**DESCRIPTION**

FIG. 1 is a front view of the draw tape bag showing my new design, the rear view being a mirror image thereof; and, FIG. 2 is an enlarged view of a portion 2 in FIG. 1. The curved broken lines at top corner of the front view illustrate tear lines and are part of the claimed design. The horizontal broken line at the top of the front view illustrates a stitch and is part of the claimed design. The dot-dash broken line encircles the portion of the claimed design in FIG. 1 which is illustrated in enlarged view in FIG. 2, and forms no part of the claimed design. The draw tape has no appreciable thickness.
