(57) **CLAIM**

The ornamental design for a golf shoe upper, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a golf shoe upper showing our new design; FIG. 2 is a lateral side elevation view thereof; FIG. 3 is a top plan view thereof; FIG. 4 is a medial side elevation view thereof; FIG. 5 is a front elevation view thereof; FIG. 6 is a rear elevation view thereof; and, FIG. 7 is a bottom plan view thereof. The different stippling shown on the top surface of the golf shoe upper indicates a contrast in appearance between the respective areas of the top surface. The broken lines showing a logo on the top surface of the golf shoe upper form no part of the claimed design. The broken lines showing a golf shoe upper outsole including logo and traction members on the bottom surface of the golf shoe upper are portions of the golf shoe upper that form no part of the claimed design. All remaining broken lines within the stipple-shaded regions of the golf shoe upper are representative of stitching that forms part of the claimed design.
