DESCRIPTION

FIG. 1 is a front view of a first image in a sequence of a computer display panel with a transitional graphical user interface, showing our new design;

FIG. 2 is a front view of a computer display panel with the second image thereof;

FIG. 3 is a front view of a computer display panel with the third image thereof; and,

FIG. 4 is a front view of a computer display panel with the fourth image thereof.

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-4.

The outermost broken line illustrates the computer display panel and the remaining broken lines illustrate portions of the transitional graphical user interface. None of the broken lines form part of the claimed design.
