The ornamental design for a display panel or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display panel or portion thereof with a graphical user interface showing our design.

The outermost broken line rectangle illustrates a display panel or portion thereof that forms no part of the claimed design. The remaining broken lines, including all text, illustrate portions of the graphical user interface or a mixed reality environment and form no part of the claimed design.
