(57) **CLAIM**

We claim the ornamental design for a plastic bag with perforations, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view illustrating intact perforations of a plastic bag with perforations in accordance with the present design;
FIG. 2 is a front view thereof;
FIG. 3 is a rear view thereof;
FIG. 4 is a front view thereof, with the perforations being torn; and,
FIG. 5 is an exploded view of the intact perforations taken from the circumscribed area of FIG. 2.
The broken lines shown in the drawings are for the purposes of illustrating portions of the article and form no part of the claimed design.

1 Claim, 5 Drawing Sheets
