(57) **CLAIM**

I claim the ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a display screen or portion thereof with a graphical user interface showing the new design.

The outermost broken line rectangle shows the display screen or portion thereof, and forms no part of the claimed design. All other broken lines show portions of the animated graphical user interface and form no part of the claimed design.
