(57) **CLAIM**

The ornamental design for a user interface housing, as shown and described.

**DESCRIPTION**

FIG. 1 is a top front, right side, perspective view of a user interface housing adjacent a footboard of a patient support. FIG. 2 is another top front, right side, perspective view of the user interface housing, shown separately from the footboard of a patient support. FIG. 3 is a right side view of the user interface housing. FIG. 4 is a left side view of the user interface housing. FIG. 5 is a bottom front, perspective view of the user interface housing. FIG. 6 is a top front, perspective view of the user interface housing. FIG. 7 is a bottom back, perspective view of the user interface housing; and, FIG. 8 is a bottom top, perspective view of the user interface housing. The broken line showing of a footboard of a patient support in FIG. 1 depicts environment. The remaining broken lines depict portions of the user interface housing that form no part of the claimed design.

**1 Claim, 7 Drawing Sheets**
