(57) **CLAIM**

The ornamental design for a dip tube end fitting, as shown  
and described.

**DESCRIPTION**

FIG. 1 is a top side perspective view of a dip tube end fitting  
according to the present invention.

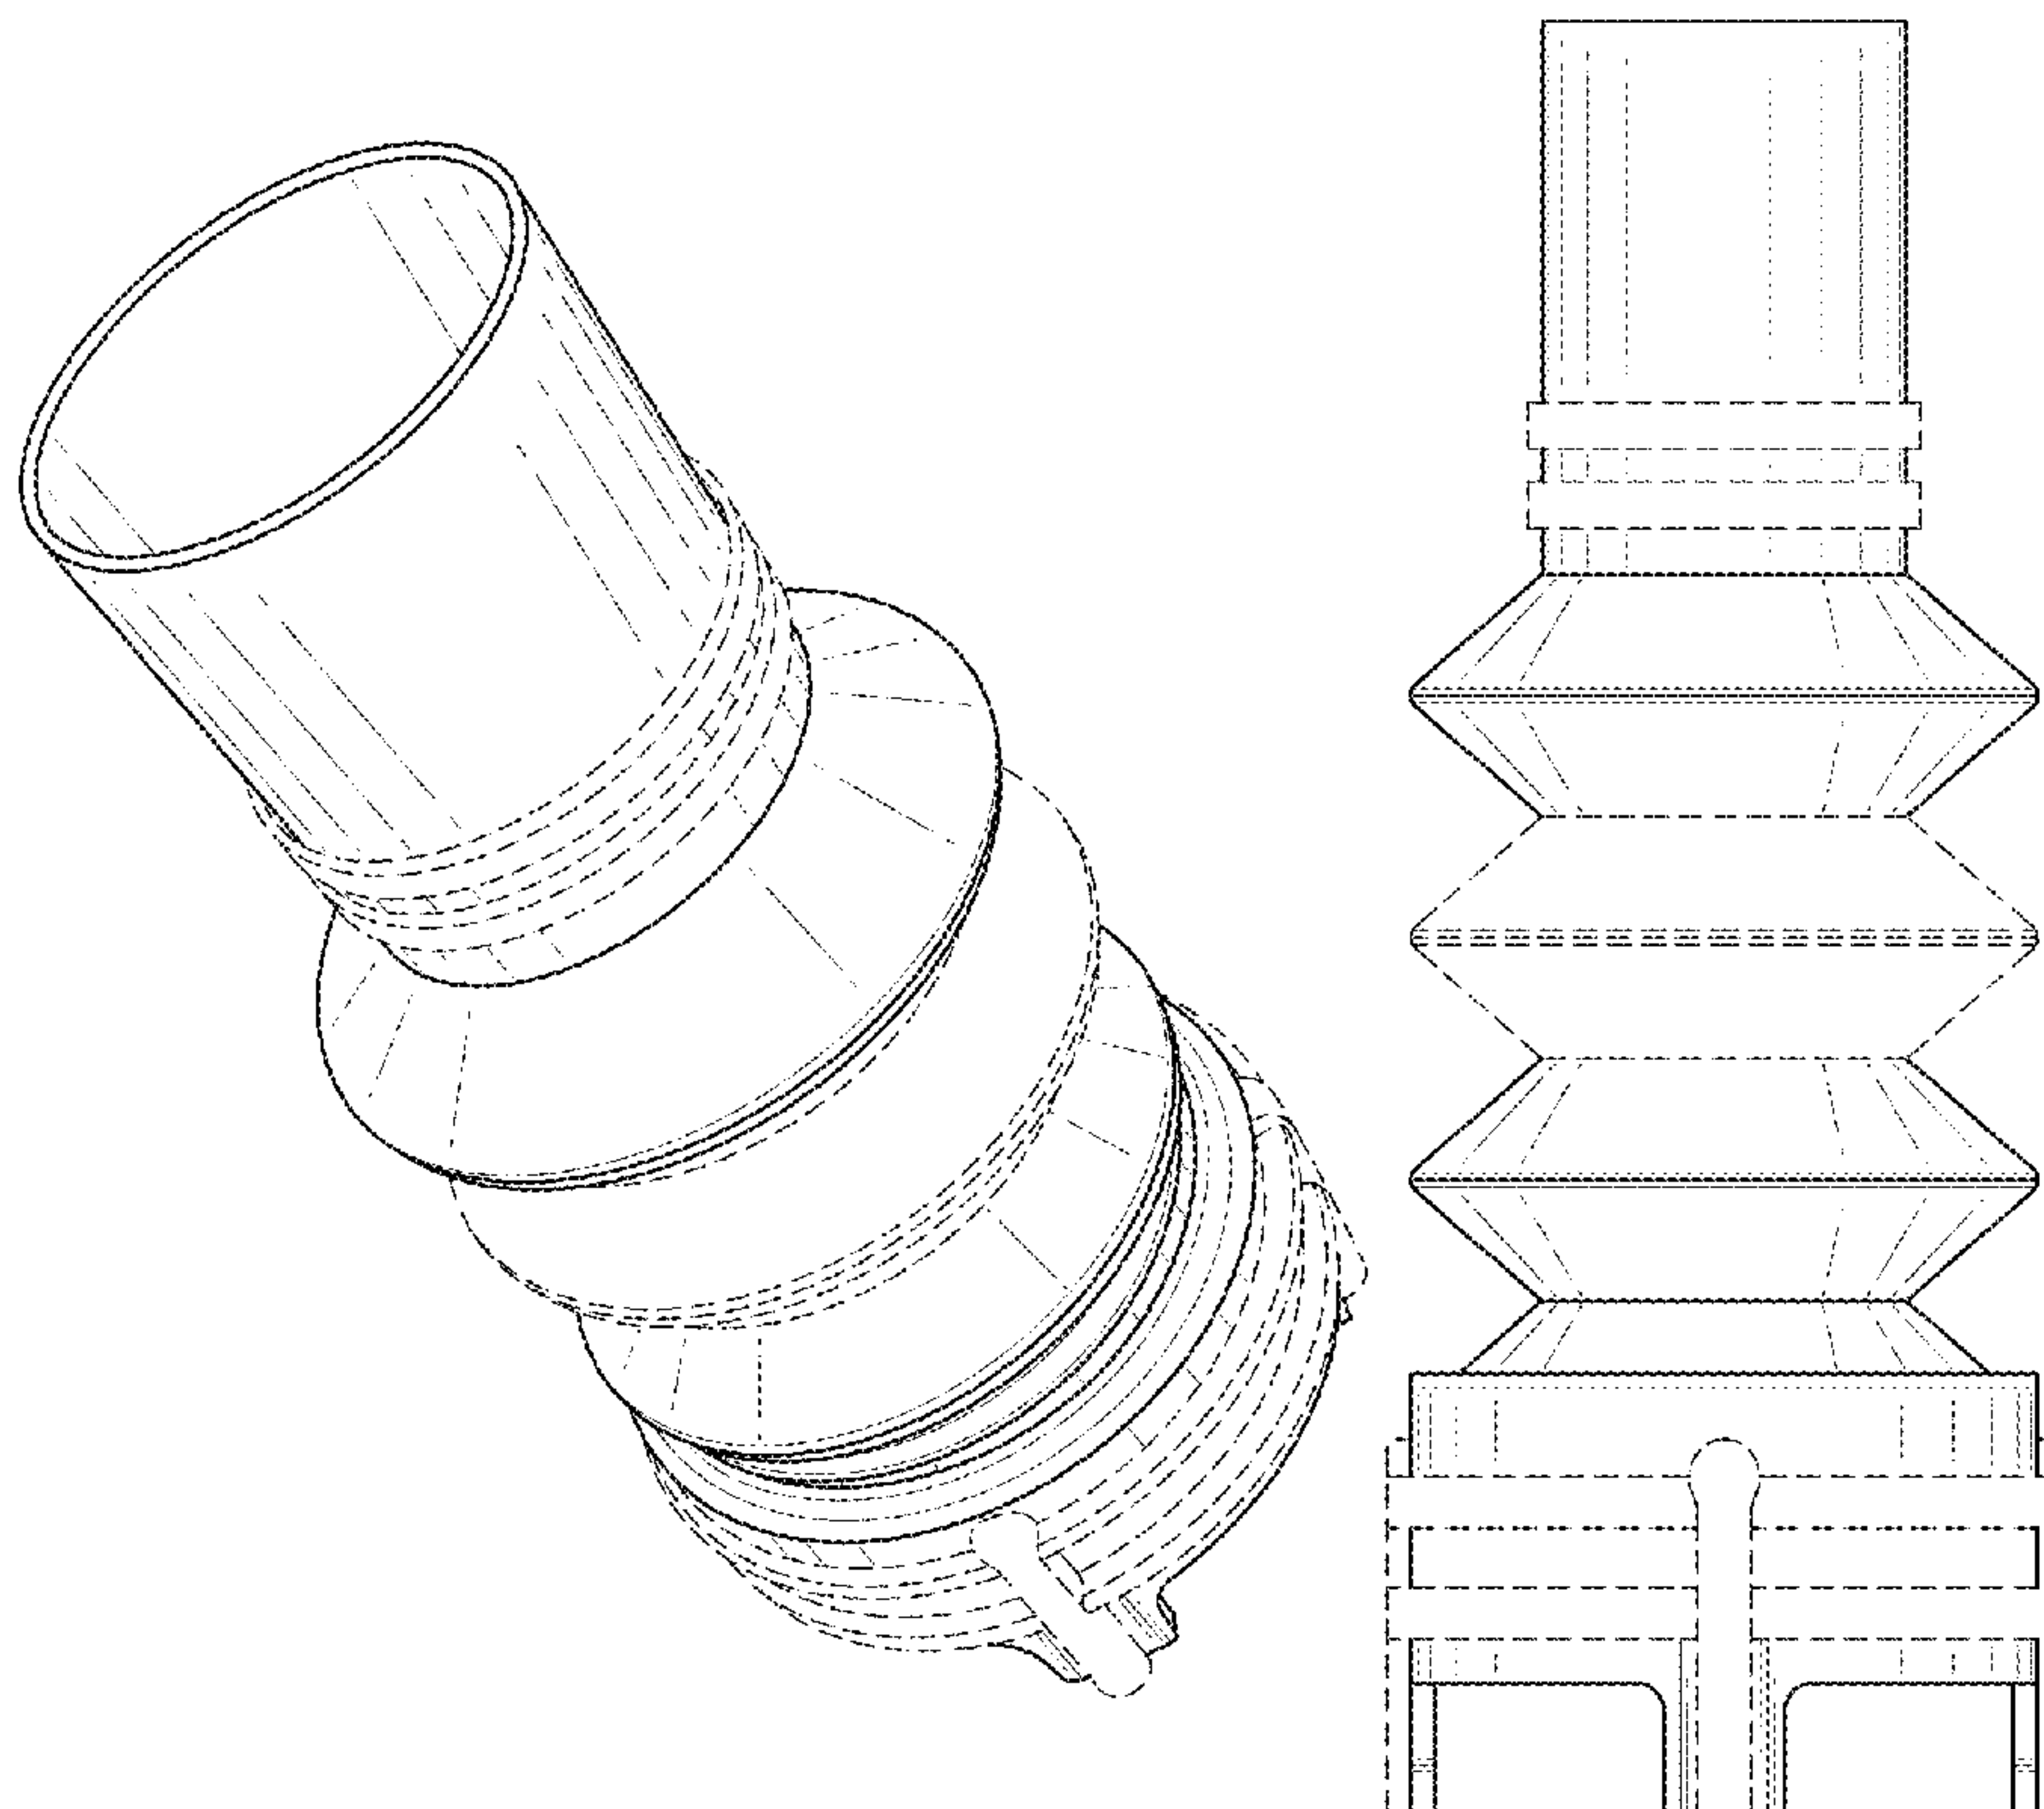

FIG. 2 is a side view of the dip tube end fitting according to  
the present invention.

FIG. 3 is a top view of the dip tube end fitting according to  
the present invention; and,

FIG. 4 is a bottom view of the dip tube end fitting according  
to the present invention.

The broken lines showing a base for the dip tube end fitting  
are included for illustrative purposes only and are not meant  
to be part of the claimed design.

**1 Claim, 4 Drawing Sheets**

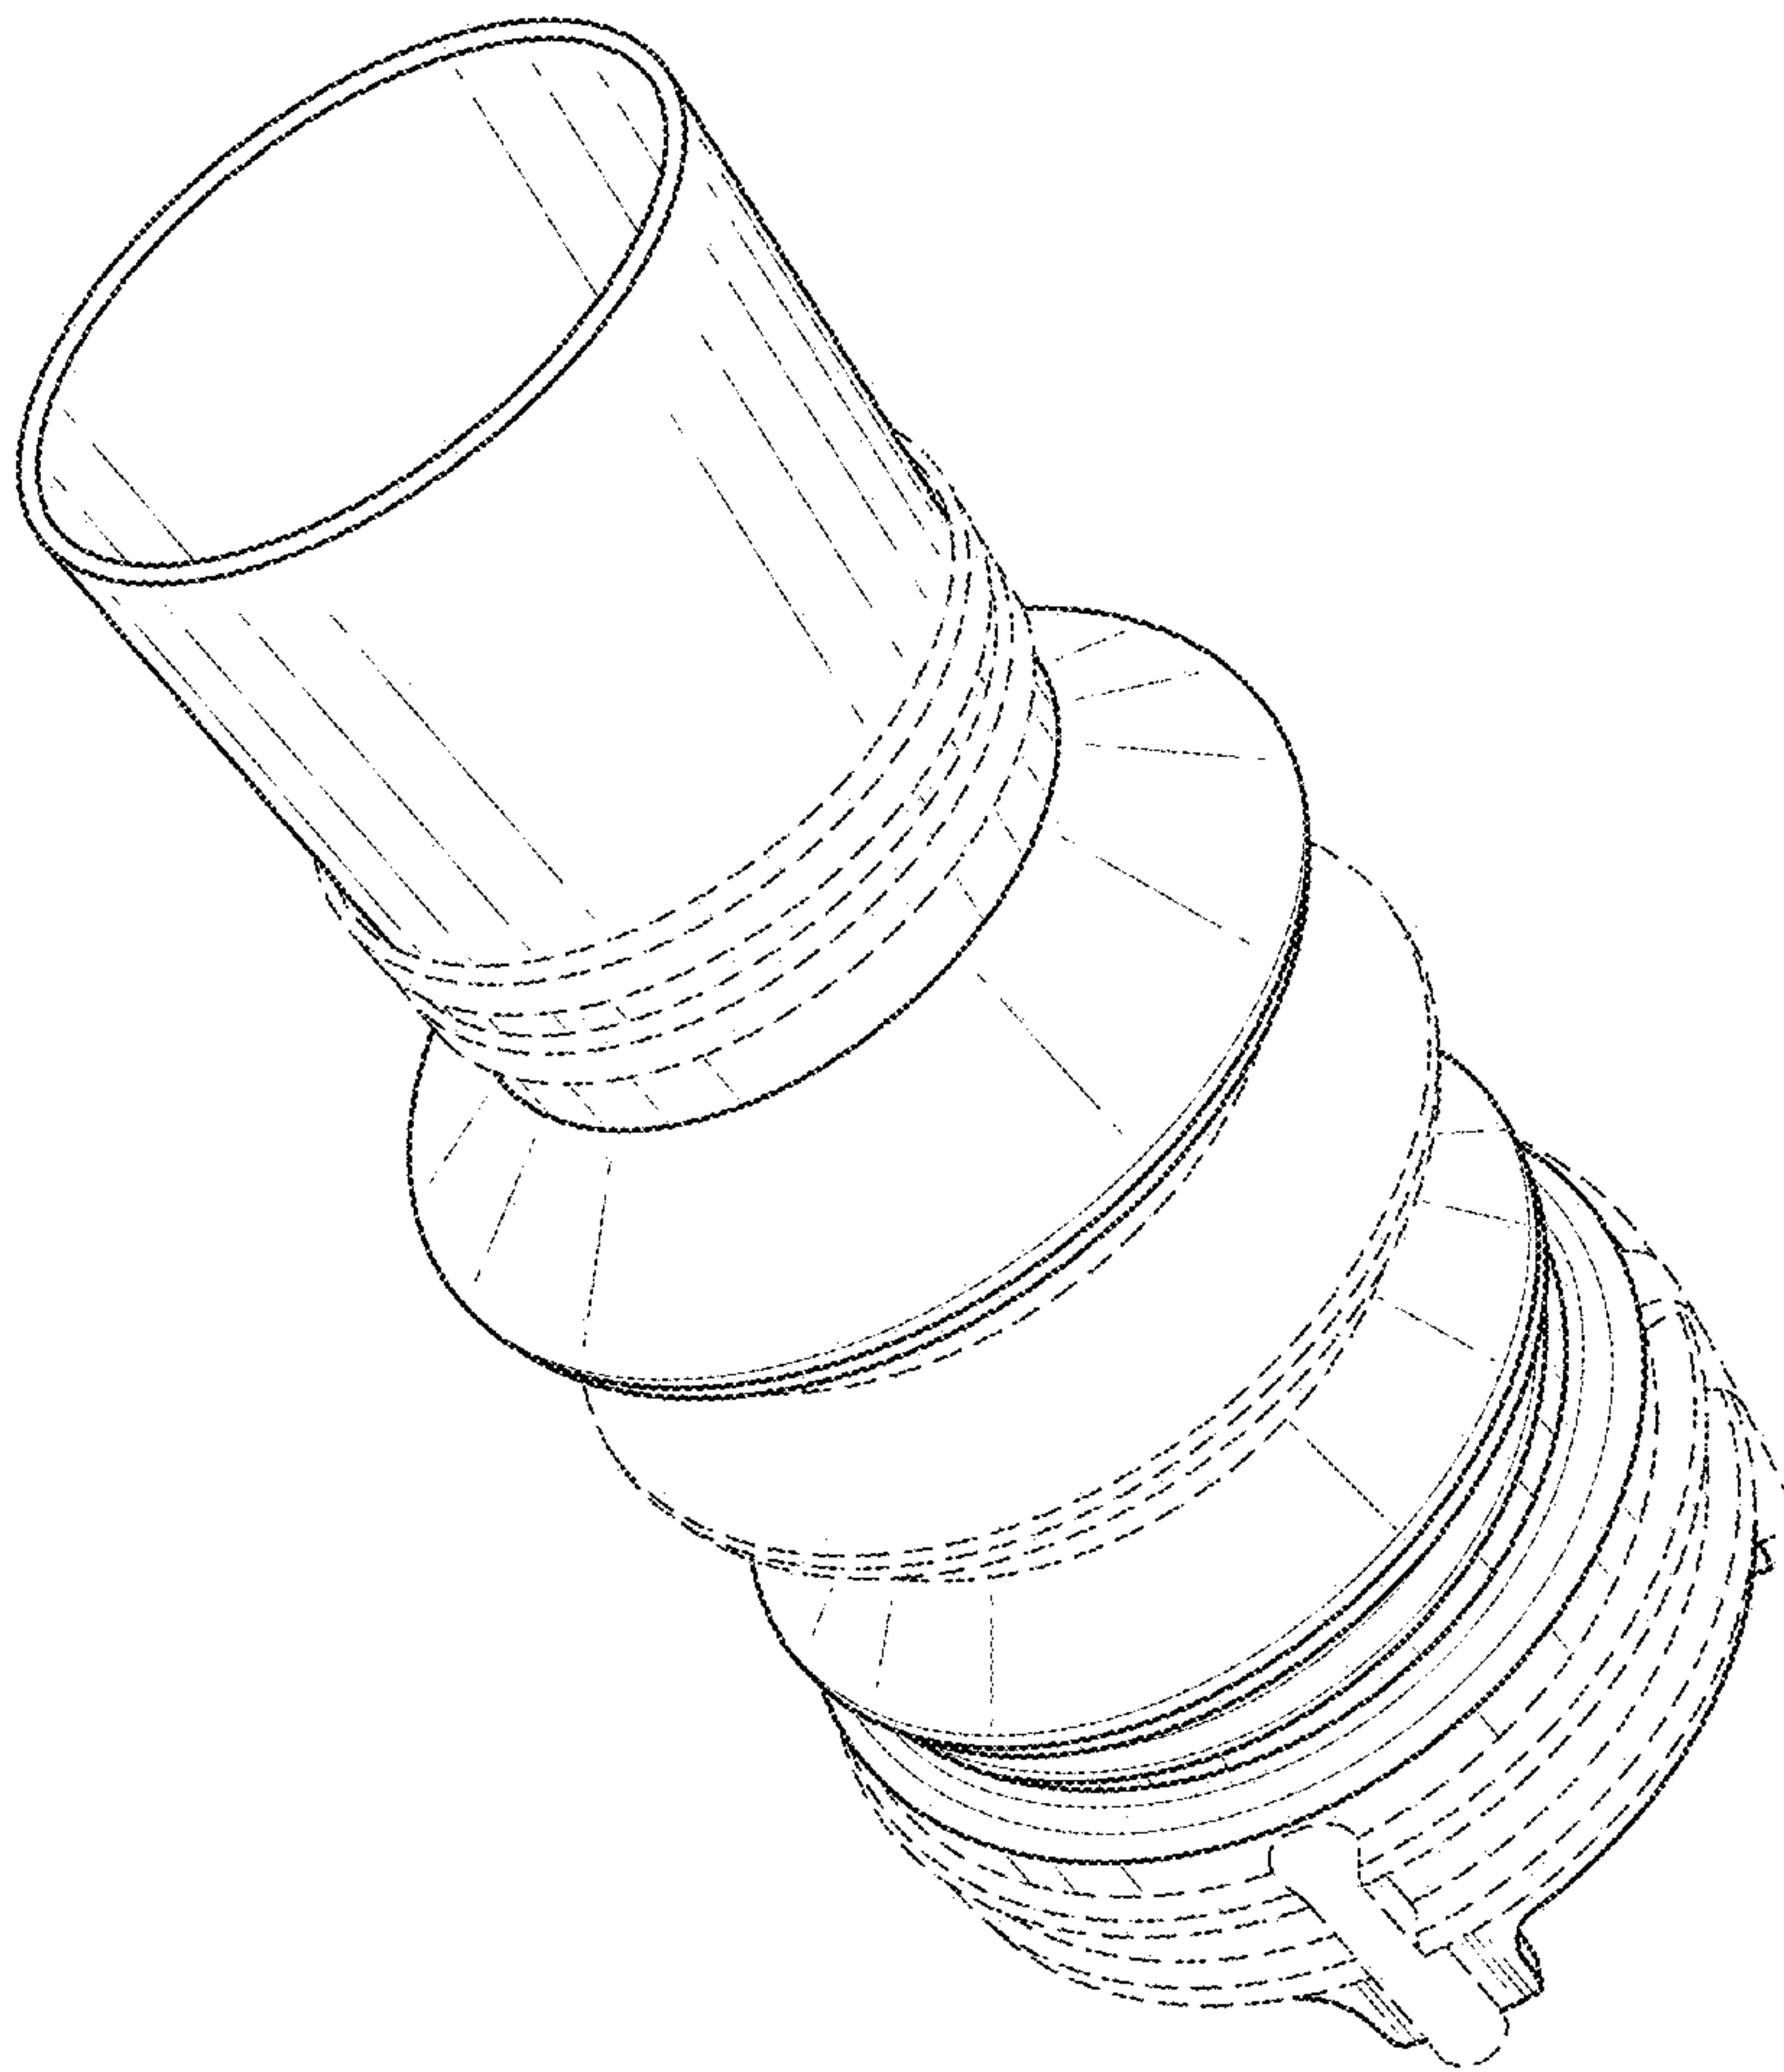

FIG. 1

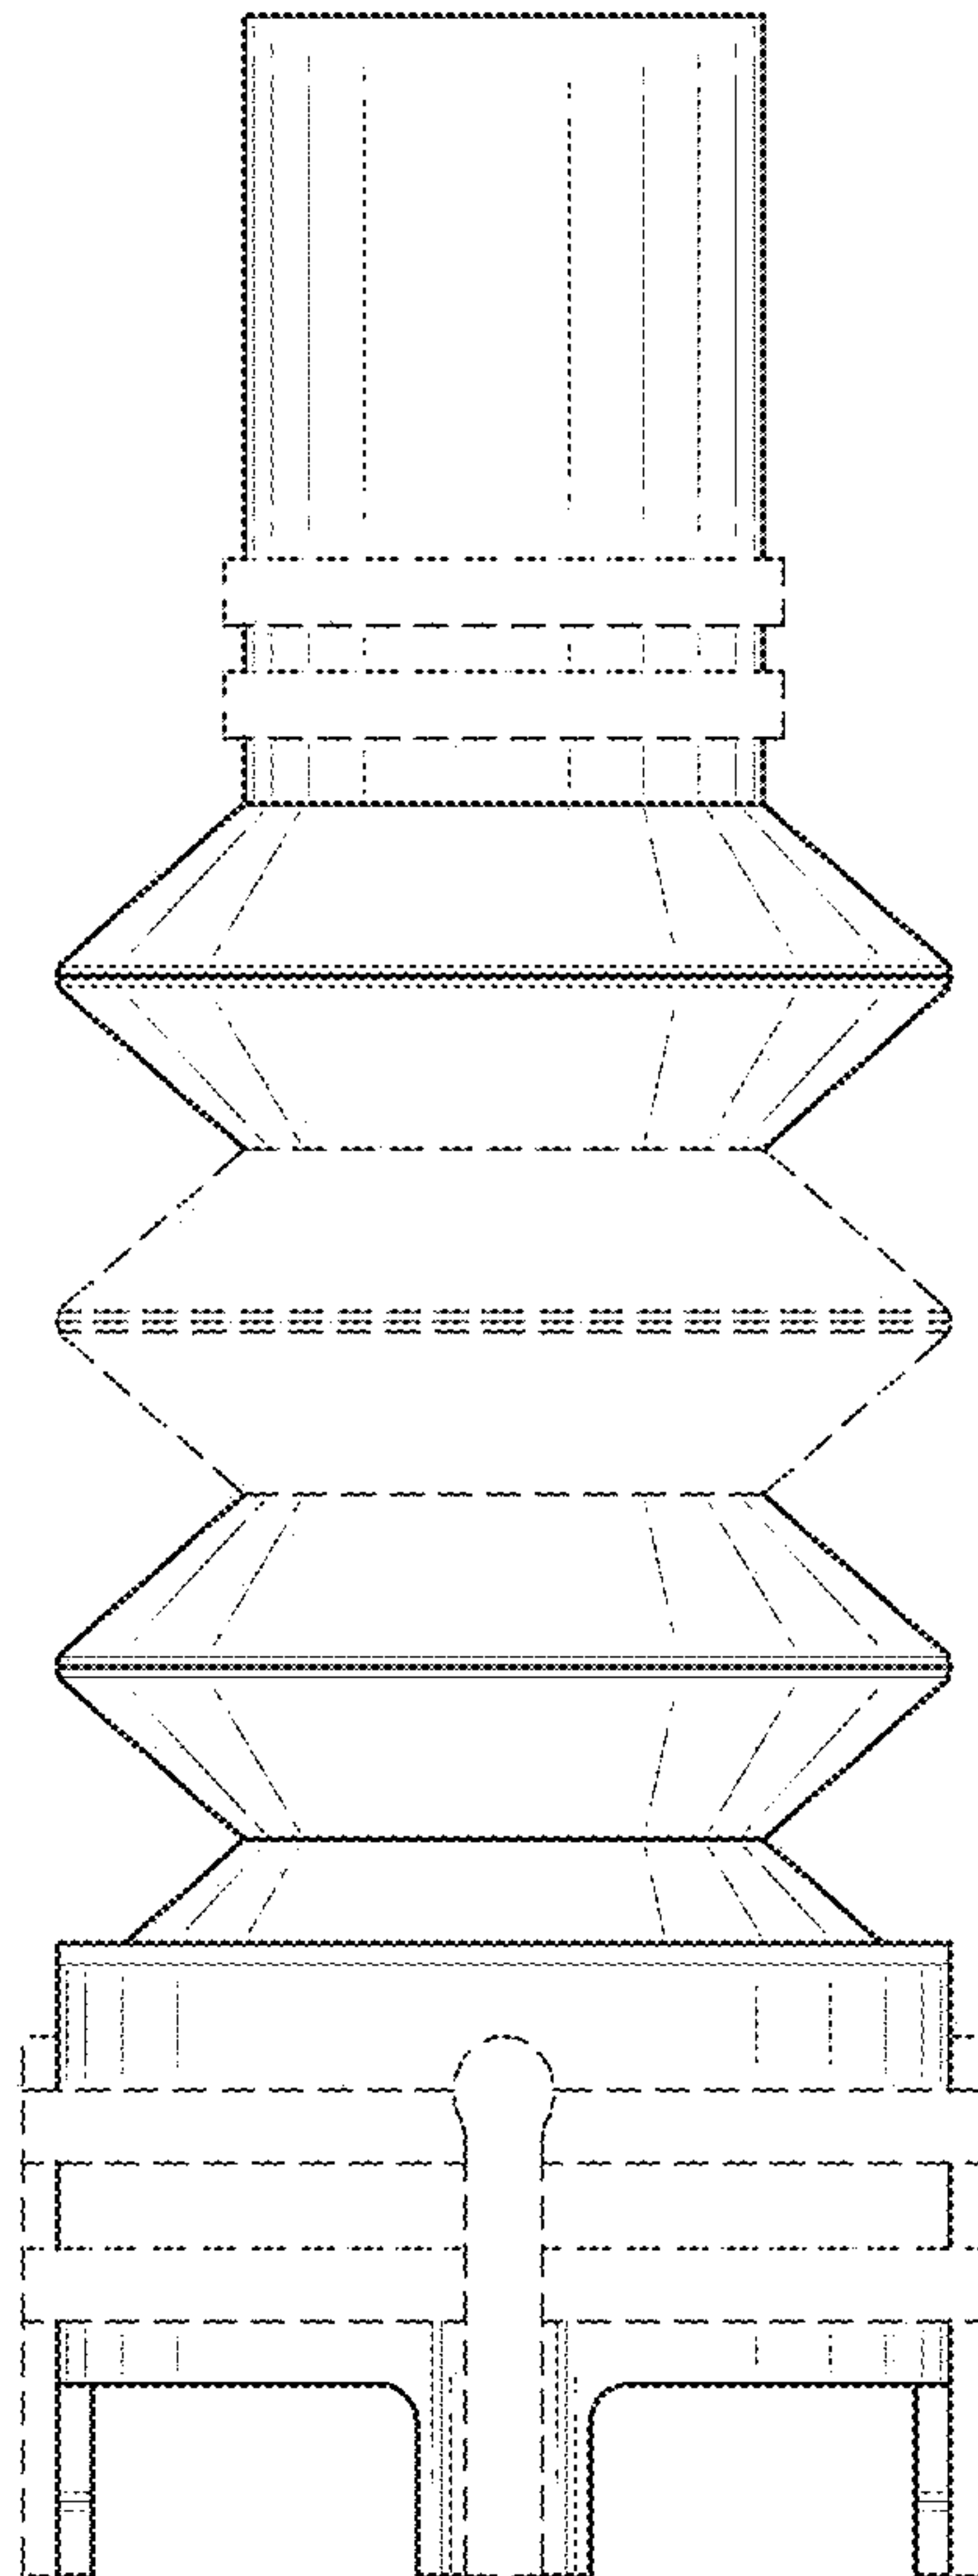

FIG. 2

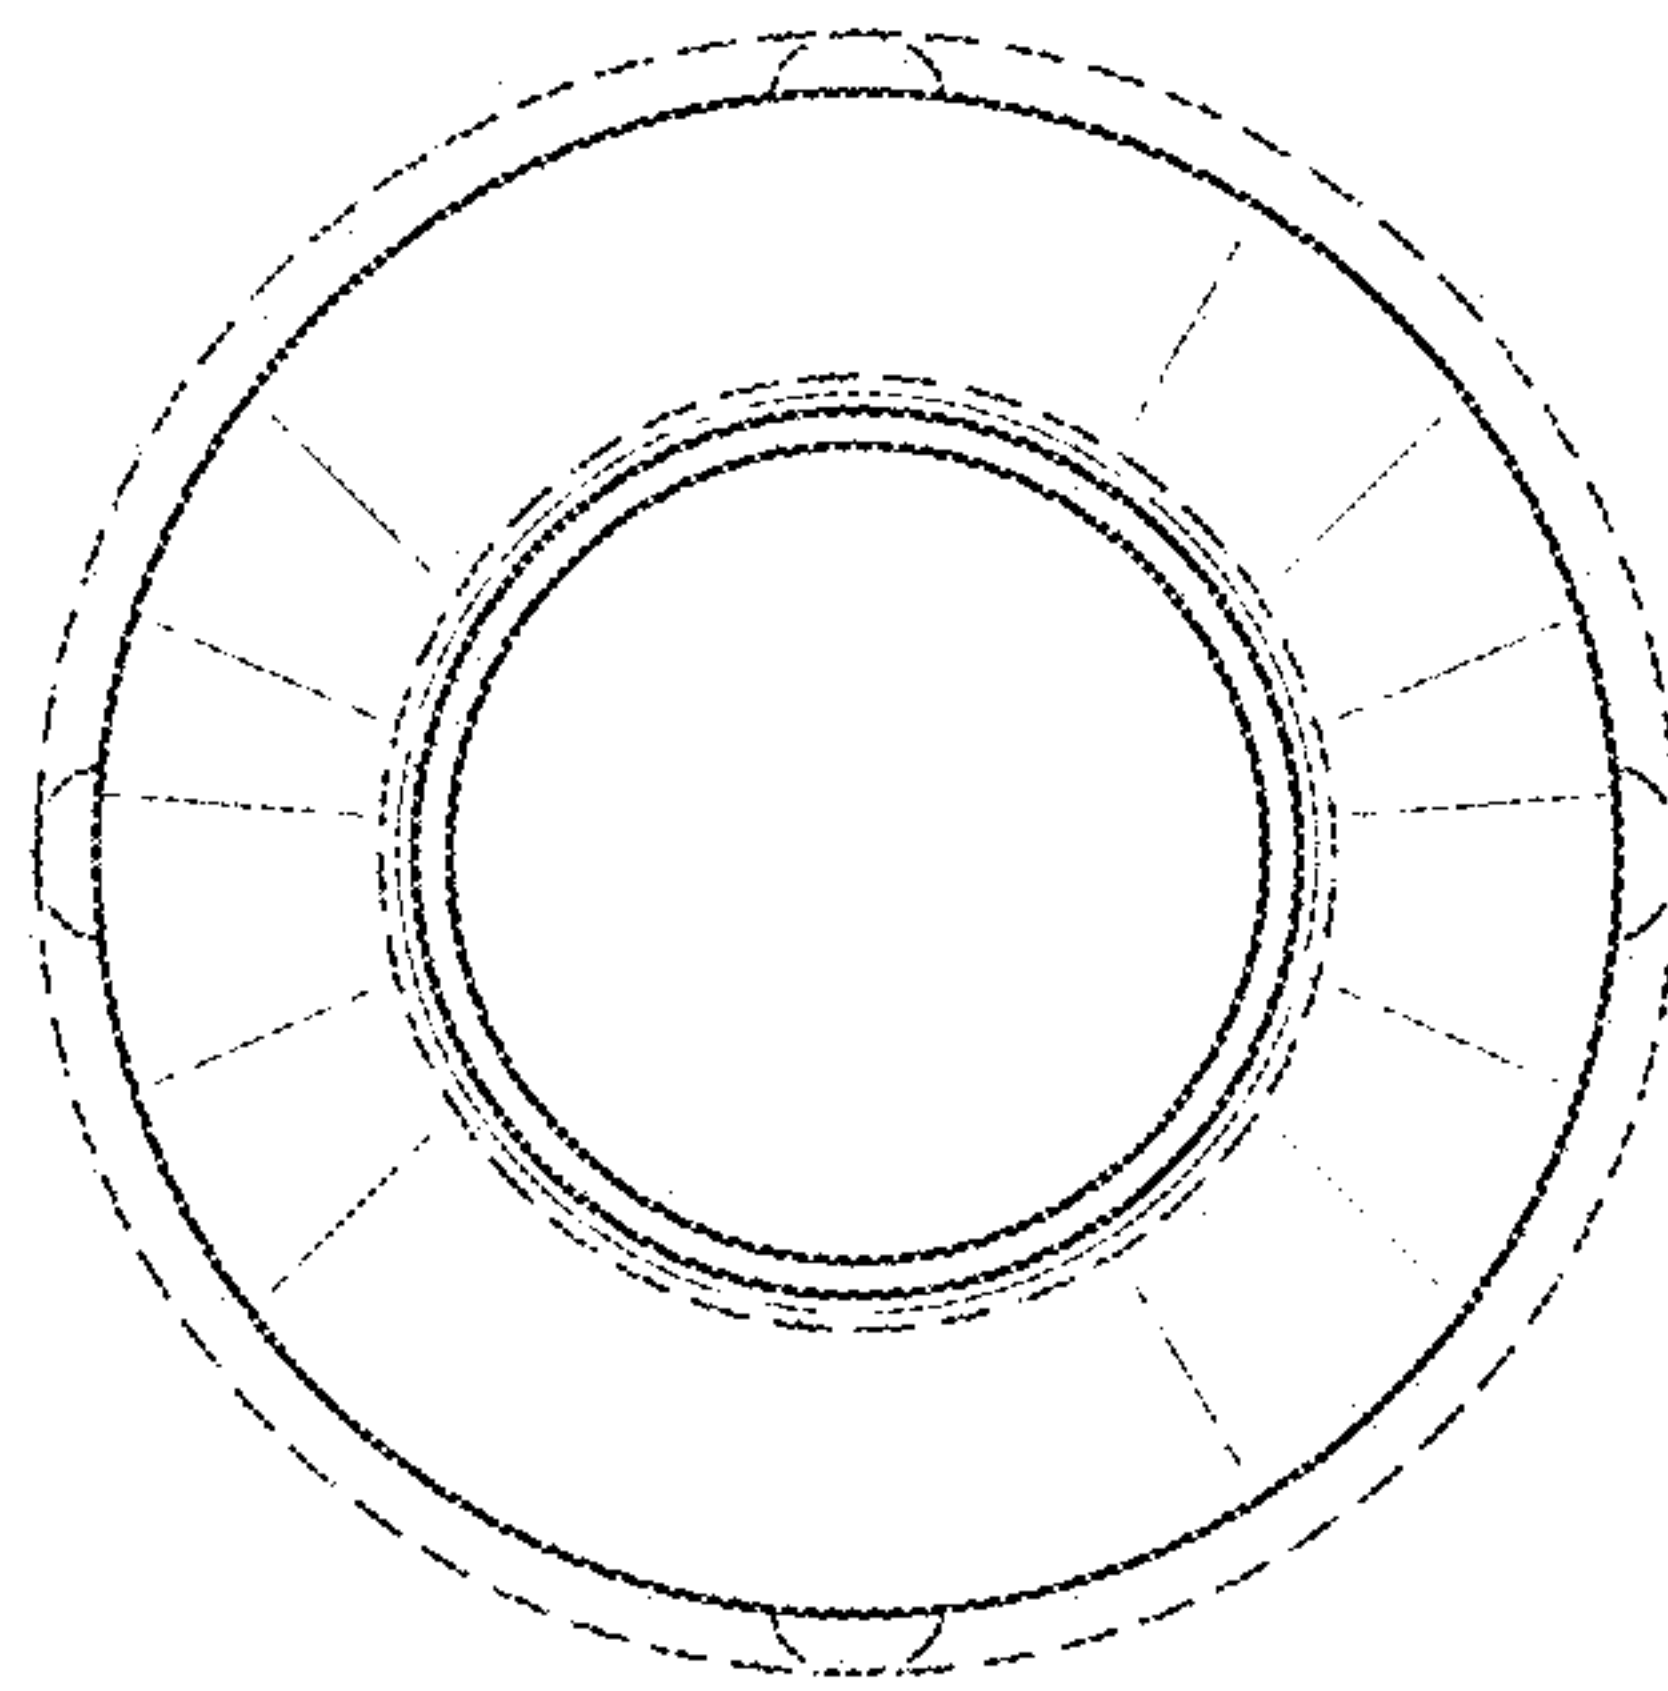

FIG. 3

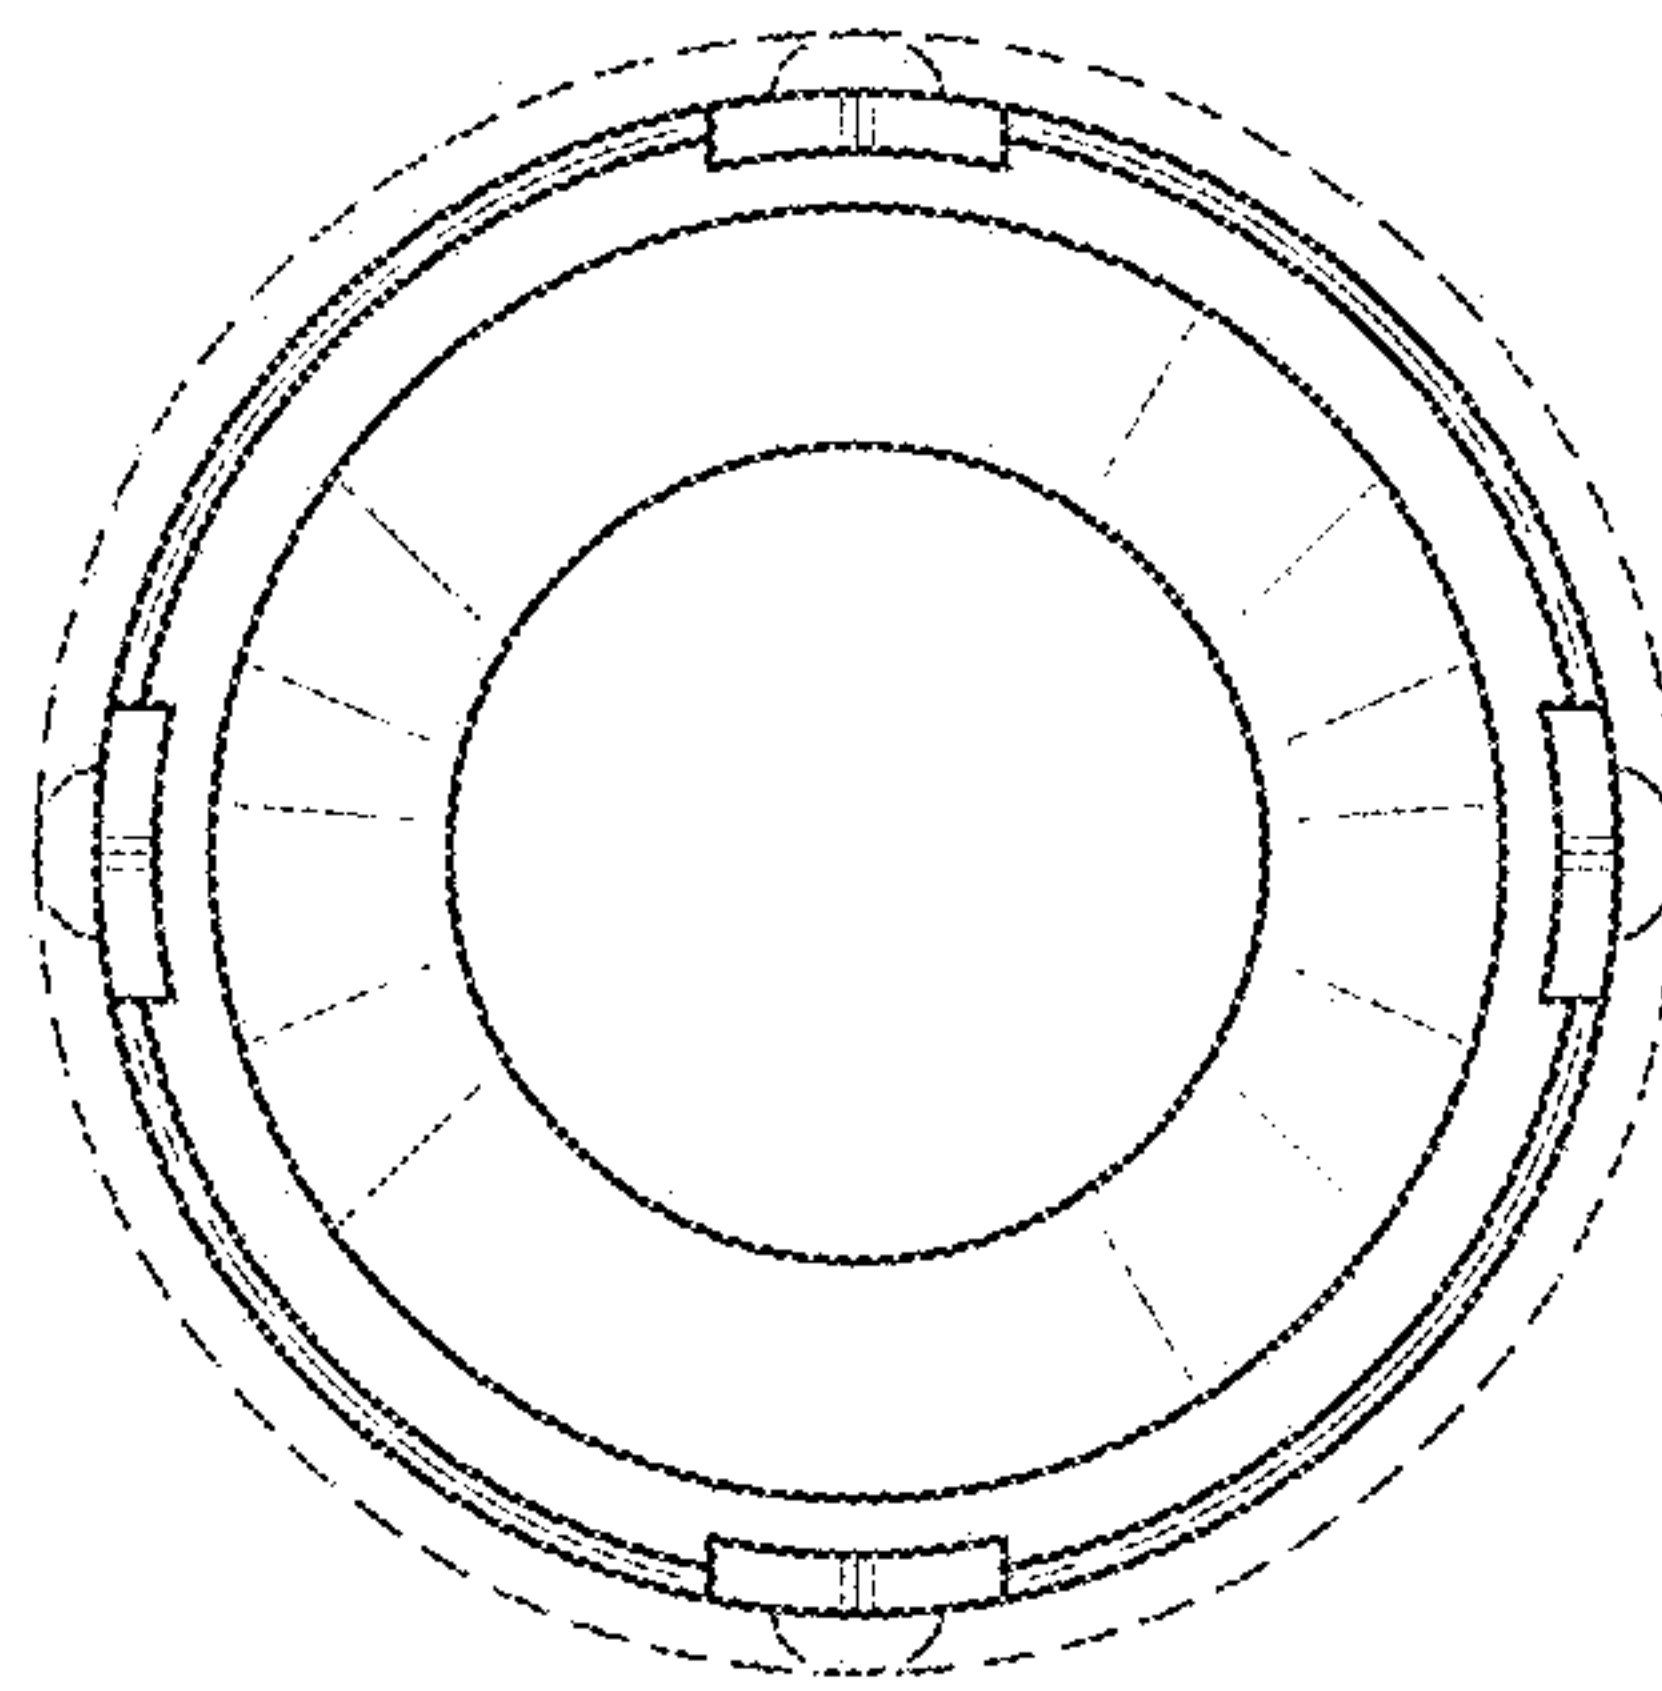

FIG. 4
