(57) **CLAIM**

The ornamental design for a hexagonal game piece holder with counters, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a hexagonal game piece holder with counters.

FIG. 2 is a top view of a hexagonal game piece holder with counters.

FIG. 3 is a bottom view of a hexagonal game piece holder with counters.

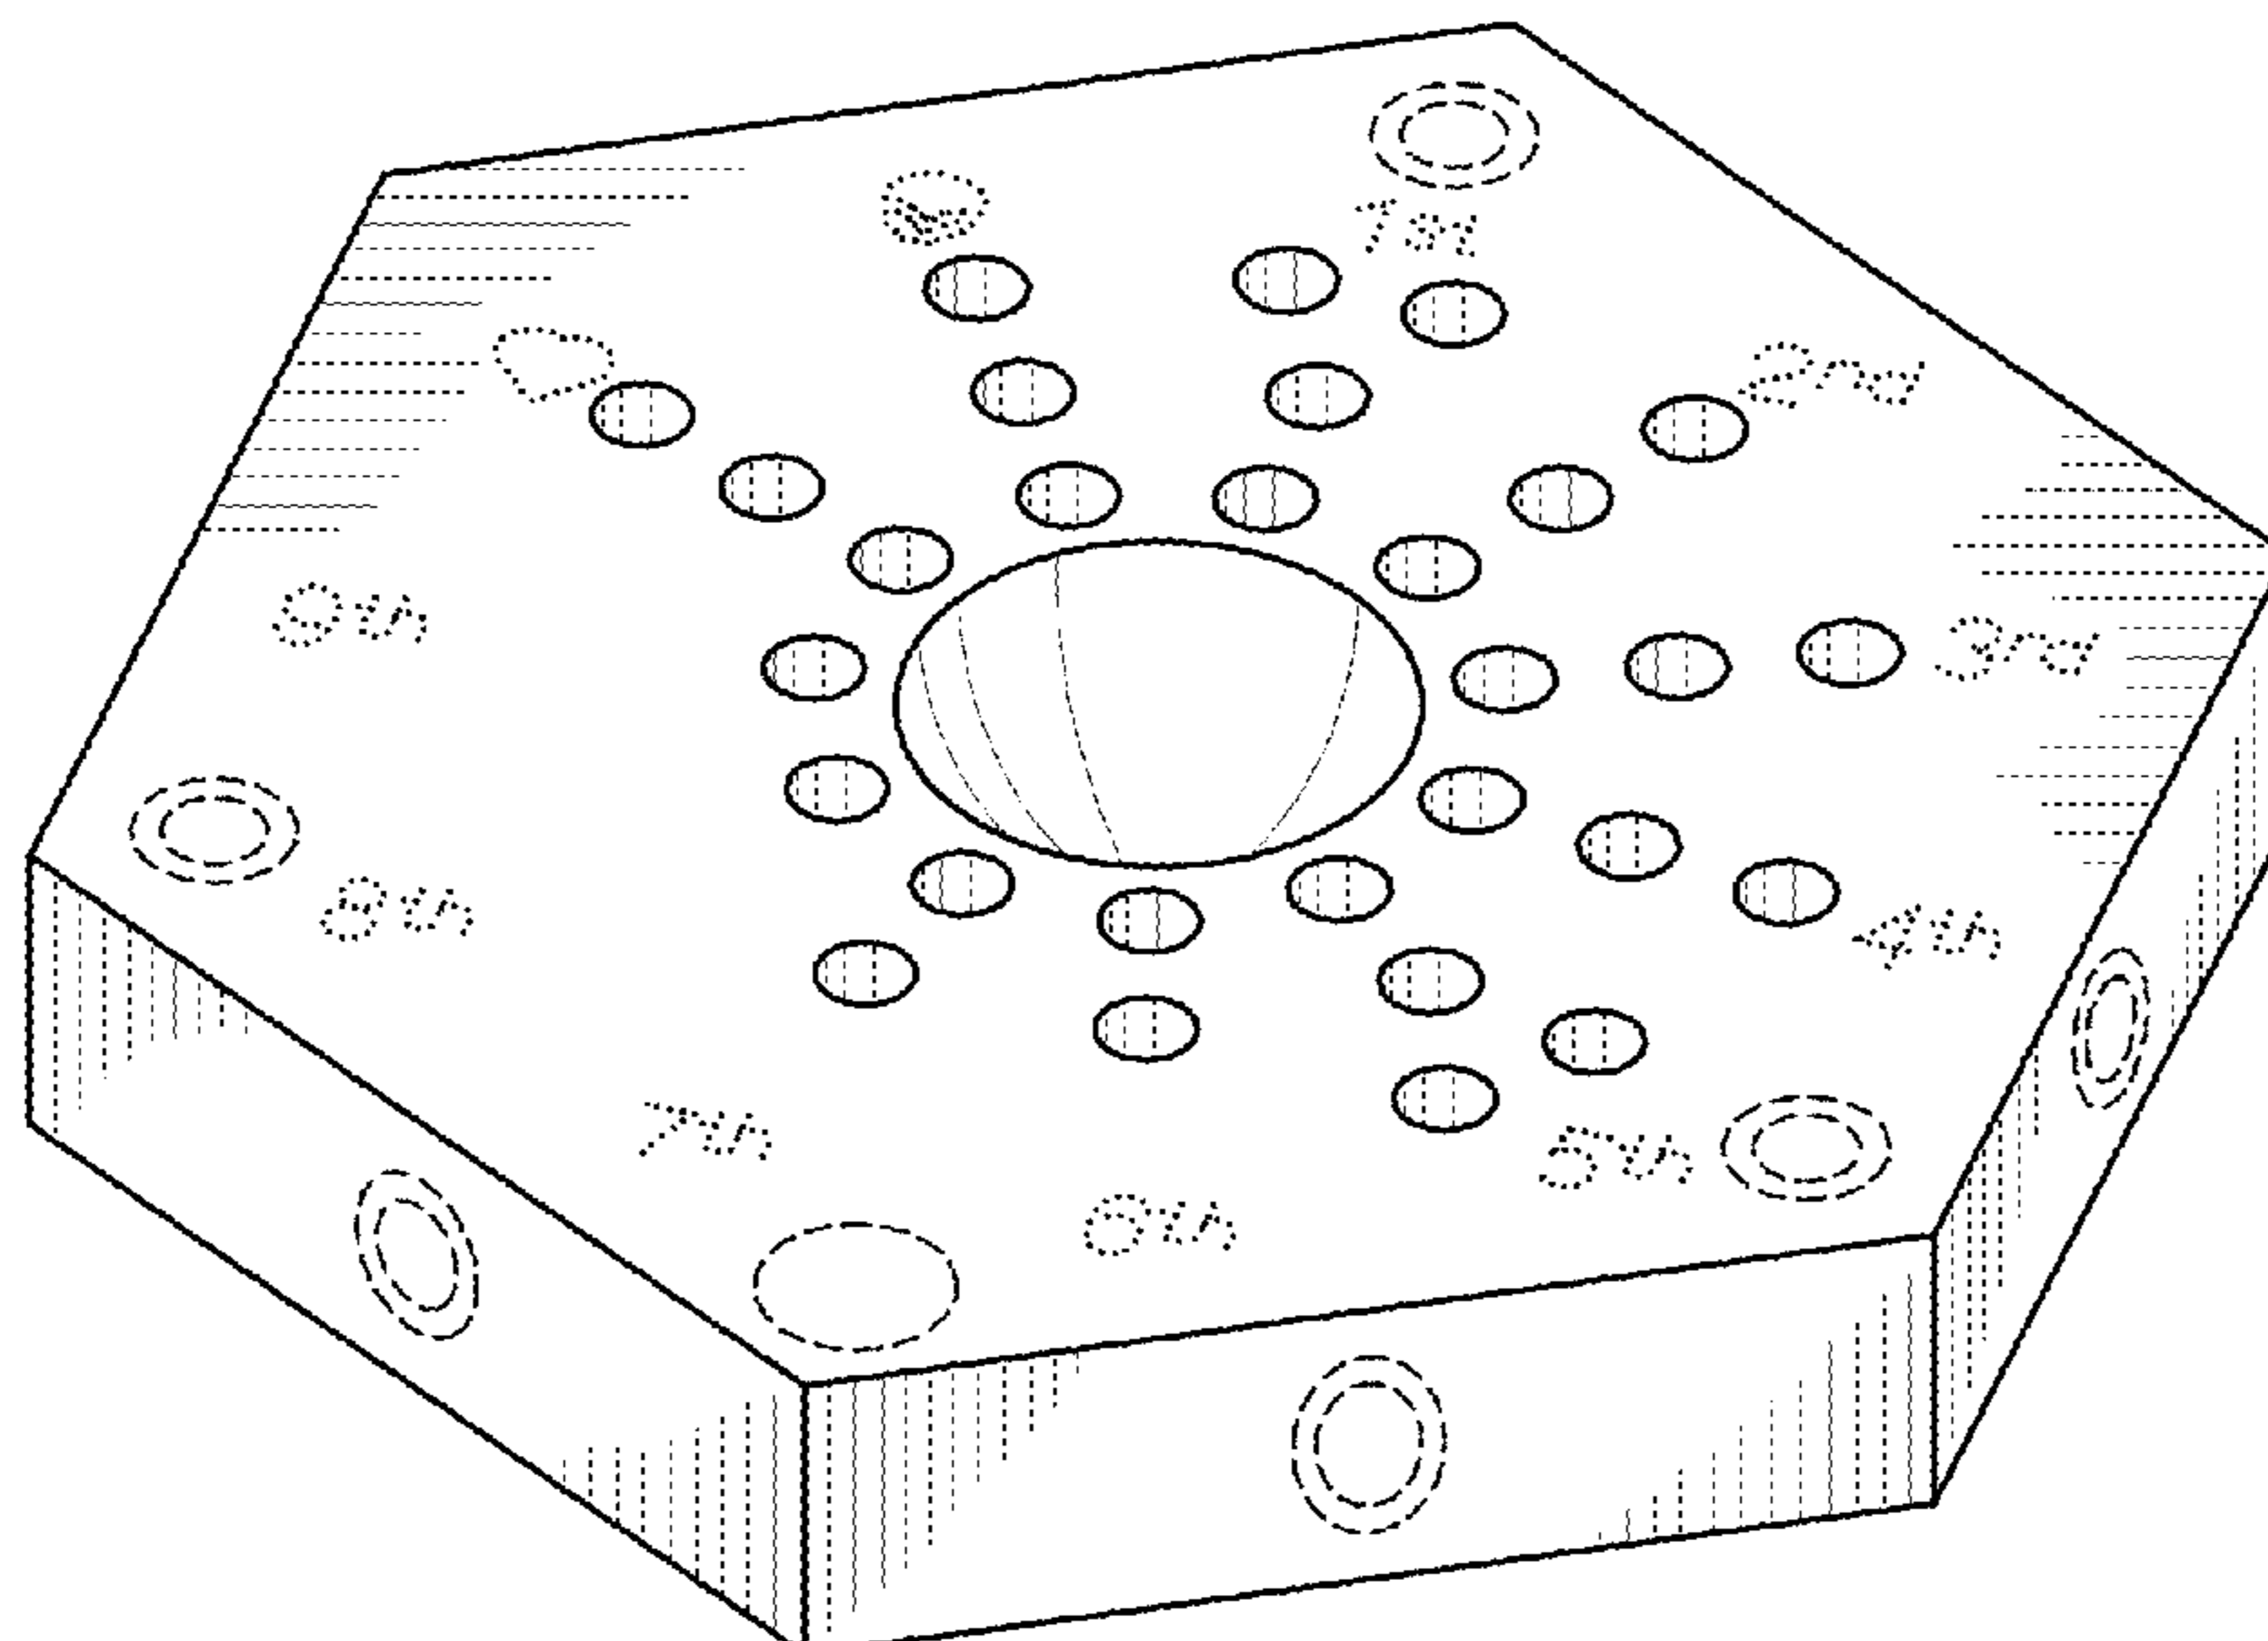

FIG. 4 is a right-side view of a hexagonal game piece holder with counters. The left-side view, which is omitted from the figures, is a mirror image of the right-side view.

FIG. 5 is a side view of the hexagonal game piece holder with counters that is rotated 30 degrees with respect to the view in FIG. 4.

In the drawings, the broken lines depict portions of the hexagonal game piece holder with counters that form no part of the claimed design.

The hexagonal game piece holder with counters may be used on a tabletop or other surface to hold game cards, playing cards, counters, and/or similar objects, and/or roll dice.
