(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface for configuring a boiler or water heater application, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the first embodiment of a display screen or portion thereof with graphical user interface for configuring a boiler or water heater application showing our new design; and,

FIG. 2 is a front view of a second embodiment thereof. The outer perimeter broken lines in the figures show a display screen or portion thereof and form no part of the claimed design. The broken line showing of text and graphic elements forms no part of the claimed design.

1 Claim, 1 Drawing Sheet
