(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing will be provided by the Office upon request and payment of the necessary fee. The sole view is a display screen or portion thereof with graphical user interface showing our claimed design. The peripheral dashed broken lines illustrate a display screen or portion thereof, and form no part of the claimed design. The broken lines within the peripheral dashed broken lines illustrate portions of the graphical user interface which form no part of the claimed design.
