(Continued)

FIG. 1 is a perspective view of a first end of the building module frame showing my new design;
 FIG. 2 is a perspective view of a second end of the building module frame of FIG. 1;
 FIG. 3 is a top plan view of the building module frame of FIG. 1 showing floor joists in dotted lines;
 FIG. 4 is a bottom plan view of the building module frame of FIG. 1 showing ceiling joists in dotted lines;
 FIG. 5 is an elevational view of a side of the building module frame of FIG. 1, which is a mirror image of a side opposite thereto.
 FIG. 6 is an elevational view of the second end of the building module frame of FIG. 1; and,
 FIG. 7 is an elevational view of the first end of the building module frame of FIG. 1.
 The dotted lines displayed in FIGS. 3 and 4 of the application and identified above form part of the claimed design and are provided for distinguishing the floor joists from the ceiling joists of the claimed design.

1 Claim, 6 Drawing Sheets
