(57) **CLAIM**

The ornamental design for a tubular ditch shovel, as shown  
and described.

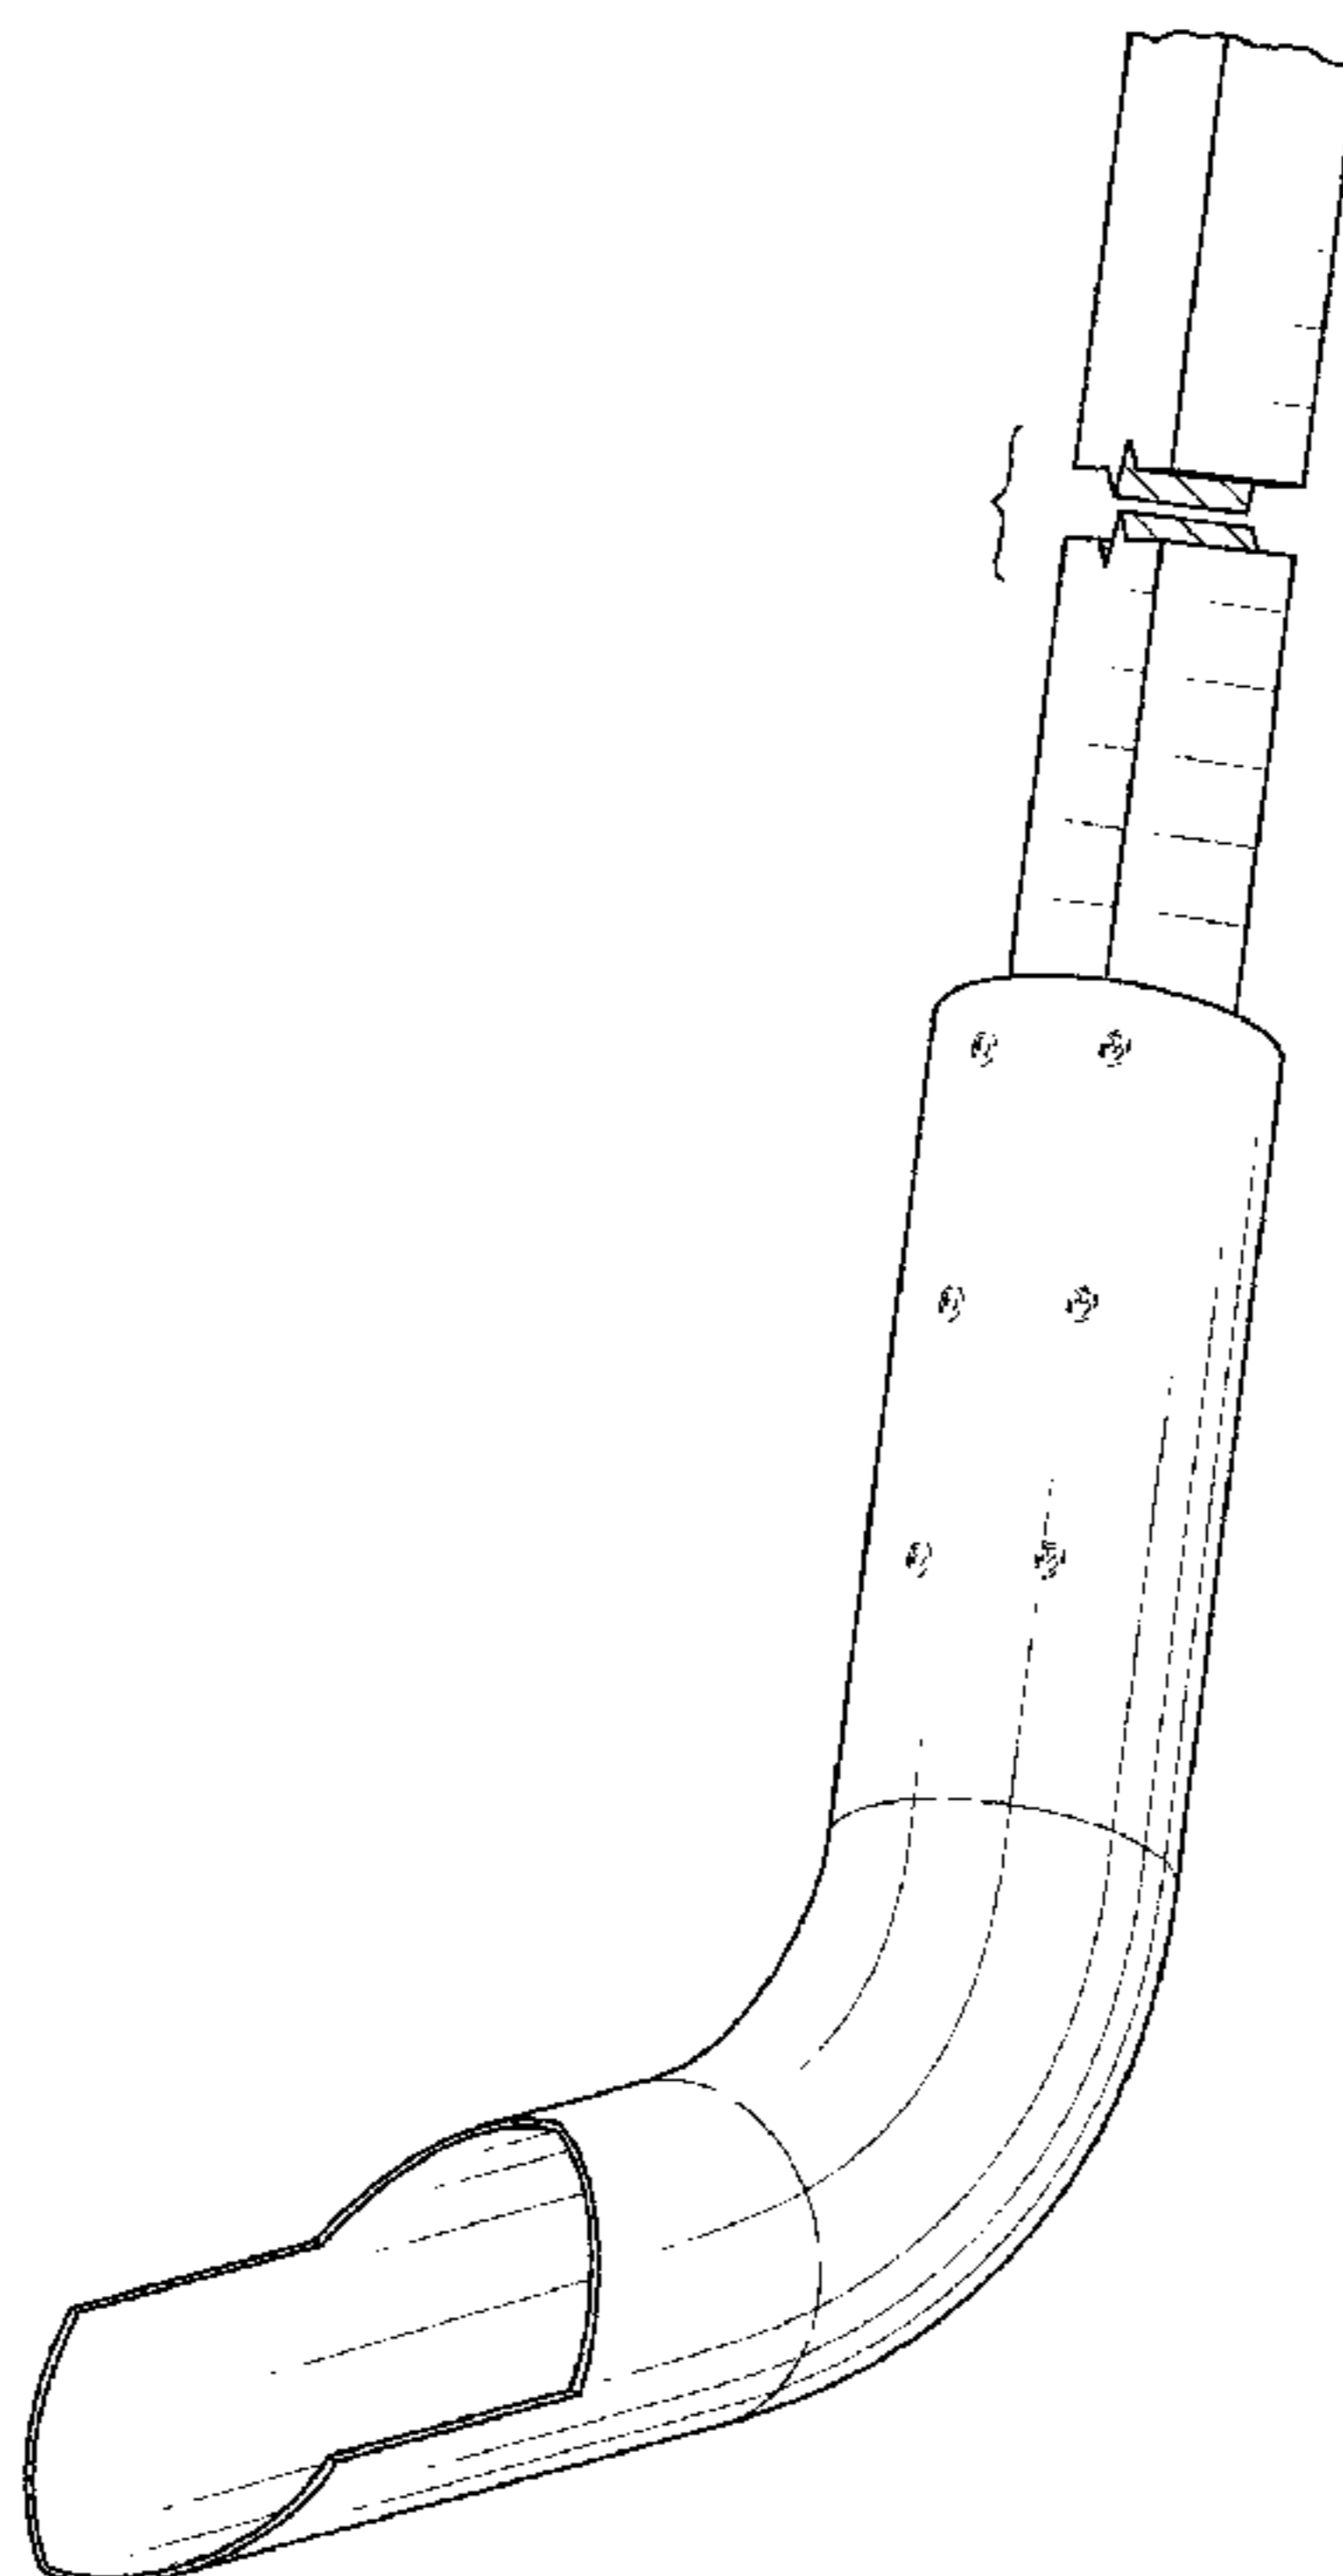

**DESCRIPTION**

FIG. 1 is a front perspective view of the tubular ditch shovel,  
showing the new design;  
FIG. 2 is a right side elevational view of the tubular ditch  
shovel thereof;  
FIG. 3 is a left side elevational view of the tubular ditch  
shovel thereof;  
FIG. 4 is a front elevational view of the tubular ditch shovel  
thereof;  
FIG. 5 is a rear elevational view of the tubular ditch shovel  
thereof;  
FIG. 6 is a top plan view of the tubular ditch shovel thereof;  
and,  
FIG. 7 is a bottom plan view of the tubular ditch shovel  
thereof.

The dashed broken lines depict portions of the tubular ditch  
shovel that form no part of the claimed design.

The tubular ditch shovel is shown with a symbolic break in  
its length indicated with a bracket and break lines. The  
appearance of any portion of the article between the break  
lines forms no part of the claimed design.
