(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, design as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a display screen with graphical user interface.
FIG. 2 is a front view of a second embodiment of a display screen with graphical user interface; and,
FIG. 3 is a front view of a third embodiment of a display screen with graphical user interface.
The dash-dot broken line showing a display screen and all other broken line showing portions of the graphical user interface form no part of the claimed design.

1 Claim, 3 Drawing Sheets
