(57) **CLAIM**

The ornamental design for a computer with graphical user interface for supply knowledge portal, as shown and described.

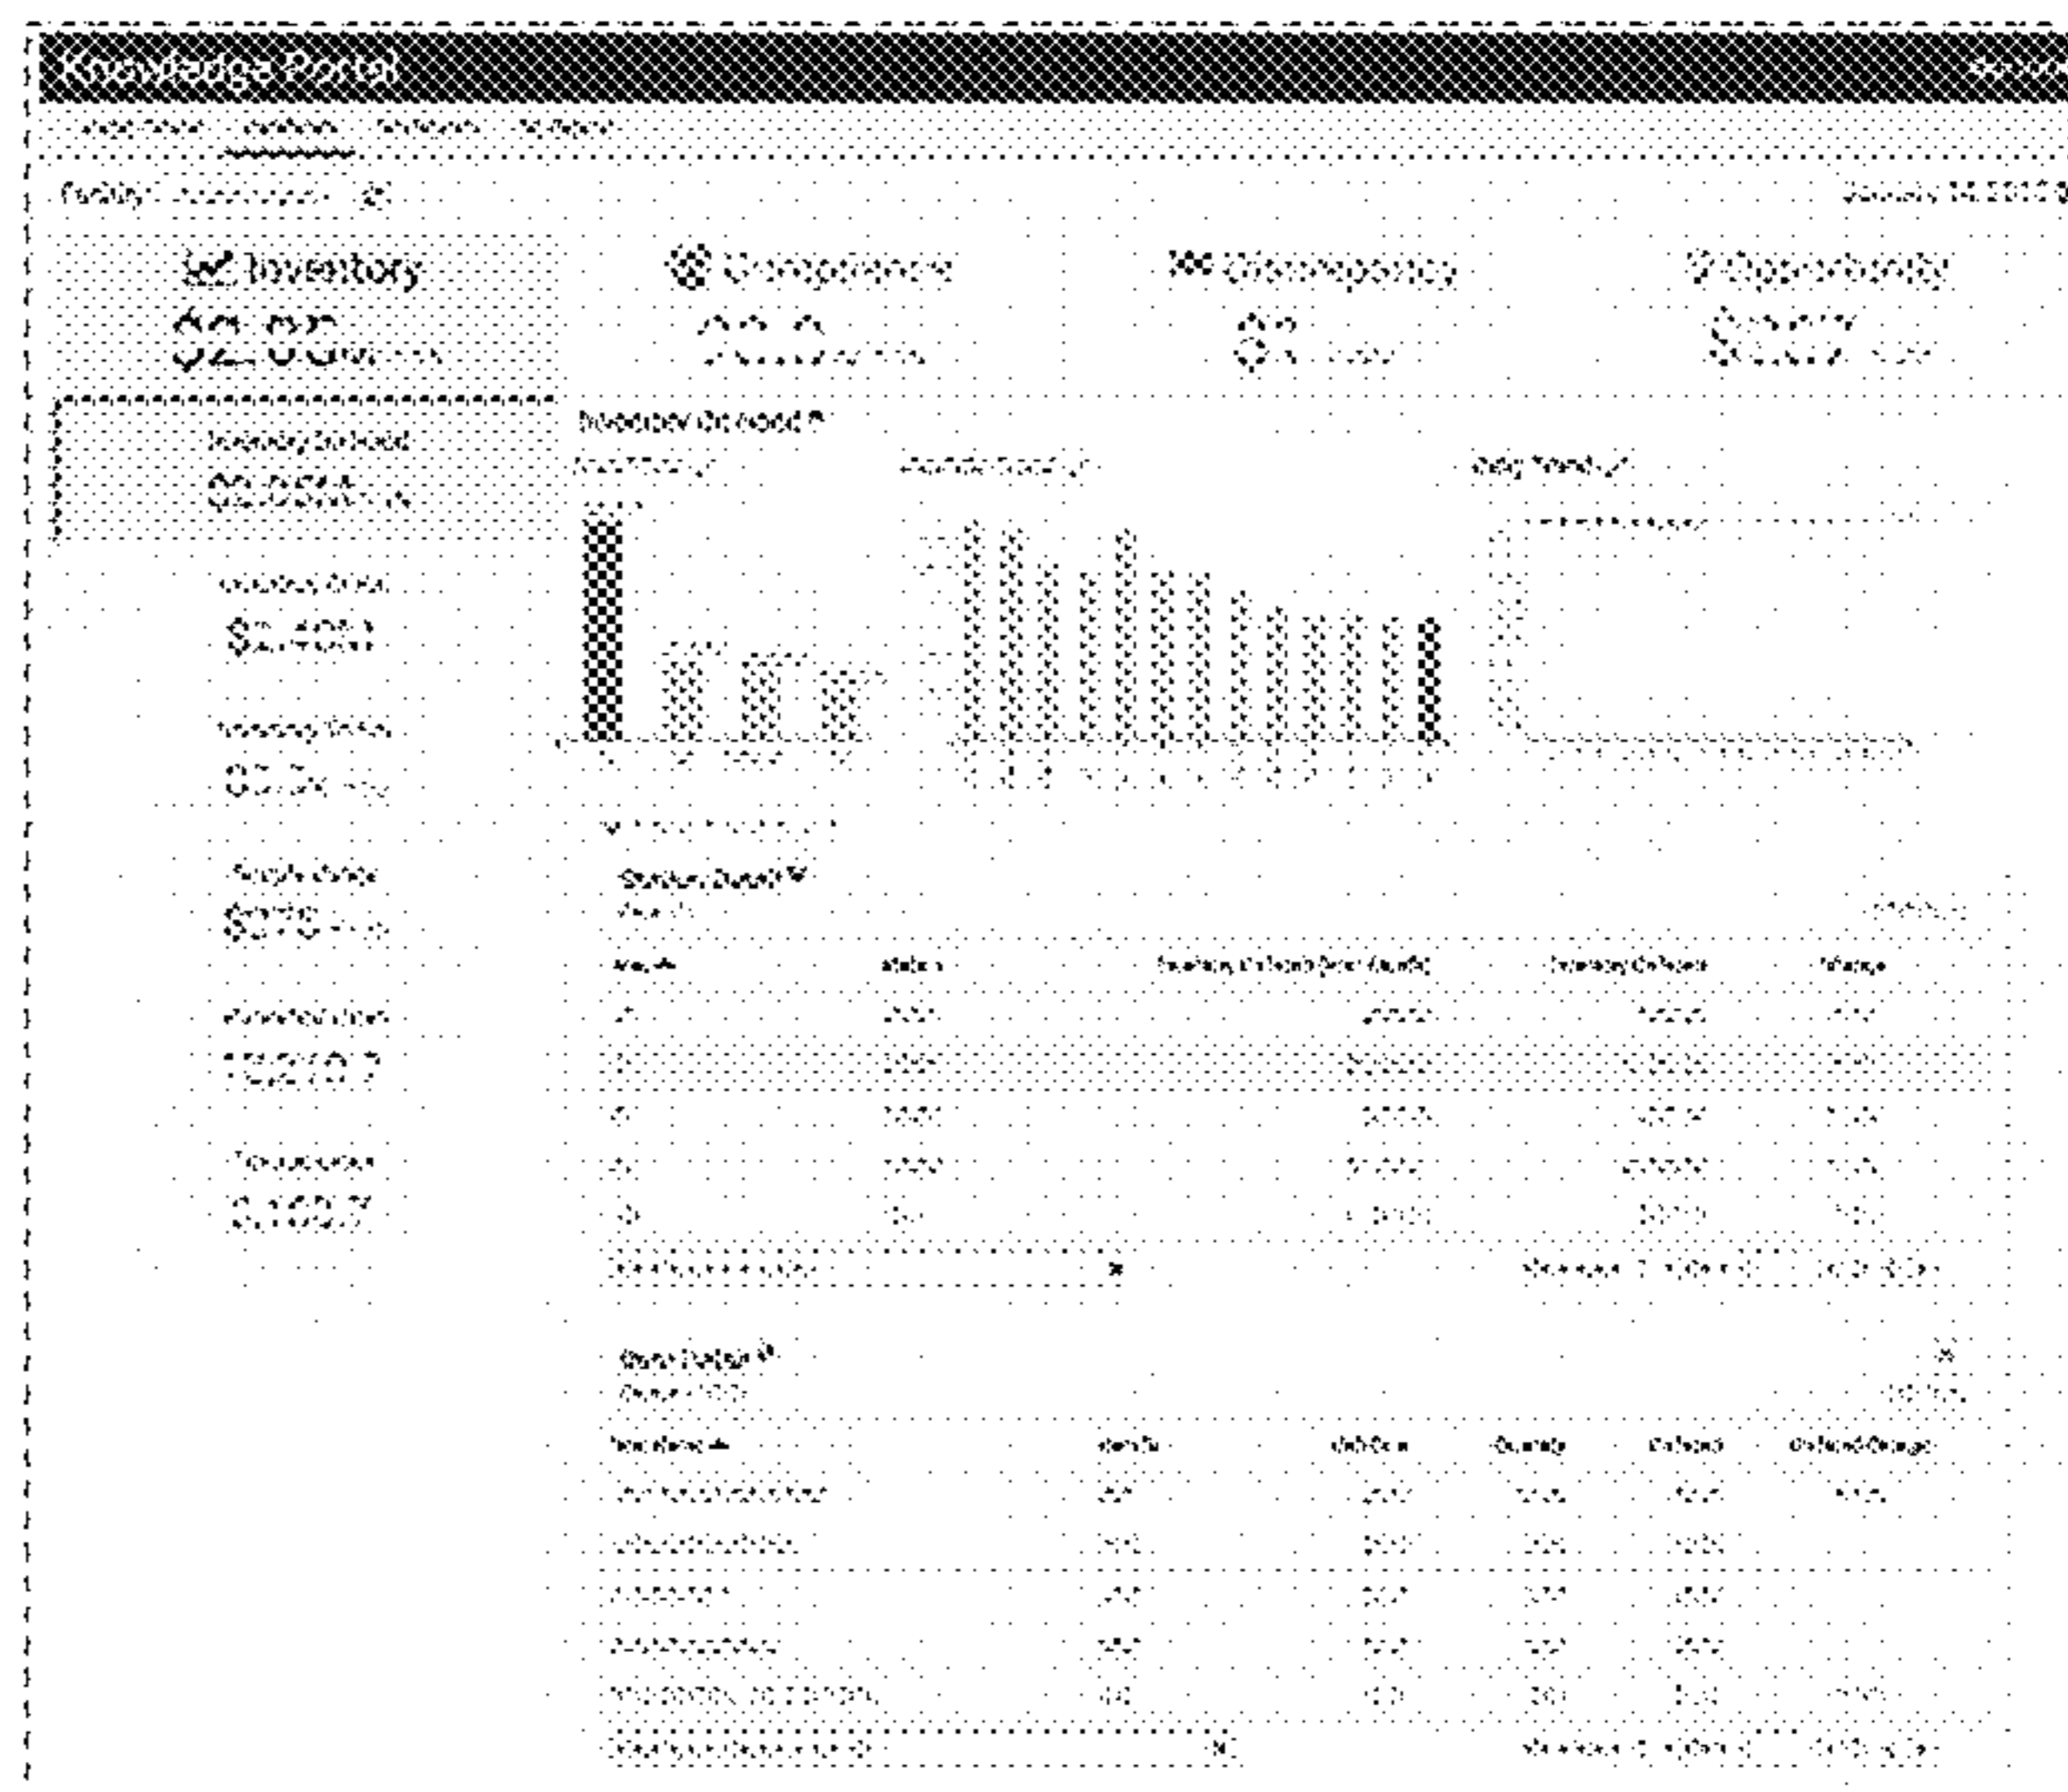

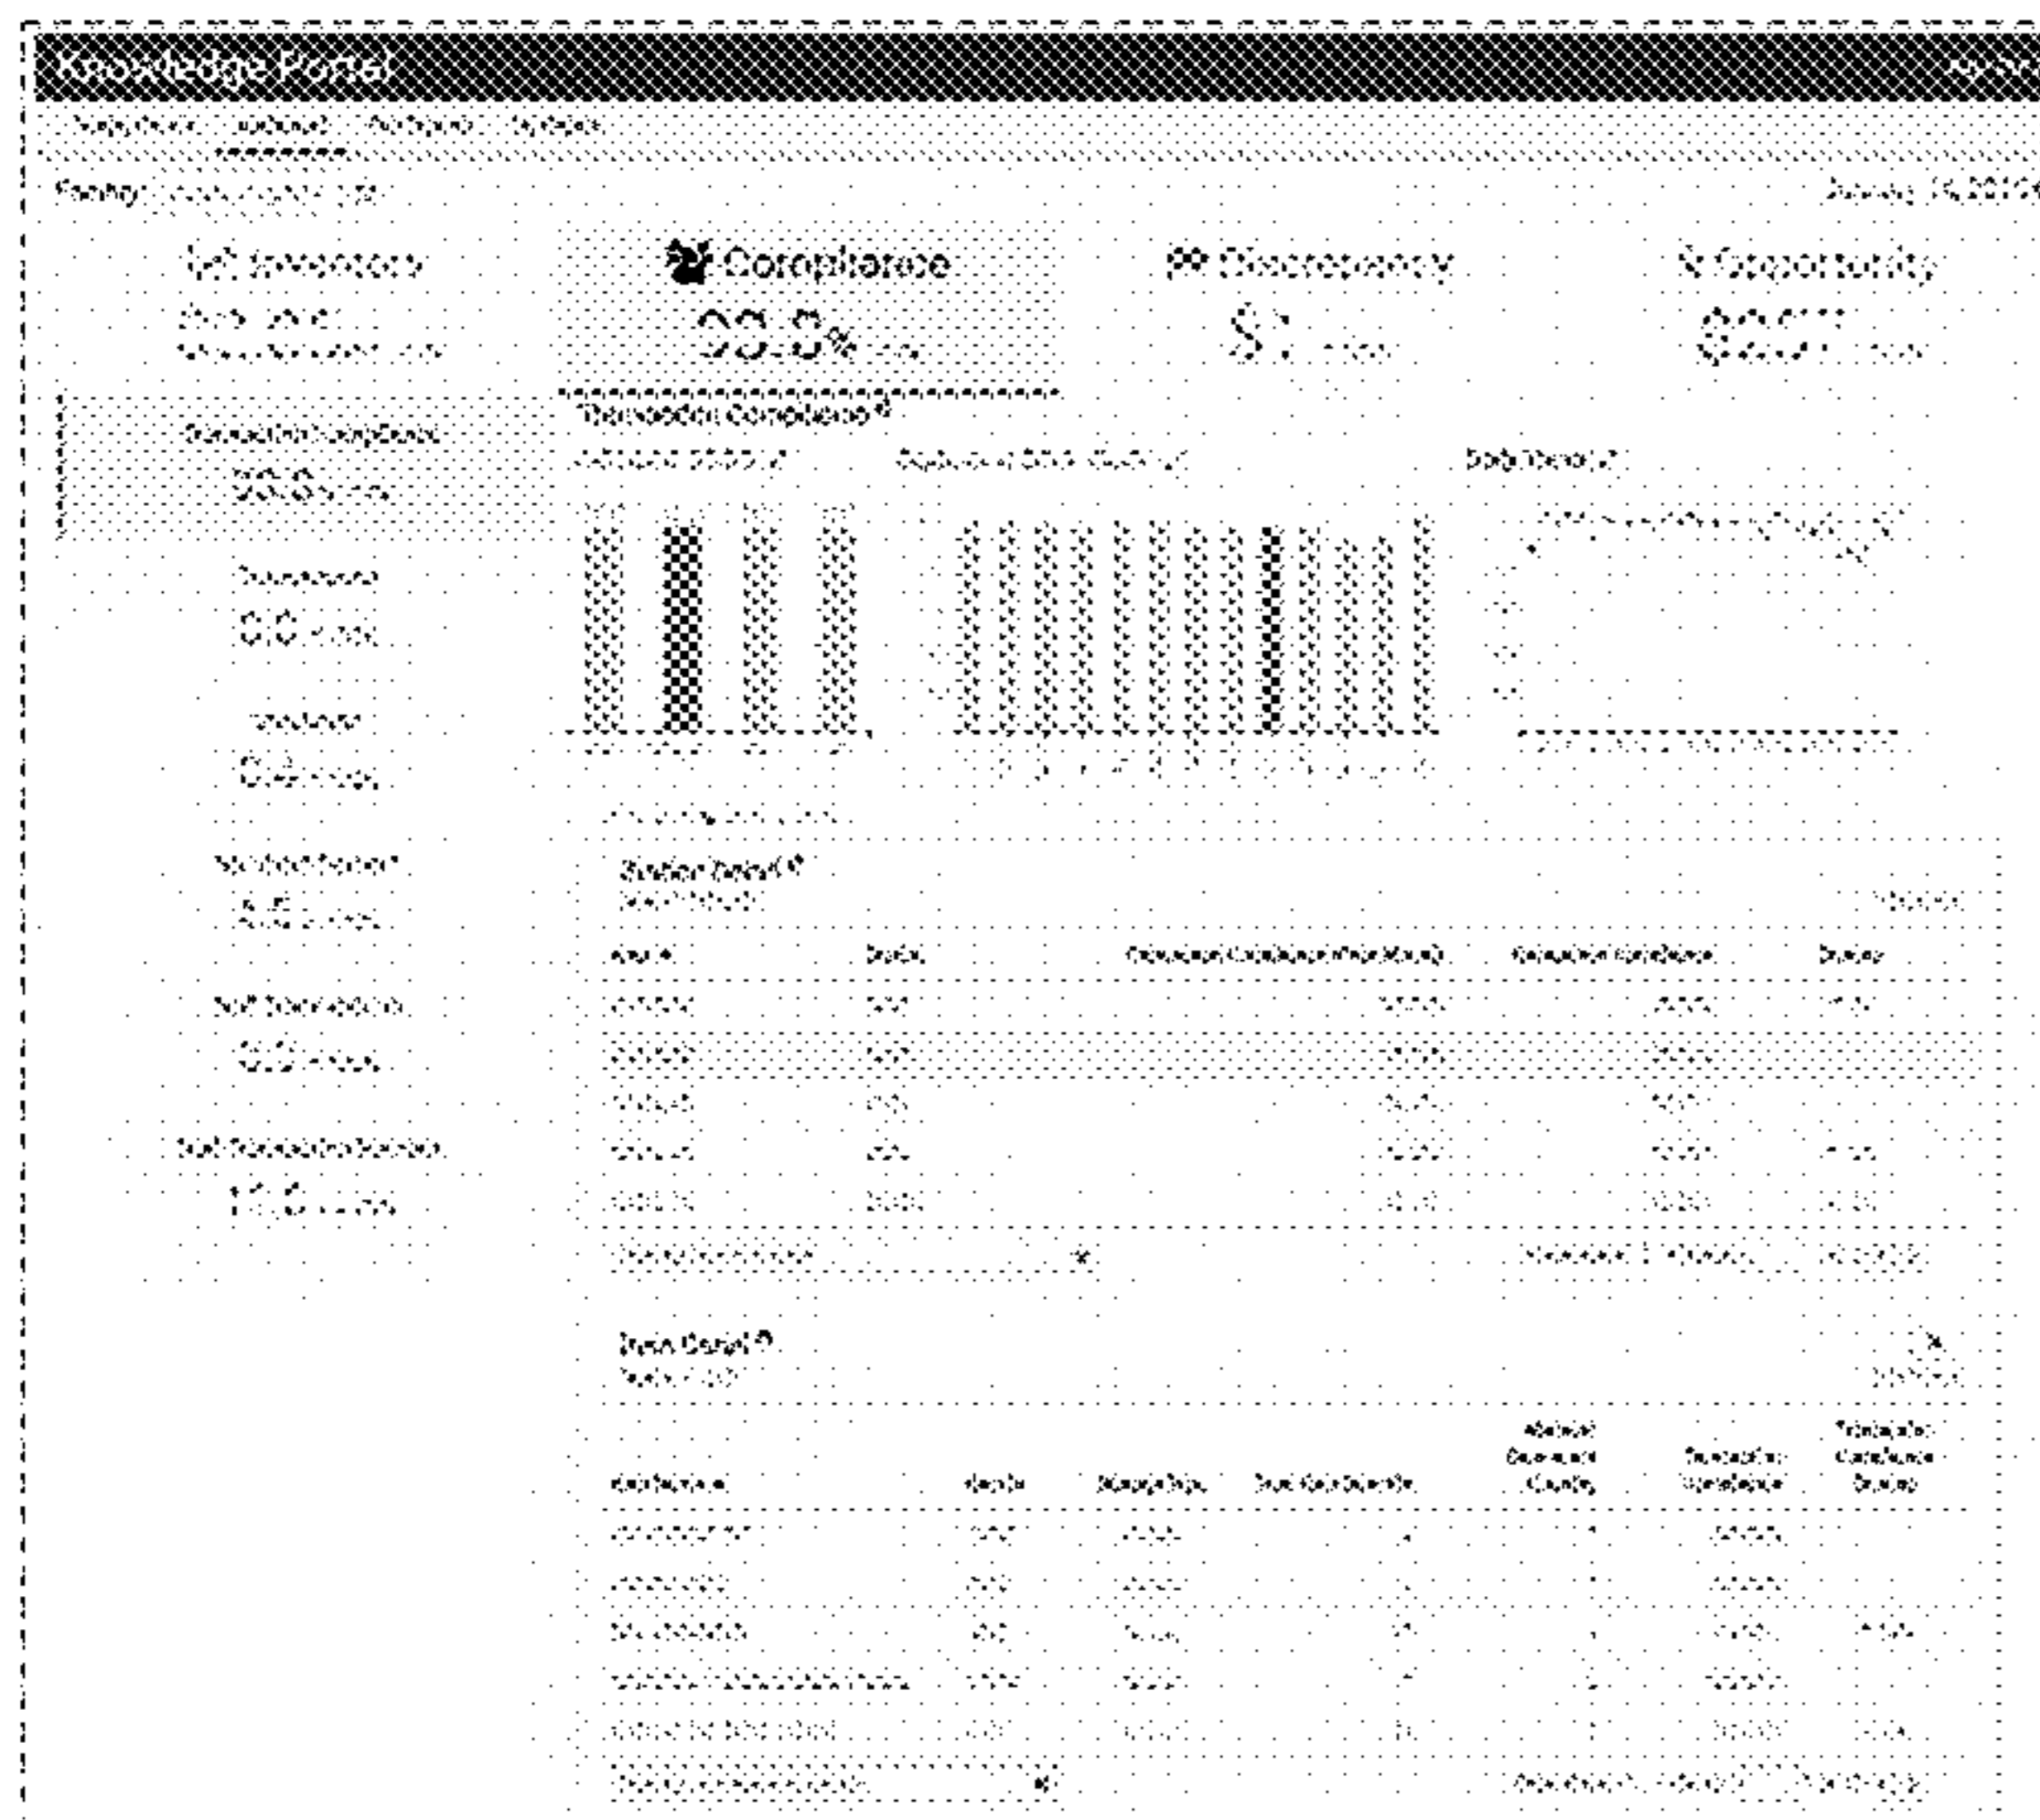

**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a computer with graphical user interface for supply knowledge portal; and, FIG. 2 is a front view of a second embodiment thereof.

The broken line drawings of text and the display screen form no part of the claimed design. The trend line on the daily trend graph is not claimed subject matter. Color is excluded from the claim, while the contrast of values is claimed subject matter.
