(57) **CLAIM**

The ornamental design for an operator pad for a stand-on machine, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of an operator pad for stand-on machine showing our new design.

FIG. 2 is a front view thereof.

FIG. 3 is a right side view thereof, the left side view being a mirror image thereof.

FIG. 4 is a top view thereof; and,

FIG. 5 is a bottom view thereof.

The broken lines in the drawings illustrate the environment and do not form a part of the claimed design. The back portion of the operator pad is not visible during normal use and forms no part of the claimed design.

1 Claim, 3 Drawing Sheets
