(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with graphical user interface showing my new design; and, FIG. 2 is an enlarged view of the display screen of FIG. 1, shown separately for completeness of illustration. The outermost broken lines in FIG. 1 illustrate an electronic device, the broken line at the periphery of the graphical user interface illustrates the display screen, and the remaining broken lines illustrate portions of the transitional graphical user interface, all of which form no part of the claimed design. The dash-dotted lines illustrate boundaries of the claimed design which form no part of the claimed design.

1 Claim, 2 Drawing Sheets
