CLAIM

The ornamental design for a display panel portion with a
computer generated icon, as shown and described.

DESCRIPTION

The file of this patent contains at least one drawing executed
in color. Copies of this patent with color drawing(s) will be
provided by the Office upon request and payment of the
necessary fee.

The FIGURE is a front view of a display panel portion with
a computer generated icon showing my new design.

The broken line bordering the FIGURE and illustrating the
display panel portion forms no part of the claimed design.
