(57) **CLAIM**

The ornamental design for an ammunition magazine loader, as shown and described.

DESCRIPTION

FIG. 1 is an exploded perspective view of an ammunition magazine loader;

FIG. 2 is an unexploded front view showing the ammunition magazine loader of FIG. 1; the rear view being a mirror image thereto;

FIG. 3 is an enlarged left side view of the ammunition magazine loader of FIG. 1 with the plunger removed;

FIG. 4 is an enlarged right side view thereof;

FIG. 5 is a top view thereof;

FIG. 6 is a bottom view thereof;

FIG. 7 is an enlarged left side view of the ammunition magazine loader of FIG. 1 showing only the plunger part;

FIG. 8 is an enlarged right side view thereof;

FIG. 9 is an enlarged top view thereof; and,

FIG. 10 is an enlarged bottom view thereof.

The broken lines and the areas within them depict portions of the ammunition magazine loader that form no part of the claimed design.
