LLC; Christopher M. DeBacker

(57) **CLAIM**

The ornamental design for a ladder foot cover, as shown and
described.

DESCRIPTION

FIG. 1 is a front elevational view of a ladder foot cover
showing my new design.

FIG. 2 is a top plan view thereof;

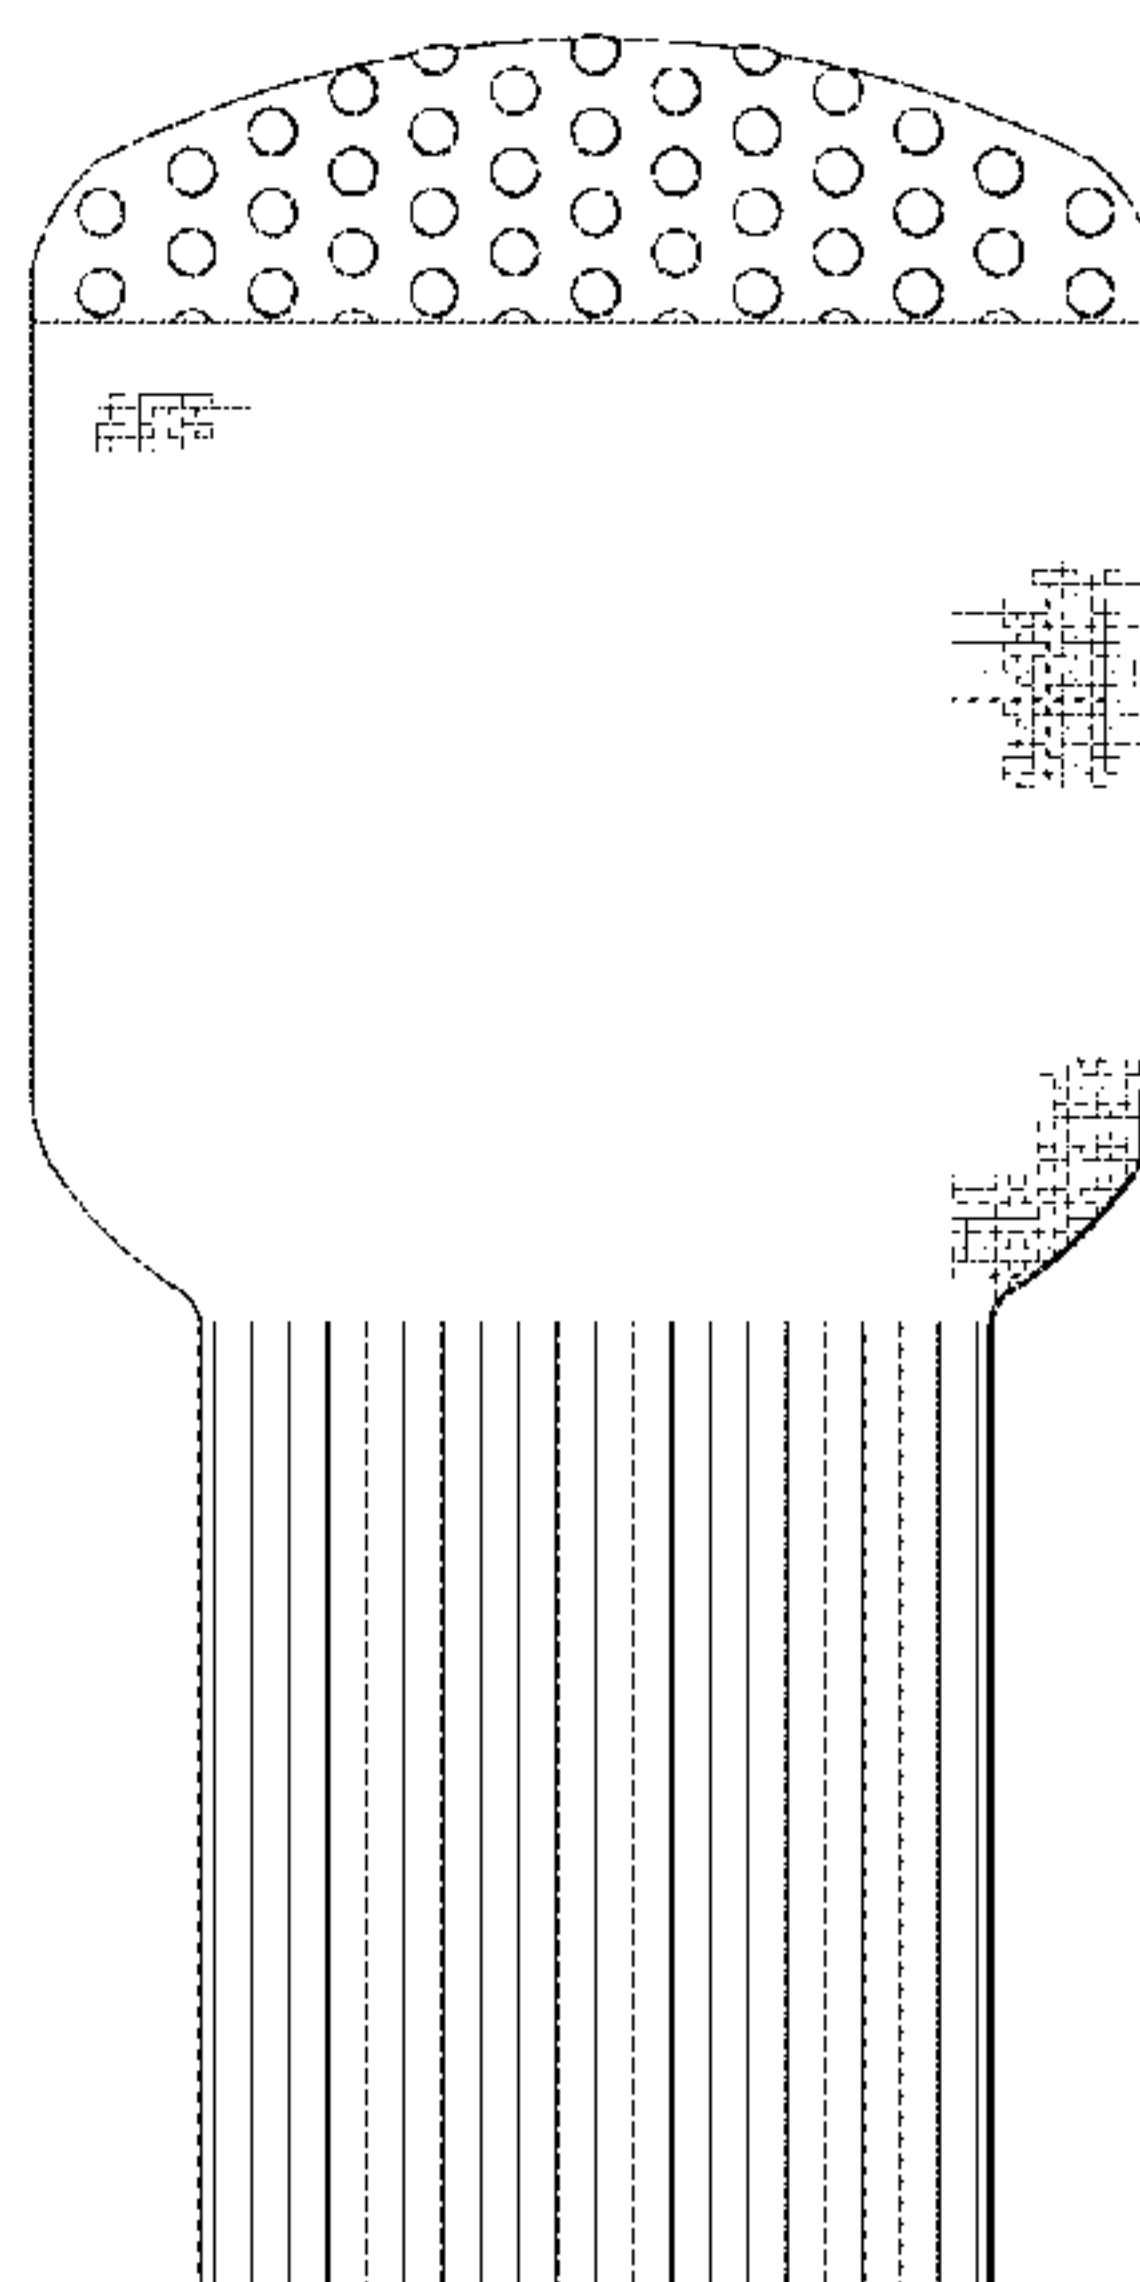

FIG. 3 is a bottom plan thereof;

FIG. 4 is another front elevational view thereof, showing the
ladder foot cover in a typical environment placed between a
ladder foot and a wall; and,

FIG. 5 is another elevational view thereof, showing the
ladder foot cover in a typical environment placed between a
ladder foot and a floor.

The broken lines shown in the Figures are for the purpose of
illustrating environment and form no part of the claimed
design. The shading in the Figures are fragmentarily shown
for convenience of illustration, it being understood that the
shading is uniformly continued over the surface on which it
appears.

1 Claim, 4 Drawing Sheets
