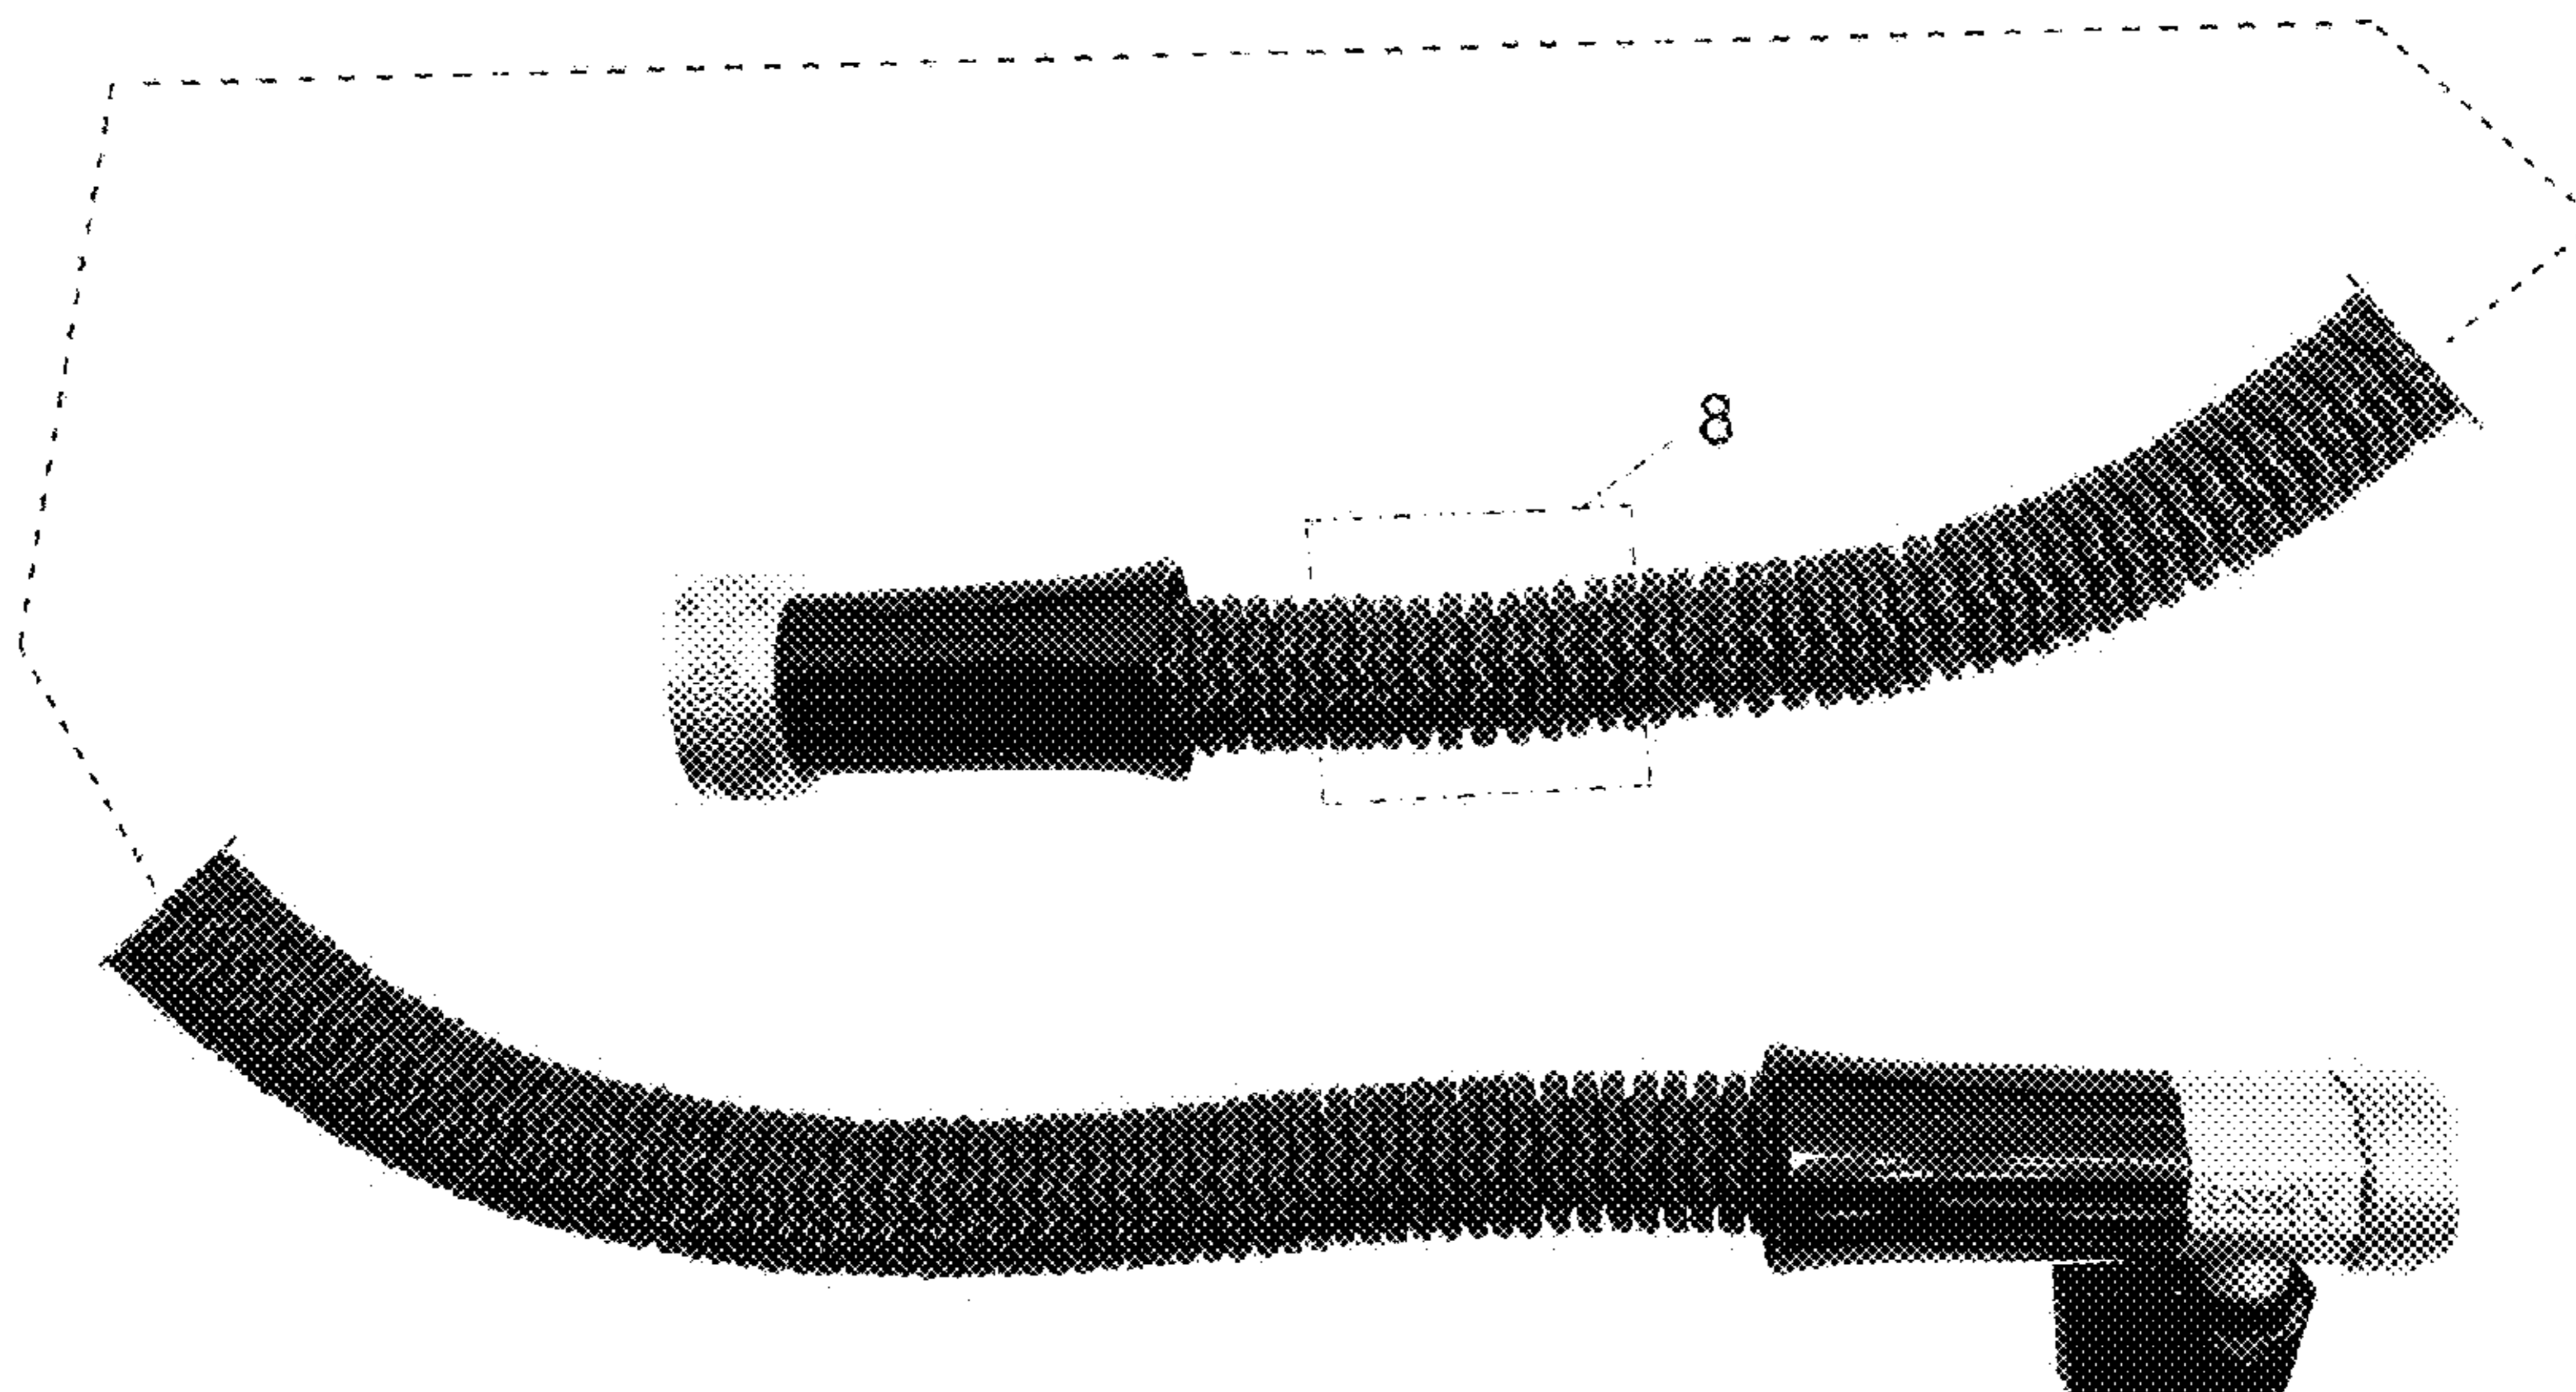

FIG. 6 is a end perspective partial view of the one end of the design;

FIG. 7 is an end perspective partial view of the opposite end of the design; and,

FIG. 8 is a top part perspective partial view of the body of the hose taken from FIG. 1 shown in an expanded position for use.

The garden hose body is shown with symbolic breaks in its length. The appearance of any portion of the article beyond the breaks form no part of the claim.
