DESCRIPTION

FIG. 1 is a front view of a display panel or portion thereof with a graphical user interface showing a first embodiment of our design;

FIG. 2 is a front view of a display panel or portion thereof with a graphical user interface showing a second embodiment thereof;

FIG. 3 is a front view of a display panel or portion thereof with a graphical user interface showing a third embodiment thereof; and,

FIG. 4 is a front view of a display panel or portion thereof with a graphical user interface showing a fourth embodiment thereof.

The outermost broken line rectangle illustrates a display panel or portion thereof that forms no part of the design. The remaining broken lines, including all text, illustrate portions of the graphical user interface and form no part of the design.
