(57) **CLAIM**

The ornamental design for a display screen or portion thereof with animated graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with animated graphical user interface showing a first image of a sequence of our design; and,
FIG. 2 is a second image thereof.

The dashed broken lines illustrate the display screen or portion thereof and form no part of the claimed design. The broken lines showing text form no part of the claimed design.

The appearance of the image transitions sequentially between the images shown in FIGS. 1-2. The process or period in which one image transitions to another forms no part of the claimed design.
