(57) **CLAIM**

The ornamental design for a bottle for wound drainage, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of the bottle for wound drainage; FIG. 2 is a front elevational view of the bottle for wound drainage; FIG. 3 is a left side elevational view of the bottle for wound drainage; FIG. 4 is a right side elevational view of the bottle for wound drainage opposite the view of FIG. 3; FIG. 5 is an top view of the bottle for wound drainage; and, FIG. 6 is a bottom view of the bottle for wound drainage. The broken lines in the drawings depict the environment of the bottle for wound drainage and form no part of the claimed design.

1 Claim, 5 Drawing Sheets
