(57) **CLAIM**

The ornamental design for a snuffer device, as shown and described.

**DESCRIPTION**

FIG. 1 depicts a perspective view of a first embodiment of a snuffer device.

FIG. 2 depicts a left elevation view of the first embodiment of the snuffer device.

FIG. 3 depicts a right elevation view of the first embodiment of the snuffer device.

FIG. 4 depicts a front elevation view of the first embodiment of the snuffer device.

FIG. 5 depicts a rear elevation view of the first embodiment of the snuffer device.

FIG. 6 depicts a top elevation view of the first embodiment of the snuffer device.

FIG. 7 depicts a bottom elevation view of the first embodiment of the snuffer device.

FIG. 8 depicts a perspective view of a second embodiment of the snuffer device.

FIG. 9 depicts a left elevation view of the second embodiment of the snuffer device.

FIG. 10 depicts a right elevation view of the second embodiment of the snuffer device.

FIG. 11 depicts a front elevation view of the second embodiment of the snuffer device.

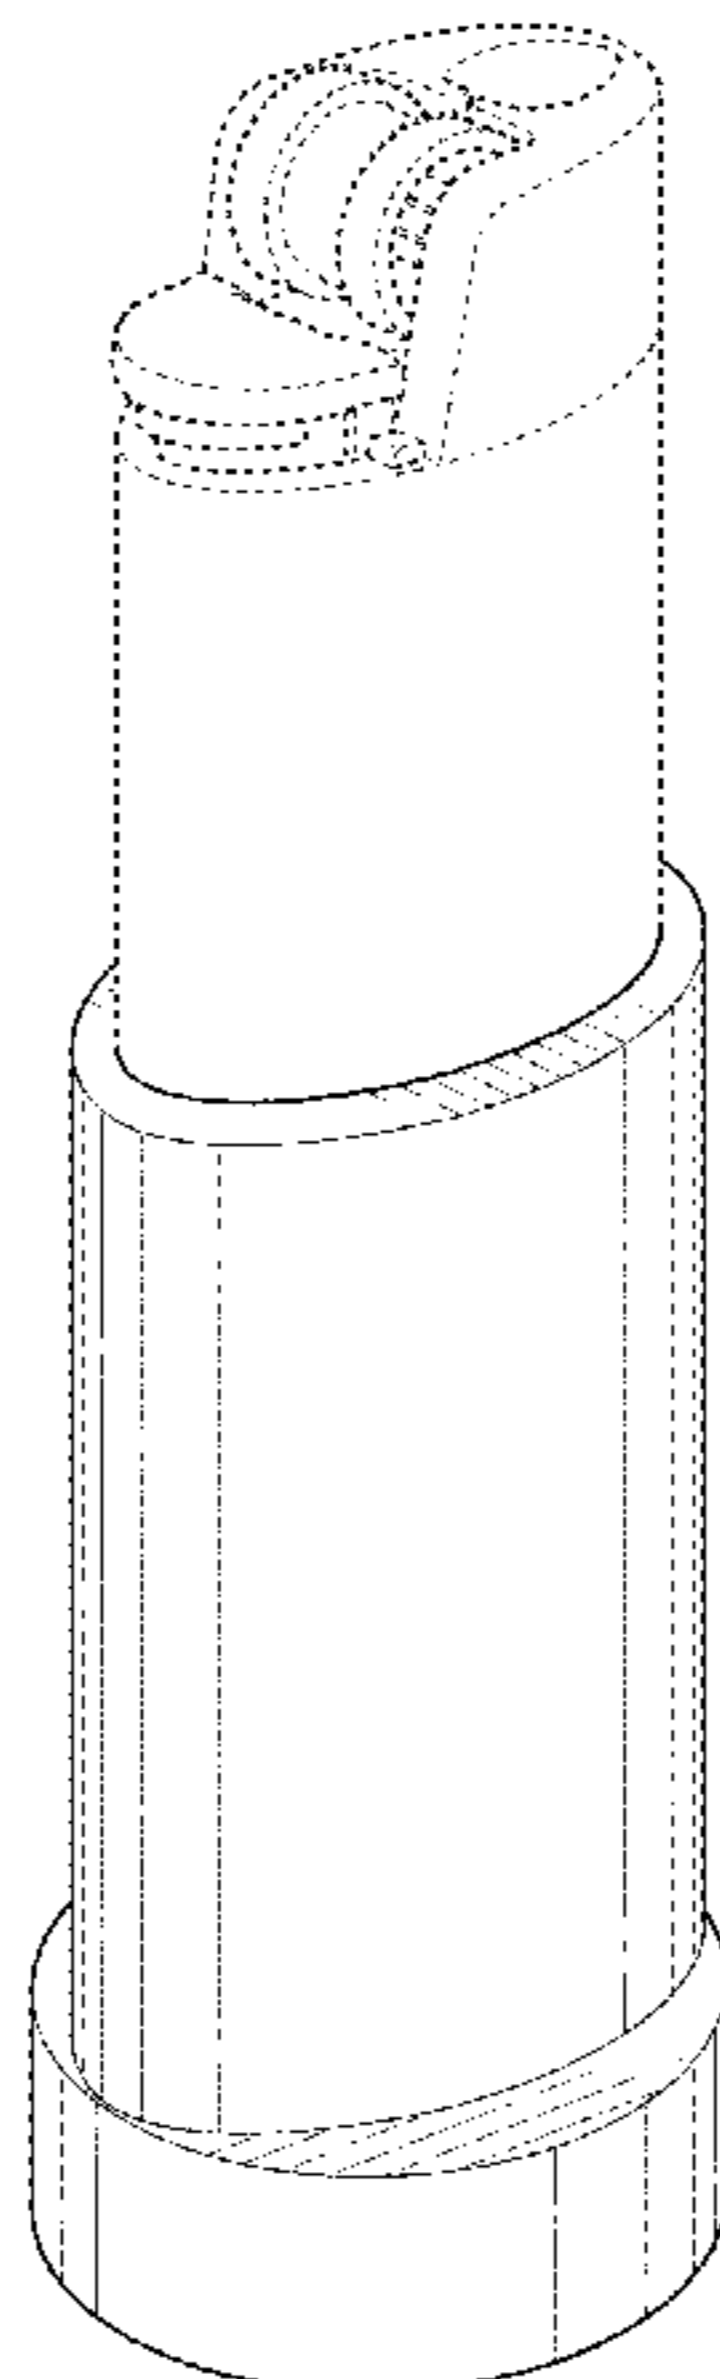

FIG. 12 depicts a rear elevation view of the second embodiment of the snuffer device.

FIG. 13 depicts a top elevation view of the second embodiment of the snuffer device; and,

FIG. 14 depicts a bottom elevation view of the second embodiment of the snuffer device.

The broken lines shown in FIGS. 6, 7, 13, and 14 depict portions of the snuffer device that form no part of the claimed design. The broken lines in FIGS. 1 and 8 are for purposes of illustrating environmental subject matter only that form no part of the claim thereof.
