DESCRIPTION

FIG. 1 is a top right side view of an aerosol cap, showing my new design, shown in an environment of use with an exemplary aerosol can;
FIG. 2 is a front view thereof, with the aerosol can removed to show aspects of the design not visible when combined;
FIG. 3 is a back view thereof;
FIG. 4 is a right side view thereof;
FIG. 5 is a left side view thereof;
FIG. 6 is a top view thereof; and,
FIG. 7 is a bottom view thereof.
The evenly broken lines are shown for the purpose of illustrating both parts of the article that form no part of the claim as well as environmental subject matter of an exemplary aerosol can. The dot-dash lines represent the boundaries of the claim. None of the broken lines form part of the claimed design.

1 Claim, 4 Drawing Sheets
