CLAIM

(57) The ornamental design for an electronic device with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of an electronic device with graphical user interface showing the claimed design; and, FIG. 2 shows an alternative electronic device with the graphical user interface design of FIG. 1 applied thereto. The outermost dashed broken lines in the figures show an electronic device in FIG. 1, and an alternative electronic device in FIG. 2, and form no part of the claimed design. The other broken lines in the figures show portions of the graphical user interface that form no part of the claimed design.
