(57) **CLAIM**

The ornamental design for an explosion suppression system with mounting support therefor, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevation view of an explosion suppression system with mounting support therefor.  
FIG. 2 is a rear elevation view of the explosion suppression system with mounting support therefor.  
FIG. 3 is a left side elevation view of the explosion suppression system with mounting support therefor.  
FIG. 4 is a right side elevation view of the explosion suppression system with mounting support therefor.  
FIG. 5 is a top plan view of the explosion suppression system with mounting support therefor.  
FIG. 6 is a bottom plan view of the explosion suppression system with mounting support therefor.  
FIG. 7 is a front, right perspective view from above of the explosion suppression system with mounting support therefor of FIG. 1; and,  
FIG. 8 is a rear, left perspective view from below of the explosion suppression system with mounting support therefor of FIG. 1.
